Red Hackett dies Monday in B. Rouge

Dr. Noel "Red" Hackett, 92, of Baton Rouge died Monday, March 1 at St. James Place in Baton Rouge. He was a native of Cameron Parish and a former resident of Denham Springs.

Mr. Hackett grew up in the Sweet Lake area, taught school in Johnson Bayou and at one time was assistant superintendent of Cameron Parish Schools.

He was the former executive secretary of the Louisiana Teachers Retirement System.

He was a member of the First United Methodist Church of Baton Rouge and of the Lake Charles Masonic Lodge.

Funeral services were held Wednesday, April 3 at the First Methodist Church with burial in Greenoaks Memorial Park. The Rev. Chris Andrews officiated and Rabenhorst Funeral Home was in charge of arrangements.

Dr. Hackett was preceded in death by his first wife, Thelma Beatrice Rutherford Hackett, and his second wife, Christina Hoggart Hackett.

He is survived by one daughter, Dolores Lewis of Lowell, Ark.; one son, Clarence "Brother" Hackett of Baton Rouge; one stepson, Halley Hoggatt of Bellavista, Ark.; 11 grandchildren and numerous great-grandchildren.

Two of his nephews, Sonny Hackett and Charlie Hackett, both of Lake Charles, served as

honorary pallbearers.

Memorial donations may be made to the First United Methodist Church of Lake Charles or the Hospice of Baton

Erika in magazine story

Just two days after she was crowned Deb Miss Cameron Parish at the Louisiana Fur and Wildlife Festival in January, 11year-old Erika Danielle Pickett

received another big thrill.

American Jr. Cheerleader
Magazine called to tell Erika that she would be one of the girls who would be featured in the spring edition of the magazine.

She had previously sent the magazine a photograph of herself and they asked her to send more pictures including one with some of her fellow cheerleaders. Erika sent the photos includ-

ing one with her cheerleading friend Keyara Lassein and two of the pictures were used by the magazine.

Erika, who is the daughter of Karen Pickett and Frank Pickett, both of Cameron, is a banner roll student at Cameron Elementary, a 4-H club officer, and a cheerleader for five years. She has won a number of pageants over the year and likes to play baseball and basketball.

By GENEVA GRIFFITH

A seventh member of the Cameron Parish Police Jury and a new district in the Big Lake area are the results of a reapportionment plan adopted by the jury at its monthly meeting Monday.

Only Police Jury President Charles Precht III, who repre-sents the Grand Lake/Big Lake area, voted against the plan since it will put part of his present district into the new dis-

The advantage of the new plan which was drawn up by Parish Administrator Tina Horn is that, for the most part, it leaves the current Police Jury districts as they are now.

A reapportionment plan recently adopted by the School Board differs from the jury's plans as many of the district boundaries were changed. In addition two of the current School Board members will be in the same district with one being eliminated in the election in the

Board member Clifton Morris, one of the members in the same district, congratulated the jurors on their plan. He said if the school board's district plan stands it will leave either Cameron or Johnson Bayou without a representative on their side of the the

Morris said he voted for the school board plan because he thought that it was the only option they had.

The School Board's elections will be held this fall but the Police Jury will not have an election until the fall of 2003.

BOARD REACTIVATED

In other actions, the jury reactivated the Cameron Parish Industrial Development Board which had not functioned for many years.

Named as new members of the board were Buddy Oakes, Gary Billedeaux and Hayes (Pete) Picou, Jr.

Original members of the board were all jury members--Frankie Henry, C. A. Riggs and Charles Precht, Sr. The latter two are now deceased.

School Board vote set for Saturday

Residents of School District 4, the Grand Chenier-Creole area, will vote Saturday in a special election to name a new school board member for the dis-

The two candidates are Sheila Conner of Creole and Dorothy Theriot of Grand Chenier.

They are seeking to complete the term of Bill Morris, board member who was recalled in a

special election held last October. The person elected Saturday will serve until Dec. 31. An election this fall will elect someone to a full 4-year term.

Clarence Vidrine, retired principal from Grand Chenier. has served as interim board member until the special election could be held. When appointed Vidrine indicated that he would not seek election to the

School-based health centers are featured

Louisiana's school-based health centers, one of which is located at South Cameron High School, were spotlighted recently in "Congressional Roll Call," a popular Capitol Hill newspaper. The paper cited these centers, which are located in schools, for providing more than an education to kids in need.

According to David W. Hood, secretary of the Department of Health and Hospitals, there are about 50,000 students served by SBHCs in Louisiana who can get their regular check ups, preventative care and mental health services at school.

Over the past ten years, the number of SBHCs in Louisiana has increased from 4 to 53 sites, serving 84 schools in 23 parishes. School-based health care is based on the premise that healthier kids make better students and that young people from 10 to 19 years old are the least likely to seek health care services. In Louisiana, the SBHCs are

located in elementary, middle,

Permit asked for project

The Cameron Parish Police Jury has applied for a Coastal Use Permit for the Cameron-Creole Watershed Terracing Project to be located about eight miles south of the Gibbstown bridge and two miles off Hwy.

The project will include construction of 232,320 feet of earthen terraces, 30 feet wide at the base and 10 feet at the crown. Each terrace will be 1000 feet long and there will be 100 feet openings between each terrace end.

Approximately 832,531 cubic vards of material will be excavated from a 30 foot wide borrow area adjacent to the terraces.

One gallon containers of bullwhip or smooth cordgrass will be planted on the edges of the terraces. The project has the potential to created approximately 54 acres of emergent and high schools. The staffs include doctors, nurse practitioners, nurses and social workers. The Office of Public Health's Adolescent School Health Program (ASHP) provides funding and technical assistance and assures that high-quality primary and preventive care services are provided at the SBHCs.

Library to hold open house 15th

Cameron Library's annual open house will be held at 2 p.m., Monday, April 15 in the library. The Cameron Parish Library Board and Librarian Charlotte Trosclair invite the public to attend.

Jerry Wise, who with his wife, Joy, founded the Cameron Parish Pilot in 1956 will relate the history of the paper, now in its 46th year of publication.

Mr. Wise will tell about earlier newspapers in the parish and Pilot's first year's issues.

Most of the Pilot's past issues are on microfilm at the library and also at the McNeese library.

Energy Aid told

Applications are being taken by the Cameron Community Action Agency for the Lowincome Home Energy Assistance Program to assist with high home cooling expenses. Eligible households with children age five years and younger, the elderly and handicapped persons will be given priority.

Residents of Cameron Parish may call the office to see if they qualify for assistance. Call 775-5154 in Cameron or 598-5158 in Grand Lake to make an appointment or for information.

Be sure to exercise your right to vote on Saturday,

DO YOU REMEMBER? Years ago when Cameron Parish farmers used to grow sugar cane, they would make cane syrup by boiling the cane juice in large cast iron kettles such as this. This kettle was photographed on the Front Ridge Road shortly after Hurricane Audrey in 1957. It would be interesting to know if it is still in existence.

Rabies clinic to be held

The annual Cameron Parish Rabies Clinic for dogs and cats will be held Saturday, April 13. The vaccination fee is \$7 and includes tag and certificate. Vaccinations will be given at the following locations: Cameron Multipurpose bldg.-1-2:30 p.m.; Grand Lake Multipurpose bldg.-1-2:30 p.m.; Johnson Bayou Multipurpose bldg. 1-2:30 p.m.; Creole Multipurpose bldg. 3-4:30 p.m.; Grand Chenier Multipurpose bldg. 3-4:30 p.m.; Hackberry Multipurpose bldg. 3-4:30 p.m.

Boards to meet

The Cameron Council on Aging board of directors will meet on Tuesday, April 9 at noon at the Cameron Senior Center, 723 Marshall Street.

The Cameron Community Action Agency board of directors will meet Monday April 15 at noon also at the Cameron Senior Center. Both meetings are open to the public.

A letter to voters in CAMERON PARISH from JAMES C. MCINNIS

110 Seagull Lane Big Lake LA 70607 PH: 337-598-3208 e-mail: judgemc@justice.com

Dear Voter:

I am running for District Attorney. My name is James C. McInnis but people usually call me "Jim" or "Judge Mc". I am 63 years of age and have been married to the former Judy Coe for 41 years. My wife, Judy, is an enrolled agent with the Internal Revenue Service and works for H&R Block in their Executive Tax Office. We have one daughter, Ashleigh McInnis-Terry, who is a registered pharmacist and is the director of the Out Patient Pharmacy at Moss Regional Hospital. Ashleigh is married to Jared Terry who owns Mosaic Marine, a salt-water aquarium business. My permanent and only residence is located at 110 Seagull Lane in the Big Lake area. My daughter and son-in-law have purchased property on Klumpp Lane in the Grand Lake area and plan to build their home here in Cameron Parish.

I have 25 years experience in areas relating to law **enforcement.** I've worked as a deputy under Sheriff Henry A. Reid, Jr., a State Probation and Parole Officer, an assistant district attorney under District Attorney Frank T. Salter, Jr. and as a State District Court Judge. I have personal, handson experience in all the above related fields of law enforcement and hope you agree that my experience qualifies me to be your District Attorney.

I graduated from McNeese State University and Loyola University School of Law.

Cameron Parish has a reputation for having good law enforcement and I would like to become a part of that by serving as your District Attorney and working with the Cameron Parish Sheriff's Department, which I believe is one of the best in the country.

<u>I will to be a full-time District Attorney</u>. I will not have any other office and I will not engage in the private practice of law. Further, I have no affiliation with any local or area political organizations or factions.

I love Cameron Parish! I first came to Cameron Parish with my Father when I was six(6) years old. We hunted ducks in Big Pasture. We leased our hunting area from Tan Demarie and we would go by Clarence "Patin" Faulk's house every morning for coffee with "Patin" and Irene.

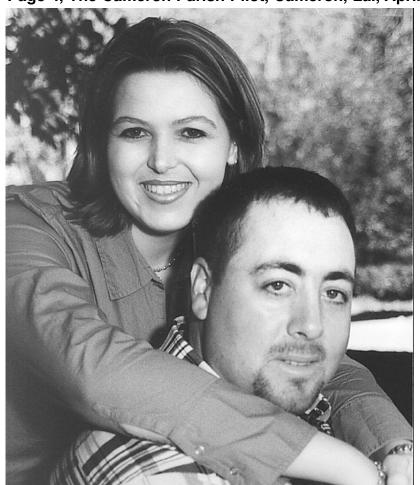

Thanks for taking the time to read this letter and I will appreciate your vote and support. Hoping to be the next District Attorney of Cameron Parish, I remain,

Sincerely

JAMES C. MCINNIS

If you have any questions or if I can be of service, please call me anytime at my home at Big Lake. My home phone number is 598-3208.

PRAYER TO THE Blessed Virgin

(Never Known To Fail)

Oh, most beautiful flower of Mount Carmel, fruitful vine splendor of Heaven Blessed Mother of the Son of God Immaculate Virgin, assist me in my necessity, oh Star of the Sea, help me and show me herein you are my Mother, oh Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in this necessity. There are none that can withstand your powers, oh, show me herein you are my Mother, oh, Mary conceived without sin, pray for us who have recourse to thee (three times). Holy Mother, I place this <u>cause in your hands</u> (three times). Holy Spirit you who solve all problems, light all roads so that I can attain my goal, you who give me the divine gift to forgive and forget all evil against me and that all instances in my life you are with me. I want in this short prayer to thank you for all things as you confirm once again that I never want to be separated from you in eternal glory. thank you for your mercy toward me and mine. (The person says this prayer 3 consecutive days. After 3 days, the request will be granted! This prayer must be published after the favor is granted.)

Lions hear about camp for kids

Southwest Louisiana Lions Clubs held a zone meeting at the Maplewood - Hollywood Club Tuesday, March 26. Clubs represented were Vinton, Mid-City, Starks, Lake Charles Evening, Carlyss, Cameron, Sulphur, and Maplewood-Hollywood.

New members were installed by District Governor Bert Baker. The members heard from Robert Moss, Director of Lions

Children's Camp about the development of the Childrens' Camp at Leesville. The Lions now own 170 acres that has camp sites, dormitories for boys and girls, an infirmary, cafeteria, and a boat launch.

The Lions invite over six hundred children each summer to the camp. Since 1961, over 18,000 children have attended the camp. The camp is supported by Lions clubs with special projects to raise money.

Literacy Council needs volunteers

The Literacy Council is recruiting new volunteers and students. New groups of adult students are ready to begin reading instruction as well as waiting to learn English due to a scarcity of trained tutors. New volunteers are needed to meet this need.

The Literacy Council, a United Way agency, recruits, trains, and matches volunteer tutors to work one-on-one with adult students who need individual instruction in reading, writing, and spelling. The Council also trains volunteers to help in its English language acquisition

A workshop for new volunteers will be Saturday, April 13, from 9 a.m. to 2:30 p.m. at the Council offices in the Central School Arts & Humanities Center, 809 Kirby. Volunteers are asked to make a 2 to 3 hour weekly commitment to teach reading or language skills. The Council provides curriculum training and all needed books and materials.

Volunteers do not need to have professional teaching experience. Volunteers in the English language program do not need to be bilingual. However, appreciation for cultural diversity is important.

GOD BLESS THE U.S.A.

A friendly reminder, Sunday, April 7 starts "Daylight Saving Time." We'll lose one hour of sleep as we turn the clock forward one hour before we go to bed on Saturday night.

I was thinking this past week of the tackle I get torn up when catching a choupique, bowfin is the real name. This is a tough fish, hard pulling and will bust tackle most of the time, if it doesn't break your line first and take your tackle.

The bowfin is a common freshwater fish found in most southern U. S. waters. It's a predator fish, and most bass fishermen will tell you, the bowfin will push a swell of water, especially in shallow marshes, and it's on the attack. This fish has powerful jaws and teeth, Sometimes we anglers question whether it eats or competes with gamefish, that's in the same

Some biologists did a study to find out what the bowfin eats. They used electrofishing, what we call shocking machine to check these fish.

The items found in their stomach were: crawfish, grass shrimp, insects like dragonflies or mosquito hawks and yes, fish. Crawfish were found in 79%, fish 21%. Now here in southwest

Louisiana, they also found crabs in their stomachs.

I was looking to find a Louisiana bowfin record and I found out it's a 20.5 pound bowfin. This had to be a fight. I caught one a couple of years ago that went 11 pounds and I thought several times about cutting my line, my line held, but the four dollar spinner bait was a total loss, I even lost the double

FISHING NEWS

We lucked out this past weekend and missed the bad weather, but really in some places, we didn't get any rain.

Fishing was tough as the strong winds made it rough. Some nice catches of bass were reported, but really nice catches of white perch reported.

The saltwater fishing in the lakes and Gulf were rough, but good catches of redfish in the Mermentau River and the Grand Chenier jetties was good.

I talked to anglers at the Grand Chenier Park and they're ready and waiting for the red snapper season to open

The recreational fishing for red snapper in the Gulf of Mexico federal waters will open at 12:01 a.m., April 21, with a 16 inch minimum size limit, and a four fish bag limit, that includes captain and crew of for hire ves-

Law Enforcement Officers of the La. Wildlife & Fisheries has been making quite a bit of cases concerning red snappers. Cases made were taking red snapper in close season, undersize snappers, and over the limits in close season. Undersize snappers and over the limits in closed season.

Two weeks ago, cases were made against offshore workers bringing in red snappers from offshore platforms during closed season, and filleted red snappers, and white trout, all hidden in duffle bags. They were also charged with failure to have saltwater fish intact. Always remember any fish you catch, vhen vou come onshore has to have the head including gills intact. You may gut your fish and that's about it. This could cost these offshore workers their jobs.

ANNUAL RENTAL for the second and third years shall not be less than the aforesaid cash payment. The lease is to be granted without any warranty or recourse against lessor whatsoever, either expressed or implied, not even for return by lessor of any payments received under the lease or being otherwise responsible to lessee. Minimum royalties shall be one-fourth (1/4) of all oil and gas produced and saved or utilized; one-eighth (1/8) of the value per long ton of sulphur produced and saved which shall yield not less than \$2.00 per long ton; one-eighth (1/8) of the value per ton for all potash produced and saved; which shall yield not less than ten cents (\$.10) per ton; and onefourth (1/4) of all other minerals produced and saved.

All leases awarded shall be executed upon terms and conditions provided in the current Cameron Parish School Board lease form with all applicable riders appended thereto, including Approved Rider for Attachment to State Agency Lease Forms, and including, but not limited to, provisions as follows: Should lessee fail to begin the actual

drilling (spudding in) of a well on the lease premises within one year from the date of the lease, the lease shall terminate as to both parties to the lease, unless on or before such anniversary date, lessee shall pay a delay rental [which shall in no event be less than the aforesaid cash payment offered for the lease], which shall cover the privilege of deferred drilling operations for a period of one year. Upon like payments annually, drilling operations may be further deferred for successive periods of one year each during the primary term of three years. The lease shall provide for drilling of offset wells where necessary to protect the Board's interest and shall contain the provisions against the assignment of sublease of the lease unless approved by the School Board. The lessee shall have the right to enter into pooling or unitization agreements with respect to develop-ment of the leased premises subject to the approval of the School Board. The Lessee shall not have the right to conduct geophysical or seismic activities or exploration on the leased premises under this lease. Such activities may be conducted only if a separate written contract or permit is granted to Lessee by the Cameron Parish School Board for which additional rights separate and additional consideration shall be paid. Any lease granted hereunder shall

be on the regular current Cameron Parish School Board lease form with Approved Rider for Attachment to State Agency Lease Forms and shall be subject to the approval of the State Mineral Board. A copy of the said lease form and rider are available for inspection at the office of the Cameron Parish School in Cameron, Louisiana. Certified check, bank money order, or cashier's check, payable to the Cameron Parish School Board for the full amount of the bonus, shall accompany and be submitted with each bid; and no bid thus submitted may be thereafter withdrawn or canceled; and the cash bonus accompanying the bid of the successful bidder shall be forfeited to the Cameron Parish School Board should he not return the written lease, duly executed, within twenty (20) days after his receipt of the same.

The Cameron Parish School Board reserves the right to reject any and all bids and to grant a lease on any portion of the tract advertised for a price not less than proportionate to the best bid offered for the lease on the entire tract. CAMERON PARISH SCHOOL BOARD

It was announced that Clyde Ingram, poultry specialist, would visit the Big Lake community.

(Cameron Pilot, April 3, 1969) ROAD FUNDS TO BE BONDED

The Cameron Parish Police Jury Tuesday began to make plans for bonding more of its Royal Road funds to provide funds for parish-

wide road and bridge projects. Police Jury president W. F. Henry, Jr., told the jury that the final payment on \$1,000,000 bonded a few years ago will be made in 1970 and that the jury would then be able to sell more bonds backed by the Royal Road fund.

The Royal Road fund is a por-

tions of the crossings. The meeting is set up for a couple of weeks from now. Bid packages should be completed

shortly thereafter. 2. The ditch near Portie Road, north of the Community Center was discused. New landowners wish to have the ditch cleaned to allow better drainage. R. Hick said he would check on ROW issues.

 $\frac{\text{New Business}}{\text{1. Mr. Simon addressed the Board}}$ regarding the ditch in front of his house. He stated that about 15 inches of water stands in the ditch due to a restriction south of his property and it needs to be removed and the ditch swept. The Board authorized B. Johnson to write a work order to the

Parish to have the ditch swept. 2. A. Seay addressed the Board about the drainage system west of his house. He said that there is a problem with saltwater intrusion and poor drainage associated with this system. He proposed that some sort of structure be built that would stop the saltwater and the drainage. The Board authorized B. Johnson to contact engineers to survey the area and consider

matters were taken up by the jury. Henry reported that the Sabine Lake Causeway bridge, which is jointly owned by Cameron Parish and Jefferson County, Texas, was damaged

again by a tugboat in February. The causeway bridge has been hit numerous times in the past and major repair work is presently in progress on it. Bids on repairing the latest damage will be taken on May 5 in Port Arthur.

Juror Henry reported that the State Highway Department agreed to install large drain tiles to drain the main street of Cameron if the jury would put up \$4,700 to pay for material. The cost of the overall project would be \$9,642.

Henry said the condition of the ditches along Cameron's main street were a disgrace. They stay filled with oil drained from a local service station and during heavy rains the ditches overflow.

the residents of Cameron Parish by State Highway Director A. B. Ratcliff, Jr., who accused them of being "unreasonable" in their complaints about the bridge situation at Hackberry.

Henry's remarks, which he inserted in the minutes of the jury,

"I would like to make a statement to the press concerning recent remarks by state officials concerning the citizens of Cameron Parish. Be patient, they say; we have been patient. Last year alone we were patient as the state took \$5,636,993.43 in severance taxes, and gave us back maintenance money on existing roads in the amount of probably less than 5%.

"In 40 years Pan American alone in Hackberry has produced an average of 12,000 barrels of oil per day, or a total of 60 million barrels of oil alone. The state has been very patient each year waiting for millions of dollars in taxes collected in Cameron Parish.

Sabine Construction Co. of Port Arthur was the apparent low bidder for constructing a sewer system for the Sewerage District in Cameron. The firm submitted a bid of \$1,046,321.

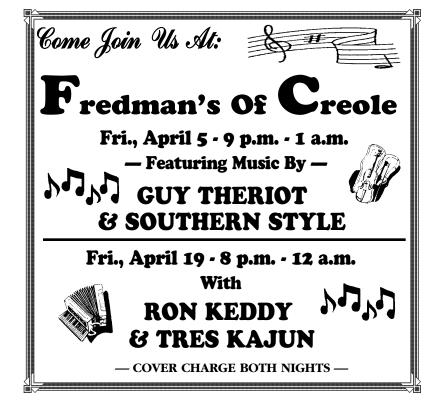

An early morning blast shook Cameron residents Wednesday when an empty crude oil barge exploded at Port Arthur.

A huge bobcat was run over by someone and later found on the side of the road at Grand Chenier by Billy Doland near the farm of D. Y. Doland. Albert Cohen says that several years ago his family saw a bobcat back on their farm at Grand Chenier. This animal is very rare in this part of Louisiana.

VOTE #1 DISTRICT 4 SCHOOL BOARD MEMBER

To The VOTERS Of School District #4,

It has been a pleasure meeting and visiting with you. To the ones I have yet to see, I certainly look forward to it. To anyone I have missed I sincerely express my apologies.

The last few weeks have been a wonderful experience for

Although my family has been in politics for many years, I know I will be faced with many important decisions and issues on the Education of our Children and Grandchildren. With God on my side and in my life, I will hope and pray the right decisions will always be made.

I do promise that as your school board representative for District #4 I will give the support and representation on every issue with a positive outlook.

I think we have a good educational system in Cameron Parish and we should always strive to make it better.

One of the biggest issues that were talked about during my campaign was the closing of the Grand Chenier School. I will give District #4 all the support they need on this issue and all matters concerning the future of our children. I can not promise anything, but I can say this will be my commitment as your Cameron Parish School Board Representative. I would like to say that I do feel that Grand Chenier Elementary was my school. My children did go to school there along with other students from the West End of the parish.

I would hate to see any school in the parish closed. We are still faced with the most important issue the Education of our Children and I stand ready and willing to work towards this goal.

I am proud to live in Cameron Parish - raising my family and I sincerely want to become part of that system. I will strive to make it even stronger.

I AM ASKING FOR YOUR VOTE AND SUPPORT ON APRIL 6!!!! PLEASE PRACTICE YOUR RIGHT TO VOTE

Sincerely,

Shiela A Conner
