By GENEVA GRIFFITH

The parish 911 group led by president Pete Duhon, voted to go with the 5 parish area and sign on as a partner in the 911 system.

Calcasieu Parish E-911 Director Robin Martin spoke to the Cameron Parish 911 Board Tuesday regarding disaster recovery during emergency situations.

He said that Calcasieu has a mobile command facility that can be moved around the parish and can be used where it is needed, during emergency situations.

It was pointed out that Cameron Parish is working under phase 0, but the parish has gone a long way in its radio communications with the outside communications.

It was voted at the Police

FOR THE RECORD

The advertisement for Brousse's A Childs World that appeared in May 31 issue of the Cameron Parish Pilot should have had the expiration date May 25 through June 30 in the coupon portion of the ad. The Pilot apologizes for any inconvenience this error may have caused. A corrected version appears on page 3 of this week's issue.

FOR THE RECORD

AN UNUSUAL sight is this century plant that grows in front of Dr. Johnny Reina's veterinary clinic in Lake Charles. Although thought to bloom once in a century, this one has bloomed twice, but never in its present form which appears to have brocoli like spears on the stem. Reina is the son of Mr. and Mrs. J. C. Reina of Oak Grove. (Photo by Geneva Griffith.)

Police jury to collect funds here

By GENEVA GRIFFITH

The Cameron Parish Police Jury voted Monday at its regular monthly meeting to collect 85 cents per month per cellular customer to upgrade the parish 911 system. The jurors adopted a resolution about wireless service users in the district effective Aug. 12, 1988, and in the future, authorizing wireless providers to begin collecting the 911 surcharge beginning July 1, 2001.

This was after a talk by Civil Defense Director Hayes "Pete" Picou appeared before the jury and told them that the Sheriff's Department, Civil Defense and ambulance system need to be upgraded due to recent mandates imposed by the Federal Communications Commission (FCC) on telephone service suppliers. The Cameron Parish Communications District is in need of additional revenues to make an increase in technical advancement and the continuing system maintenance.

Tina Horn, parish administrator, stated that the extra money will be used to hire extra dispatchers to take calls since the Sheriff's Department dispatches emergency responders when 911 calls come in.

She said that the lack of dispatchers at the Sheriff's office and fire departments has already caused the property insurance rates to go up in several areas of the parish.

The extra funds from the increase will mean upgrading the present response system to be used in emergency situations such as erecting towers in each community needing it and making the work of the emergency responders much better.

Audrey service to be held June 27

Classical music selections will be performed by Eva Rita Bellemo, organist from Queen of Heaven Church in Lake Charles and Ms. Candice Fontenot from

The upgrading of equipment and the erecting of towers will be the first order of business in phase one. There will be three phases in the emergency work and the upgrading of equipment to pinpoint where the emergency calls are coming from and the location of the person in need of assistance.

The jury passed another resolution regarding severance taxes. The jury supports House bill No. 515 which proposes to increase the distribution of severance taxes where production occurs, and a copy of the resolution will be sent to the delegation to show their support.

In other action the jury: Abandoned Parish Road No. 234 (Nunez Road) with no objections.

Monkey Island ferry to cost \$1.2 million

(Taken from LC Am. Press 6/6-Baton Rouge) Not a sweeter deal on transportation can be found than on Monkey Island, the home of about 12 families.

The state is spending \$1.2 million over the next two years to keep a ferry service going to and from the Cameron Parish island - about \$100,000 per family.

The Senate voted 25-7 Tuesday for the House bill that keeps in operation a ferry that was to have shut down on July 1.

The state has \$1.5 million set aside to build a bridge to the island. Sen. Gerald Theunissen, R-Jennings, told the Senate. Environmental problems have delayed construction.

The state made a commitment 50 years ago to the handful of families on the island to keep a ferry going, he said.

Also, a Coast Guard station and a house for ship pilots are located on the island, he added.

"It's a little bit ridiculous," said Sen. Lynn Dean, R-Braithwaite. "Those pilots make \$300,000 a year and can take care of themselves. The Coast Guard is the federal government. They've got their own boats and can take care of themselves."

In previous years, some legislative critics have said that local government should pay for the service.

Local man killed in wreck

A 63-year-old Hackberry man died Monday when his car was hit head on by another car, State Police said.

John Saunier was killed when the vehicle he was driving was struck by a vehicle driven by Lacye Nolan, 20, also of Hackberry, on the Ellender Bridge on La. 27 about 9:30 p.m. According to State Police, Nolan's northbound vehicle crossed the center line and struck Saunier's southbound vehicle.

Saunier died at West Calcasieu-Cameron Hospital from his injuries while Nolan sustained moderate injuries in the accident.

She was ticketed for driving too fast for roadway conditions.

Trooper Joey Adaway handled the accident.

CARDS OF THANKS

A SPECIAL thank you to all who participated or donated to the Ernest Trahan benefit. It was very heartwarming to see all those who showed their kindness and generosity. At a time of need, we find ourselves very fortunate to live in a small community where everyone pulls together as a family. We are very appreciative of all our friends outside of the community that gave with open hearts. As everyone knows, it does not truly solve the fight for life against cancer. However, it does ease some of the burdens knowing that there are such caring people willing to help. If ever you find yourself facing such an illness we want you to know that you can turn to us just as we have turned to you. Once again, thanks and may God bless all that were involved.

Sincerely,
Ernest Trahan and Family

CARDS OF THANKS

WE WOULD like to express our sincere thanks to family and friends for the kindness shown to us at the loss of our mother, Bessie. Special thanks to all who offered their services, sent food, flowers, cards, money, and kept us in their prayers. We would like to especially thank Dr. Sanders, South Cameron Memorial Hospital and Staff, Father McGrath, Hixson Funeral Home and Staff, Steve, Mathilda, Mathilda Ann, Terry Beard, Sacred Heart Choir, Organist, Cameron Parish Sheriff Dept. and Staff, Eric Conner and Charles Smith. Thanks again for everything that everyone has done for us.

Good Old Days

A friend of mine and myself were fishing the other day and we started talking about how easy it use to be to catch bass in our marshes. Remembering back in the late 1970's, when the Lemesche Bass Club had 75 members and we'd fish from 5 a.m. and weigh in at 9 p.m. Big stringers of bass and large bass were caught.

I remember one year the largest bass was 8 pounds 13 ounces caught by Fats Dupont in the Big Burns. The top 10 were all bass 7 pounds plus. That year I had a 6 pound 15 ounce bass and didn't even make the top 10.

We all had 9.8 outboard motors with a push pole and we thought we were fast. Today we went through the stages of 15 HP, 20 HP and now 25 HP and we think we're traveling too slow. Oh, yes, we bought gas 25 cents a gallon and outboard oil for 69 cents a quart.

We could build a fire and have a wiener roast with nothing said and we didn't even know what "No Trespassing" signs looked like.

If you had two rods, you were up-to-date, topwater; beetle spins and large 9 1/2 inch Big Bend Indigo worms were hot as fire. I could go on, but I will say this, those were the "Good Old Days".

News Briefs

Water is going down in our marshes and we're not seeing much rain. I do believe bass fishing will get tough.

Strong winds are still hampering offshore anglers as well as Big Lake anglers. Red snapper fishing has become tough in the Gulf. Good catches of flounder reported on Big Lake's east side from Hebert's Landing going south.

Speckle trout on Big Lake are hitting top water baits. The top dog is hot. It is said by Big Lake guides the big baits will bring you less fish but bigger fish, while the smaller baits bring you more fish but smaller fish, and I do believe that's true.

Secrets for a richer life

Age doesn't have to be a hindrance to living an active, healthy life. Here are six things you can do for your body and mind which will help you stay healthy, look younger, feel better and live longer.

- 1) Remember that laughter is good medicine.
- 2) Connect with other people.
- 3) Write off pain and stress.
- 4) Exercise as often as you can.
- 5) Get outside help. Nature is a great healer.
- 6) View aging as an opportunity not a limitation. Consider former US Senator John Glenn who went back into space at the age of 77. Centenarians, those living to 100, have great attitude about aging. They have volunteered, had second and third careers, and enjoyed their extended family.

ended by Tracy Myers, and carried that the treasurer's report be approved.

There were no committee reports.

The Board decided to have each member responsible for a certain area of the Recreation Center. Kim Nunez will be responsible for the spa. Tracy Myers and Tammie Hebert will be responsible for the recreation area. Toby Landry and Anita Kingham will be responsible for the playground equipment and the pool area. When problems arise concerning these areas, the directors, Ada Aguillard, Berna Boone, and Robert Kingham should contact the correct Board member for that particular area.

A discussion was held with the Youth Directors who were present concerning rules and regulations and job duties of the Youth Directors. Donna Wilde was replaced by Jean Demarets and Pam Gothreaux.

The pool rules were adopted and are to be handed out as families purchase their membership.
