One of the speakers was Dr. Paul Coreil, assistant director for environmental affairs for the LSU Ag Center. Dr. Coreil was the Cameron Parish fish and wildlife extension agent for a number of years.

Schools expecting exciting year--Jones

To The Residents Of Cameron Parish:

The Cameron Parish School Board deeply appreciates the efforts of the Cameron Parish Ministerial Alliance in organizing and conducting the third annual Prayer Day. This coming together of persons from throughout our parish was held August 18, 2001 at Hackberry High School. Prayers were offered for a safe school year, unity, and families. What a positive way to begin a new school year!

Recently, I addressed our teachers the first day of their inservice, August 13. I commended them for their hard work and dedication and just as importantly, their care and compassion for their students. The message I and the School Board hope to impart is that we have high expectations for student achievement and just as importantly we want to provide a safe and nurturing environment for our students. To make good grades, students must be fed nutritionally and feel secure.

You may have noted in recent press releases that the students in Cameron Parish continue to score significantly higher than Louisiana's statewide average across all grades. In the "Basic" category our students ranked as

follows on the LEAP and GEE:

Grade 4: 2nd in English/language arts; 4th in mathematics.

Grade 8: 3rd in English/language arts; 4th in mathematics.

Grade 10: tied for 1st in English/language arts; 2nd in mathematics.

All students, both regular education students and special education students are included in these rankings. We were just as proud of our Iowa scores in grades, 2, 3, 5, 6, 7, and 9.

A new school year presents opportunities for various beginnings--new classes, new friends, new materials. As we prepared for this new school year, there was a mixture of excitement and apprehension. School uniforms, a new reading series, unfinished construction projects, recruiting teachers and a myriad of other challenges confronted us.

Thanks to our students, parents, teachers, and staff we had a successful opening of school. It is certainly a tribute to our students and their parents that all of our 2000 students arrived at school in their appropriate uniforms. It does take the efforts of many to make th school year the success that I know it will be!

The Cameron Parish School Board and I are proud of our students and appreciate the support of parents and the community. We are dedicated to a common goal--to do what is best for our students--and we are always looking for new and better ways to achieve that goal.

Parish may be placed in new representative dist.

By JERRY WISE

Cameron Parish probably will end up in a new state representative district but is expected to remain in the same senatorial district as the result of the upcoming reapportionment by the Legislature.

Rep. Dan Flavin of Lake Charles, who represents District 36 of which Cameron is a part, said this week that his district will have to be reapportioned as it has 10,000 more residents than the "ideal" district.

He said that one plan that has been offered to correct this imbalance would be to remove Cameron from his district and put the parish in District 47 which presently includes parts of Vermilion parish. This district is served by Rep. Mickey Frith of Abbeville.

Cameron Parish Administrator Tina Horn said she has heard of "five different plans" for Cameron Parish. One possible plan would split the parish in two with the eastern half going to Rep. Frith's district and the western half going to District 33 which is served by Rep. Ronnie Johns of Sulphur.

Benefit set for child

A benefit for burn victim Carissa Primeaux, eight month old daughter of Garry and Fayette Primeaux will be held Sunday, Aug. 26 at 10 a.m. at the American Legion Hall in Grand Chenier.

Events will include a spaghetti dinner, raffle, silent and open auction, sweets, live music begins at 11 a.m. and an auction starts at 1 p.m.

Carissa was burned with hot coffee April 29 and flown to the LSU Medical Center with 45% of her body burned with second degree burns. An account has been set up with Cameron State Bank for Carissa through the Knights of Columbus Council #8324.

Money raised will go toward medical expenses for Carissa's treatment. Her medical bills to date are in excess of \$19,000. For more information call Lady Richard at 538-2682 or Garry Sr. or Fayette Primeaux at 538-2415.

Lighthouse meeting set

A Cameron Preservation Alliance-Sabine Pass Lighthouse meeting will be held at 6:30 p.m. Monday, Aug. 27, at the Lions Club Community Building in Sabine Pass, located at the 4-way intersection.

The recent ownership transfer of the lighthouse site to the CPA will be discussed. Information will be available for the third annual hayride event which will be held on Saturday, Oct. 20.

The public is invited and members are urged to bring guests.

Horn said this might not be a bad plan for Cameron as the parish would then have two representatives and more votes in the legislature.

Senator Jerry Theunissen, whose District 25 includes Cameron parish, told the pilot this week that he expects Cameron Parish, to remain in his district. However, he said he expects to lose a portion of

Calcasieu parish that he now serves.

Senator Theunissen said a special session of the Legislature has been called for Oct. 8-22 to do reapportionment. However the changes will not be made until 2004 following the next election.

The senator, who lives in Jennings, recently announced that he will seek re-election for another term.

DU banquet to be held on Sept. 15

By GENEVA GRIFFITH

The Cameron Parish Ducks Unlimited banquet will be held Saturday, Sept. 15 at the Creole fire station. Entry fee will include D.U. membership and the meal.

Ribeye steaks will be served according to Brandon Trahan, D. U. president.

The social hour begins at 6 p.m., followed by the meal at 7 p.m. and then the auction. The auctioneer will be Mike Montie and will have plenty of items.

There will be several gun raffles, duffle bags with DU Logo, watches, decoys etc. to auction, in addition to the Greenwing gun

which is contributed each year.

Three of every 5 birds killed each year comes from Duck Unlimited sponsored areas. The mission of Ducks Unlimited is to fulfill the annual life cycle needs of North American waterfowl by protecting, enhancing, restoring, and managing important wetlands and associated uplands.

Since its founding in 1937, DU has raised more than \$1.5 billion dollars which has contributed to the conservation of almost 10 million acres of prime wildlife habitat in all 50 states, each of the Canadian provinces and in key areas of Mexico.

Fishing pier, RV park getting a lot of use

The Cameron Parish Police Jury's Jetty Fishing Pier and RV Facility, located on the ship channel about a mile south of town, has gotten a big reception since it officially opened in April.

According to Tina Horn, parish administrator, a total of 8141 fishermen have paid the \$2 a day fee to fish from the pier from April 1 to Aug. 13, an average of 64 persons a day.

In addition, 343 persons have paid the \$10 a day fee to use the recreation vehicle park which provides electrical hookups or an average of over five RV vehicles a day. (The RV fee also includes the fishing fee.)

Horn said that the pier so far has not generated enough fees to pay for the security service which collects the fees. The police jury makes up the difference but looks at the pier as an economic development vehicle bringing in many out-of-the-parish fishermen and campers who spend money locally for food, beverages and bait.

The pier and RV park are the first two phases of the Jetty road

project. The parish recently received a state grant of \$23,000 to build a timber walkway from the RV park to the beach. Also planned is an extension of the present pier and a tower for viewing birdlife.

Reservations for the RV park may be made by calling 337-725-5718 or 337-477-8655, which are Police Jury numbers. A telephone at the park site will be installed later.

Who's Who

The Cameron Parish Pilot's annual Who's Who edition will be published on Sept. 13 and will contain profiles on businesses, service organizations, industries, etc.

The deadline for securing advertising space is Monday, Aug. 27. To reserve space call Jeffra DeViney, advertising manager, at 786-8004 or 1-800-256-7323.

Ms. DeViney has tried to contact all of the prospective advertisers in the parish. If you have been missed please call her at the above numbers.

is there, pampering and playing with them.

Mama Lillie is devoted to her religion. She attends church every Sunday, cooks for and feeds the preachers and their families after church services. A hard working person, she earned money, and gave money to the church. She took care of maintenance of the church building and its contents. She made pies and sold them for the pastor's anniversary, and upkeep of the church building.

Prayer meeting is held in her home, weekly. At the age of 82, when asked, "What do you attribute to your long life?" She responded, "Hard work, and my strength and health comes from God."

After every burial at St. Martin DePorres cemetery, the street in front of Mama Lillie's house looks like a parking lot at McDonald's. She prepares food, feeds the people, and many carry covered plates home.

Mama Lillie has had a good adventurous life. Marilyn Miller gave her a trip to Hawaii, and Annie Laura Miller took her to various parts of Texas to visit family. She made many trips to Los Angeles to visit her daughter and grandchildren. She attends social events sponsored by the Council on Aging, and was named Valentine queen.

Mama Lillie is active in regional and state senior Olympics. She was a first place winner in washer pitching, softball distance, and walkathon, in October, 2000, in Baton Rouge. She has won numerous gold medals on display in her home.

No matter what Mama Lillie does, she does her best. An excerpt from a poem reads, "Lord help me live from day to day, in such a self forgetful way, that even when I kneel to pray, my prayer will be for others." The many people who know her, can truly say she lived her life to help others.

Happy Birthday Mom & Dad

Kermit & Linda Mae Conner
August 25

God looked around His garden and He found an empty place. He then looked down upon this Earth, and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful He always takes the best. He knew that you were suffering, He knew you were in pain. He knew that you would never get well on earth again. He saw the road was getting rough and the hills were hard to climb. So He closed your weary eyelids, and whispered, "Peace be thine". It broke our hearts to lose you but you didn't go alone. For part of us went with you the day God called you home.

HUNTERS ON ALERT

Area hunters are on alert, as there's so much to do and get ready for. Alligator trappers are all over the marshes putting their poles and line in place (not set or baited) so as the day before opening they won't have so much to do, as the season is open August 29.

Some hunters are preparing their fields, as dove season opens Labor Day weekend Sept. 1, through Sept. 9 for 9 days. There will be three splits.

Many folks are getting trails ready, with their boats and teal decoys, as we'll see teal season open on Sept. 15 through Sept. 30. Rail and Gallinule will also be open on these dates.

Last week the proposal of the regular 2001-2002 water fowl season was listed. Our zone Nov. 10 - Dec. 2 and Dec. 15, 2001 - Jan. 20, 2002 with daily bag of 6 ducks.

Our marshes in some areas are beautiful, with good canes and plenty of grass, while other marshes have seen what the saltwaters can do, if not controlled.

AREA FISHING

Area fishing has been up and down, but the Grand Chenier Mermentau River is producing nice redfish, while the Jetties are producing speckled trout. The Cameron area is doing about the same and lots of anglers are still fishing along our beaches and doing good on both spec's and

reds. Big Lake has been on and off, lots depend on the rain up above, as fresh water will slow speckle trout fishing down quite a bit. The southern end of the lake is real slow, but fishable.

We have been using top dogs on speckle trout, but also we're throwing leadhead jigs with fresh shrimp and that's really working well; working well also on redfish is line bait like shrimp, and cut mulletts. (Artificial grubs in chartreuse color.)

Fishing the freshwater marshes is still tough, but good catches of bass were caught on the Superior Canal in the Amoco Field. The Miami Corporation Permit fishing will be over this Sunday evening at sundown (August 26).

GIBBSTOWN DOG FIGHT

The results of the Monday evening Aug. 13 Gibbstown Dog Fight went this way. The Choupique Pot was won by Johnny LeDoux and Russell Pesson with a 5 pounder.

Regional team results (14 boats) 1st. Chris Packwood and Michael Breaux, 3 fish 6-7 pounds; 2nd place Johnny LeDoux and Russell Pesson, 3 fish 4-4 pounds.

Regional team (sidepot 10 boats) 1st. place Johnny LeDoux and Russell Pesson 3 fish 4-4 pounds; 2nd place (tie) Todd Morales and Bryan Davis 3 fish 3-5 pounds and Danny Lemary and

THE AMERICAN RED CROSS 'GuardStart: Lifeguarding Tomorrow' class was held at the Cameron Parish Recreation District #6 in Cameron on Aug. 6. The class gave the participants a jump-start into Red Cross lifeguarding. All participants were between the ages of 10 and 14. All participants learned the basics of lifeguarding prevention, fitness, response, leadership, and professionalism and worked hard to earn their certification as a GuardStart Junior Lifeguard. Shown above are (top left photo, from left) Tony-Boy Johnson, Kassie Benton, Dylan Jouett, Brandi Fontenot, and second-year lifeguard Jessica Landry; (middle left photo) Chad Benoit, James Cormier, Jared Landry, John Martin, Jaylon Ball, and first-year lifeguard Trey Lute; (bottom left photo) Jacob Trahan, Brittany Nunez, Jody Thomas, Cristina Leija, Brian Doxey, and first-year lifeguard Lacy Martel; (top right photo) Chance Savoie, Chelsi King, Jorge Hernandez, Sarah Boudreaux, and first-year lifeguard Joe Wolfe.; (bottom right photo) Deil LaLande, Ty Reil Harmon, Daniel Kelley, Jared Dahlen, and first-year lifeguard Bendan Iler.

Tarpons scrimmage with Iowa Yellow Jackets

By CHRIS MUELLER

The South Cameron Tarpons scrimmaged the class 3 A Iowa Yellow Jackets here Friday and although Iowa outscored the Tarpons two touchdowns to none, the SCHS coaching staff found a lot to look forward to in the upcoming season.

Both the offense and defense showed a lot of promise. "The kids played real hard and we moved the ball well on the second round of 15 plays," said Coach Parry LaLande.

The Tarpons are going this year with pro-attack spread offense similar to the one they started with last year. South Cameron will throw a lot this

Doug Logan 3 fish 3-5 pounds. Regional Big Bass (side pot 12 boats) 1st largest bass of 3-7 pounds went to Chris Packwood and Michael Breaux and 2nd place went to Red West and Kenny LaRocca 2-5 pounds.

This will end the Gibbstown Dog Fights for this year. Many thanks go out to Ron Castile and to George Melancon and of course all the anglers who took part.

year as they did in the Iowa scrimmage.

Junior quarterback Trey Lute has senior wide out Jeffrey DeShields as his number one target. When the Tarpons aren't passing the ball they have two very capable running backs in Donnie January and Marcus Boudreaux, two runners with different styles that can pick up lots of yardage.

The coaching staff was pleased with the defensive per-

formance of the Tarpons. They gave up two big plays to Iowa and other than that they held their own against the bigger and faster Iowa offense.

The Tarpons should find out much more about themselves as they go up against Vinton Thursday night at 6 p.m. in the Iowa Jamboree.

TO THE Community, A special thanks to all those who sent food, flowers, and their prayers for our mother and wife (Kristine Martarona). A special thanks to Father Joseph and the Legion of Mary for all the prayers, long talks, and comforting words. Our family went through a troubled time and without the prayers, support, and all the many shoulders we had to lean on, that road would have been even longer. You have a family that you always lean on, but when you have a community that supports you the way our community supported us, then you have it all. A real special thanks to Myra Rutherford, Tina Savoie, Glenda Huber, Nadine & Clayton Richard, June Richard. To all those who we left out, please note you were not forgotten and your help and assistance was greatly appreciated.
Sincerely we thank you again,
The Martarona Family

Colligans like paper

Dear Jerry, Joy and Cameron Pilot Staff,

The histories of so many Cameron families are written in the lines of the Pilot, from birth, through elementary school—their 4-H efforts, their school activities—their graduations from school, their marriages, and later, the birth of their children.

Meanwhile their parents' business and civic achievements are right there along-side a picture of someone's prize bull or a local shrimper who had a good catch. We know what's happening at the jetties, at the banking institutions, the school board meetings and the police jury.

For those of us who leave, our interest in the Pilot increases by leaps and bounds when we move away, because although we aren't there anymore, we still want to know. The Pilot follows Cameron folks all the way to the obituary column, then after the funeral we see the thank you notes for the sweet ones at the hospital and the funeral home.

From their notes you know that all those aides and nurses (and until recently Mr. Driscoll) and the always-faithful Matilda and her family made the end a little easier for the families than it might have been. For all those words and for all the effort it took to keep the Pilot going all these years, we thank you.

Jimmy and I appreciate you every Friday morning when we go to the mailbox for our Pilot.

Sincerely,
/s/Nell Colligan

Remember? By Keith Hambrick

Cameron Pilot, August 22, 1968.

UNUSUAL FLORAL TRIBUTE

A fitting and symbolic tribute to the late Dr. S. O. Carter, Cameron Parish pioneer doctor who passed away August 10, was this unusual floral piece, a flower-covered chair (a replica of the old-time kitchen chair) on which rested a doctor's bag and stethoscope. The chair, as shown here, was placed beside the doctor's bier to symbolize his life's work.

The unique floral piece was the idea of Dot Sells Bourgeois, owner of Dot's Flower Shop in Cameron, whose desire was to make something symbolic of the old doctor as her personal tribute to his memory. Mrs. Bourgeois spent hours making the full-sized chair out of styrofoam and covering it with dozens of small white mums.

The doctor's bag, of an early vintage, and stethoscope was the property of Dr. Martin O. Miller of New Orleans who gave these to Mrs. Bourgeois to be used on the chair since Dr. Carter's old bag and stethoscope were lost in Hurricane Audrey.

ELECTION RESULTS

Alton A. Trahan of Johnson Bayou, Ward 5 school board member for the past 12 years and school board president, was defeated for reelection in Saturday's Democratic primary, with his two opponents going into a runoff on Sept. 28.

Alvin Trahan, with 77 votes, and J. P. Constance, with 75, will face each other in the second primary. Alton Trahan received 60 votes.

The Ward 1 school board race likewise was close, but incumbent Percy David won by a vote of 90 to 79 over his opponent K. P. Vincent
