Fr. Saucier conducts first Mass at J. Bayou

The first Mass of Thanksgiving by Father Will Saucier was held at Assumption Catholic Church in Johnson Bayou on Sunday, July 8, with the help of the Pastor, Father Roland Vaughn.

Father Will, as the parishioners of Assumption call him, is from Kinder but has been a member of Assumption Parish as well as a member of Knights of Columbus Council 8323 of Johnson Bayou-Holly Beach. He was ordained a priest on June 30 in Montgomery, Ala. for the diocese of Mobile.

The July 8 Mass was in thanksgiving to Assumption Parish community. Father Vaughn, Knights of Columbus Council 8323, and Catholic Daughters Court 2265 for the support he received while attending St. Charles Borromeo Seminary in Wynnewood, Pa. While in the seminary Fr. Will was adopted by KC Council 8323 through the RSVP program.

This program is part of Supreme K of C to support financially and give encouragement to young men in seminar-

ies preparing for the priesthood. Will was Council 8323's adopted seminarian for the past several years.

The mass included the consecration of the Chalice and Paten donated to Father Will by his brother Knights of F. J. Pavell KC Council. Rev. Vaughn officiated at the consecration ceremony. The Chalice and Paten, made of gold and silver with the 12 Apostles and the four gospel writers, will be used by Father each time he celebrates mass during his priesthood and was used for the first time at this mass of thanksgiving.

Members of Msgr. Cramer of Lake Charles and Fr. Velliard of Sulphur Fourth Degree Knights of Columbus joined in the celebration of the mass.

A reception at the Assumption Renewal Center was held for Father Will directly after the mass. The reception was sponsored by KC Council 8323 and CDA Court 2265.

Father Will is now serving as assistant pastor at St. Dominic Catholic Church in Mobile, Ala.

Blood drive set Friday

Cameron Police Jury Annex will be the site of the annual Cameron Community Blood Drive Friday, Aug. 31, from 11 a.m. to 2 p.m. A successful blood drive will ensure a good start to the Labor Day week-end, when blood supplies are traditionally at risk. Myrna Conner is the drive chairman.

The drive will be staffed by LifeShare Blood Center, a non-profit organization which relies on at least 1550 people a month to donate blood for patients in the nine hospitals of Southwest Louisiana, including South Cameron Memorial Hospital. Donors may choose a total cholesterol screen or a colorful T-shirt as a gesture of appreciation, and they can credit the donation to their church or place of employment.

To be eligible, a donor must be in good health, be at least 17 years old and weigh a minimum of 110 pounds. A donor may give blood every eight weeks. Guidelines have changed over

S. Cameron Elem. tells open house

South Cameron Elementary School will host open house on Wednesday, Sept. 5, from 6 to 7:30 p.m.

Parents are encouraged to visit with the teacher and discuss procedures for classroom instruction this school year.

Refreshments will be served in the school gym, according to Barry W. Richard, Principal.

THE SOUTH CAMERON High School Tarpon football coaches are shown above. Parry LaLande, Sr. is head coach. Assistant coaches are Baron Thomas, Stevie Barnett, Pete Picou, Ryan Nash, Jeff Wainwright, and Clarence Vidrine.

2 rescued after craft crashes in parish

(AMERICAN PRESS)

Two men were hospitalized for non-life-threatening injuries Friday after their helicopter crashed into the Gulf of Mexico.

The two men rescued by the U. S. Coast Guard are the pilot, Michael Prapcher of Pace, Fla., and Edmond Creedeur, a technician from Rayne.

Both were listed in stable condition Friday night.

Lt. Mara Booth-Miller, Coast Guard Group Galveston's assistant operations officer, said that around 8 a.m. the aircraft went down in the Gulf about five miles south of Big Lake in Cameron Parish.

Booth-Miller said both occupants had back injuries.

The pilot was air-lifted to a

hospital, and the technician was taken there by ambulance.

It is not yet known what caused the crash.

Booth-Miller said Cameron Parish sheriff's deputies were called out to assist, but were not needed.

Also, a vessel ferrying supplies to offshore petroleum rigs was on scene and took the victims to shore, where they were taken to the hospital.

A Coast Guard helicopter dropped a medical expert onto the boat to evaluate the victims' injuries while the vessel headed to shore to meet with medical transportation.

The aircraft belonged to the Lafayette-based Offshore Logistics Inc.

Library tells children literacy program here

The Cameron Parish Library will hold a six-week literacy program targeting children 6-10 years of age who are having difficulty learning to read at 5 p.m. Thursdays Sept. 6-Oct. 11.

The program "Prime Time Reading Time" promotes family reading and discussion and enables parents with limited literacy skills to create supportive reading environments for their children.

A storyteller and an educator will introduce award-winning children's books about fairy

tales, folk tales, history, and problems children encounter.

Humanities subjects broached will be literature and ethical issues, such as fairness, greed, honor and trickery to help foster high academic achievement.

There will also be an entertaining story program provided at the same time as the family reading time for the preschool children of the participating families. Free bus transportation, refreshments and door prizes will be offered.

Wetlands workshop to be held at Grand Chenier

The Coalition to Restore Coastal Louisiana will hold coastal wetlands workshop featuring the Chenier Plain at the Grand Chenier Fire Station Saturday, Oct. 27 from 8 a.m. to 5 p.m.

The workshop is opened to interested adults. The workshop fee of \$50 will include a boat trip to observe the shoreline, a tour of the Rockefeller Wildlife Refuge, a bus tour of the Grand Chenier area, lunch and refreshments.

Participants at the Chenier Plain workshop will visit the state's alligator program at Rockefeller Wildlife Refuge and see baby alligators. By boat they'll see a variety of healthy marsh plants in the Refuge's intermediate and brackish marshes.

They will observe shorelines being protected by terraces created to break wave energy, and along the gulf shoreline, they

will see evidence of beach erosion and the process of waves forming a new chenier ridge.

By bus participants will travel Grand Chenier highway, flanked by majestic oaks and vast marshes, to the town of Pecan Island and the shoreline of White Lake. There we will talk about how to protect the lake's shoreline. The bus will cross over structures designed to divert fresh water from White Lake to improve the water quality of marshes to the south.

Along the way participants will learn about local history and culture, including a visit to a ceremonial Indian mound.

To register call the Coalition at 1-888-522-6278.

Hunter ed course set

A hunter safety education course will be taught at the Sweet Lake Methodist Church Tuesday - Thursday, Sept. 11-13 from 6 to 9:30 p.m. Sammy Faulk and Glenn Harris will be the instructors.

For more information call Harris at 598-2216.

Due to passage of a mandatory hunter education law in 1985, hunting licenses will not be issued to anyone born on or after Sept. 1, 1969 unless the applicant shows certificate of completion of an approved hunter education course.

This program stresses hunter tradition and ethics, wildlife management and conservation, firearms and ammunition, and firearm safety. The course consists of 10 hours of classroom instruction, a final exam, and participation in a field exercise.

Upon successful completion, student will be issued a permanent certification card and an embroidered shoulder patch from the Louisiana Department of Wildlife and Fisheries.

FORMER CAMERON AGENT Paul Coreil to head LSU Extension Serv.

The LSU AgCenter this week announced the appointment of Dr. Paul Coreil as vice chancellor and director of its Louisiana Cooperative Extension Service effective Sept. 1.

Coreil currently is assistant director for environmental programs in the LSU AgCenter.

"Dr. Coreil brings considerable experience, enthusiasm and energy as an educator to this position," said Dr. William B. "Bill" Richardson, LSU AgCenter chancellor. "He has spent most of his career with the extension service and has held a variety of jobs, including field agent and specialist. This gives him the broad-based perspective we need for this leadership role."

Coreil will replace Dr. Jack Bagent, who will retire effective Sept. 1. Bagent has led the extension branch of the LSU AgCenter since July 1, 1995.

"Dr. Coreil is a futuristic thinker and was a key player in a recent round of future forums we held around the state to gauge educational needs in Louisiana," Bagent said. "And he currently is playing a lead role in helping shape water policy for the state."

Coreil's new job also will include responsibilities in the LSU AgCenter's research branch.

"Dr. Coreil is recognized as a national leader in environmental programs, especially water resources," said Dr. William H. Brown, LSU AgCenter vice chancellor for research and director of the Louisiana Agricultural Experiment Station. "He will help bring about more coordination between our research and extension programs."

Coreil started with the LSU AgCenter's extension service as an assistant area agent for fisheries and wildlife in Cameron and Calcasieu parishes in 1978.

Dr. Paul Coreil

He was promoted through several positions, including a move to associate specialist for wetland and coastal resources in 1996. Then from 1998 to 1999, he was a wetlands conservation administrator with Burlington Resources. And he returned to the extension service in his current position in 1999.

He has served on various boards and committees, including the Lower Mississippi Valley Initiative, a multi-state water policy task force. He has written numerous publications. Two of the most popular include "Wetlands Functions and Values in Louisiana" and "Private Lands Technical Assistance Handbook," both available from parish LSU AgCenter extension offices.

A native of Ville Platte, Coreil received his bachelor's degree from the University of Southwestern Louisiana in 1976. Both his master's degree, which he received in 1984, and his doctoral degree, which he earned in 1995, were granted by LSU.

Police jury to begin redistricting process

The Cameron Parish Police Jury expects to begin the process of reapportionment when it holds its monthly meeting at 5 p.m., Monday, Sept. 6.

Voting districts, including police jurors, are required by state and federal law to be reapportioned every ten years in order to keep as nearly equal in voting size as possible.

Some changes in police jury voting district boundaries probably will have to be made to provide equal size districts.

The jurors also will consider appointments and acceptance of bids and possibly lift a hiring freeze.

At the jury's agenda meeting Monday, Eric LeBouef appeared to protest the condemnation of a building that had been damaged by fire on his property. Fifteen

property owners had been advised of possible condemnation.

LeBouef said the jury was selectively enforcing the ordinance and said the would seek legal advice as to his property rights.

Jurors also discussed two proposed taxes to be placed on the Jan. 20, 2002 ballot.

In Ambulance Dist. 2, it is proposed that a 12-mill tax be sought which would replace the present 9.5 mills.

In Fire Dist. 16, the present 4-mill tax would be replaced by an 8-mill tax.

Tarpons in the top 10

The Louisiana Sports Writers Association released their preseason poll Tuesday. The South Cameron Tarpons will start the 2001 season ranked 10th in class 1A.

Class 1A: 1. Haynesville. 2. Oak Grove. 3. Loreauville. 4. Sterlington. 5. Kentwood. 6. Montgomery. 7. Mangham. 8. Boothville-Venice. 9. Central Catholic-MC. 10. South Cameron.

Dance camp to be held

The South Cameron High School Sidekicks will hold an Elementary Dance Camp on Saturday, Sept 8 from 8:30 a.m. to 3 p.m. Girls from first through seventh grades may register at South Cameron on Thursday, Aug. 30 from 5 to 6:30 p.m.

THE CREOLE KC Council's softball team, pictured above, recently won first place in the Budweiser Invitational Tournament and a softball tournament at Iowa. They also placed fifth in the state KC tournament. Standing, from left, are Ricky Canik, Richard Richard, Chris McCall, John Bourgeois, Mark Miller, Kevin Rutherford, Todd Conner, and J. M. Boudreaux. Kneeling are Brandon Conner, Darren Richard, Jobe Johnson, Allan Thibodeaux, Cory Broussard, and Patrick Bertrand. Other team members were Steven Landry and Grand Knight Charles Glen Theriot.

CAMERON DEMOCRATIC EXECUTIVE COMMITTEE
Leesburg, La., August 22, 1876.
Editor Lake Charles Echo:

You will receive by this mail a copy of the proceedings of our Democratic Executive Committee for publication, and will see that the people of our little parish (Cameron) are fully alive to the necessity of harmonious activity.

Our delegates must also bear in mind that a mass meeting of our Democrats last spring, denounced in strong terms the Kellogg administration as an usurpation; and the acceptance of the "Wheeler Compromise," as an unwarrantable assumption of authority by our Representatives; also certain resolutions passed at the last previous meeting of our Democratic Executive Committee virtually condemning all those who have given that administration their moral and personal support, so that our delegates have abundance of light as to expressed desires of their constituents.

Courthouse in Leesburg, Pursuant to call from the Chairman, the Democratic Executive Committee of said parish met on this the 21st day of August, 1876. Present: 1st Ward--L. Bertrand, per R. B. Harrison, alternate. 2nd Ward--A. W. Gillespie, per C. B. Jones, alternate. 4th Ward--St. Germain Ellender, per I. G. Stansbury, alternate. 5th Ward--J. P. Eddleman, per S. D. Read, alternate. Absent: 3rd Ward--Ralph Rutherford.

The committee resolved to select delegates to meet delegates of St. Landry, Lafayette and Calcasieu parishes for the purpose of nomination a Democratic candidate for the office of State Senator from the 10th Senatorial District.

HARBOR COMMISSIONERS
Members of the East Cameron Harbor and Terminal District board of Commissioners were recently appointed by the Cameron Parish Police Jury.

They are: Arnold Jones, Ward 1, and D. Y. Doland, Jr., Ward 2, for 6-year terms; and Louis Canik, Ward 1, and Dallas Brasseaux, Ward 2, for four year terms. A fifth member named by the other four commissioners was Pete McCall.

The board met this past week and soon will begin looking into plans for opening the mouth of the Mermentau River for navigation.

The commissioners for the West Cameron Harbor and Terminal District may be named at the jury's meeting next week. Two board members each will be named for Wards 3, 4, 5 and 6, with the ninth to be named by the eight.

The two districts were created at the recent legislative session by a bill introduced by Rep. Conway LeBleu of Cameron.

JURORS VOTE RAISES

The Cameron Parish Police Jury voted to put into effect as of Aug. 1 the provisions of Legislative Act 417 giving jury members an increase in pay.

The bill raises the pay of jurors from \$30 to \$40 a day for the 76 days a year allowed by law for jurors to be paid for attending meetings and road inspections. This would increase the annual pay to jurors to \$3,040.

BRIDGE HEARING

The U. S. Coast Guard will call a hearing in the near future on a proposal offered by the Cameron Police Jury on the Gibbstown and Ellender pontoon bridges on the Intracoastal Canal.

A resolution offered by Ward 2 Juror, Lyle Crain, at the June meeting requested that the bridges not be closed to highway traffic for more than 20 minutes at a time because of canal traffic.

Crain pointed out that motorists sometimes had to wait up to an hour and a half while long strings of barges went through the canal. He urged that a plan be adopted to contact the tugboats by radio and slow barge traffic down once in a while so as to not hold motorists up too long.

MISS PEARL LEAVING

Mrs. Pearl Deville, secretary in the Cameron Parish agriculture extension service for nearly 14 years, is retiring at the end of August and she and her husband are moving to Westlake where they have purchased a home.

"Miss Pearl," as she is affectionately known around the courthouse, has worked for two county agents, several home demonstration agents and numerous assistant county agents.

A native of Norwood, La., Mrs. Deville came to Cameron in 1935 with her sisters who were teachers here for a number of years. The sisters are Mrs. Harvey Pichnic, now in Westlake, and Mrs. Walter Welsh, now in Norwood.

Mrs. Deville was also the Cameron representative of the Cameron Parish Pilot for more than ten years.

FIELD TRIALS

An estimated crowd of 100 attended the third field trials of the Cameron Retriever Club Sunday afternoon in Cameron. There were 33 dogs participating; 10 in the puppy class and 23 in the grown dog class.

Many notable dog owners from surrounding areas participated. In the puppy class, judges Ray Burleigh and Johnny Pair announced first place winner as Dan Dupont with 18 points; second place, Buddy Richard, 15; and third place, Jim Murdock, 14.

For the grown dogs the judges were Richard Hebert, and Don Verrett. Rod Johnson took first place with 19.5 points; Paul Creel, second, 19; and Johnny Pair, third, 17.

ENROLLMENT AT CAMERON

The end of summer vacation was signified Monday by the first day of school. William O. Morris, principal of Cameron Elementary School, reports a total enrollment of 373 pupils.

A new phase of teaching has been installed at the school this year. Kindergarten classes under direction of Mrs. Angelina West, are being held in the Cameron Recreation Center. Mrs. Barbara Doxey, assistant,

New financial firm is formed

The new firm will continue to specialize and assist retirees with a greater variety of financial products and services. The firm will concentrate on wealth enhancement and preservation. They will continue to operate their three locations in Lake Charles, Jennings, and Cameron. The Cameron office is located at 109 School Street.

Letter to the editor

Dear Cameron Parish Parents,
You are invited to attend a fun and exciting reading program that will begin this fall at the Cameron Parish Library. The program call Prime Time Family Reading Time is designed to help families help their children improve their reading skills and enjoy reading.

As you know, there are many things that families and friends can do to both encourage and help a child's interest and skill in reading. That is what the new program at the Cameron Parish Library, Prime Time Family Reading Time is all about. Prime Time is a special six-week program of storytelling, reading, and discussion for parents and children aged 6 to 10. Prime Time doesn't just help to improve reading skills, it also helps families learn to talk about books in ways that will help children learn in school. The programs are free and free transportation is available. Special story times will be offered at the same time for younger brothers and sisters, 3 to 5 years old.

Prime Time programs are presented by a discussion leader and a storyteller who use award-winning children's books to:

- * encourage parents and children to read and talk about books as a family activity;
- * show them how to identify and discuss the ideas and values in children's books;
- * help parents and children learn how to choose books and use library resources.

Families who want to participate must pre-register for the free classes and may do so by calling the library at 775-5421.

The Prime Time programs will be held every Thursday, for six weeks Sept. 6 through Oct. 11 at the Cameron Parish Library at 5 p.m.

Sincerely,
/s/Charlotte Troclair
Librarian

FALL APPROACHES

Although it's still 95 degree weather plus, believe it or not, the fall season is approaching and the month of September is here. We'll see dove, teal and rail season begin and Labor Day is Monday, Sept. 3.

We'll see baby softshell turtles feed in the shallow rivers, hunters will be practicing their bow hunting skills and the first cool fronts will move flounders, redfish, sheephead and black drum from the marshes to deep waters.

A full moon will begin September 3 and night fishing for crappie on Toledo Bend will be good. We should see tree ducks (like the Mexican Squealer) in our marshes and rice fields. Also it's time to start cutting lanes from our deer stands and plant feed grass for the coming season. (Winter wheat, rye grass and clover.)

White shrimp begin migration to the Gulf as water temperatures cool and it'll be peak spawning for redfish.

The last gopher tortoise eggs hatch and mussel season will close on September 26 and hunting season begins.

NEWS BRIEFS

The Louisiana Department of Wildlife and Fisheries reports that the 2000 year was the state's safest hunting season on record. Hunter's Education surely has helped. Let's have the 2001-02 hunting season be safer than 2000. There were only seven firearm related accidents reported with no fatalities, where compared to 1983 with 46 accidents and 18 deaths.

Ray Lemaire, mayor of Vinton landed the fifth tagged redfish of 50 tagged and released. The first 4 tagged redfish caught show anglers hadn't

entered the tournament, but Mr. Lemaire will receive a fully rigged 23 foot Champion Bay boat powered by a 150 h.p. Mercury outboard and a trailer at the CCA awards banquet, a package worth \$25,000.

Anglers hit the Big Burn last Saturday and Sunday as it was the last weekend for Miami Corporation permit fishing. Saturday was a hot day, but Sunday morning rain was falling, cloudy and overcast and anglers had a cool nice day to fish.

FISHING REPORTS

Among 62 sports, recreation and fitness activities, a survey shows in 2000 fishing ranked number 3 in popularity. Exercise walking and swimming was most popular. It also ranked fourth in terms of growth. Hunting with firearms ranked 17.

Speckle trout, redfish, flounder and black drum are still being caught in our marshes and rivers. Big Lake is still producing good specs and in the Prien Lake area around the I210 bridge, speckle trout fishing was hot last week. I counted 19 boats last Friday.

Speckle trout and redfish are being caught at the Grand Chenier Jetties, the T.A. Fawvor Rocks, at the Cameron Jetties and are starting to show up along our beaches.

Catfish are biting at Little Pecan Bayou. I've had best luck using fresh shrimp on a lead head while the water is moving. Every once in a while a chartruse color top dog can get exciting.

DATES TO REMEMBER

Sept. 1-9 - Dove season, daily limit is 15.

Sept. 1 - Feb. 2002 - Nutria season statewide, no limit.

Sept. 15-30 - Teal season

Tarpons travel to DeQuincy Friday

By CHRIS MUELLER

The South Cameron Tarpons will open their 2001 season traveling to take on the class 2 A DeQuincy Tigers Friday. Both teams won their respective districts last year and saw playoff action.

The Tarpons return 15 starters and 12 seniors from last year's squad and that should bode well against a young inexperienced Tiger squad that will return only 6 starters from last year's district champion team. Another factor in the game is the fact that the Tigers new coach George Young is in his first year as a head coach.

The Tarpons Parry LaLande starts his 19th year as the headman for the Tarpons. LaLande and the Tarpons will again start this year with a pro style multiple set offense instead of the wing T that they have used in the past.

South Cameron is picked to

statewide, daily limit 4. Sept. 15-30 - Rail and gallinule season, statewide, daily limit 15 King and Clapper, 25 Virginia rails and 15 gallinules.

Sept. 15-Jan. 15 - Archery season Area 3. Sept. 15 - Cameron Parish DU Banquet, Creole Fire Station, 6 p.m. Auctions, raffles and drawings.

Remember when you are hunting or fishing and alligator season is open and stakes with line and hooks are there, so be extra careful. Also remember Rockefeller Refuge doesn't open until 10 a.m. each morning for alligator season or until further notice.

Dove season opens September 1, shooting hours for the opening weekend is 12 noon, the rest of the first split opens at one half hour before official sunrise. to official sunset (except Sept. 1-2, Oct. 13-14, Dec. 22-23, and that's noon on these dates.)

SUNRISE - SUNSET

Sept. 1 - 6:49 a.m. and 7:36 p.m.

Sept. 2 - 6:50 a.m. and 7:34 p.m.

Sept. 3 - 6:50 a.m. and 7:33 p.m.

Sept. 4 - 6:51 a.m. and 7:32 p.m.

Sept. 5 - 6:51 a.m. and 7:31 p.m.

Sept. 6 - 6:52 a.m. and 7:30 p.m.

Days are getting shorter!

win first place in district 5-1 A in a preseason coaches poll. The Tarpons have two very good quarterbacks in Trey Lute and Brett Baccigalopi and both should see action against DeQuincy. The Tarpons will mostly run a 1 back set out of the backfield with 1000 yard rusher Donald January and Marcus Boudreaux sharing time at the tailback spot.

The defense, which returns six starters, will be led by strong safety Nick Savoie and tackle Wayne Nunez. District 5-1 A has added 2 new teams bringing the total to 7 teams. St. Edmund's and Mamou should be the teams to challenge the Tarpons for the district title.

The Tigers won last year's contest 26-14, while racking up 391 total yards on offense. Don't look for the Tigers to get those kind of totals this year as it could end up being a defensive battle. The Tarpons look to continue their playoff tradition as the road begins in DeQuincy this Friday night.

Tarpons lose to Vinton in Jamb.

By CHRIS MUELLER

The South Cameron Tarpons faced the class 2 A Vinton Lions Thursday night in the Iowa Jamboree and came up short, losing to the Lions 7-0.

The Tarpons started out slowly failing to get a first down in the first half. South Cameron put together two good drives in the second half but were unable to get on the score board.

Quarterback Brett Baccigalopi came out and completed three straight passes, but Vinton's Joe Budwine stopped the drive when he picked off a Baccigalopi pass. On the Tarpons next possession Baccigalopi again completed his first three passes moving the

Tarpons all the way to the Vinton 13-yard line.

Vinton's defense stiffened holding South Cameron out of the end zone, the key play being a six-yard sack by Lions' David Coleman. Vinton's lone score came on a 14-play 65-yard drive. Derek Cormier completed 3-4 passes for 32 yards and Cory English rushed five times for 16 yards including a two-yard run for a touchdown.

The Tarpons will open their 2001 season on the road this week as they travel to class 2 A DeQuincy to take on the Tigers

CAPITAL NEWS

Natural resource production in Cameron Parish reached its highest level so far this year in May, according to that month's severance tax report from the state Department of Revenue.

Receipts for work within the parish boundaries totaled \$1.68 million in the May report to rank the parish fourth overall for the month. That is more than enough to recover from the April dip to \$1.4 million and top the \$1.6 million listed in March. The current figure also exceeds the May 2000 listing by more than \$100,000.

Oil production accounted for \$1 million of the May collections to rank the parish sixth in that grouping. The \$639,239 attributed to natural gas production was the third highest total in that category for the month. The remaining \$97 was listed for sand production.

The parish collecting the tax on production of natural resources, except lignite and tim-

ber, annually receives 20 percent of the total up to \$750,000. Seventy-five percent of all revenue collected on timber products goes back to the parish.

Statewide, severance taxes collected for natural resource production were at their lowest level for the year so far, falling another \$1 million lower than the April total of \$32.5 million. Receipts topped the \$40 million mark in January and March. The May 2000 report showed just over \$34 million in severance taxes collected for work in the 64 parishes.

In its typical spot at the top of overall severance tax collections, Plaquemines showed \$5.2 million in May receipts. Terrebonne's \$4.6 million pulled it up from third place as Vermilion slipped from second with \$2.1 million. Cameron recorded \$1.68 million to rise from seventh the previous month, and Iberia inched up from sixth with \$1.67 million.

Jr. leaders meeting set

The Cameron Parish 4-H Junior Leaders' Club will hold their first meeting of the year Wednesday, Sept. 12 at 6 p.m. at the Cameron Parish Police Jury Annex. The Cameron Parish Library will host a Prime Time Literacy program beginning Thursday, Sept. 6 at 5 p.m. and will continue for 6 weeks. Members of the Jr. Leaders' club are needed to volunteer their time for this community service project.

NEW OFFICERS
The 2001-2002 Grand Lake FFA Officers are president, Justin LaBove; vice president, Jeremiah Redditt; secretary, Lindsey Pool; Treasurer, Matthew Guintard; reporter, Kelly Cline; sentinel, Michael Watson; parliamentarian, Cassandra Faulk and student advisor, Trinity Cline.

STATE FFA CONVENTION
FFA members, Kelly Cline, Jeremiah Redditt, Trinity Cline, Lindsey Pool, Jared Charamie, Matthew Guintard, and Ashley Lawson attended the annual Louisiana State FFA Convention in Alexandria June 5-8. Morami Redditt a recent Grand Lake graduate was one of the retiring officers.

LEADERSHIP CAMP
Attending the Leadership camp in Bunkie, July 16-19 were Jeremiah Redditt, Kelly Cline, Justin LaBove, Matthew Guintard, Michael Watson, Trinity Cline, and Lindsey Pool. Two of Grand Lake members, Kelly Cline and Jeremiah Redditt, were elected as area officers. Kelly Cline was elected Area Secretary and Jeremiah was elected /Area Sentinel.

LEADERSHIP CONFERENCE

During the week of July 24-29 Justin LaBove, president, and Kelly Cline, reporter, attended Washington Leadership Conference in Washington, D.C. While attending this conference, we toured the nations capitol. We were able to actually go inside the capitol building, Library of Congress, and Supreme Court. One of the most exciting events was watching the changing of the guard at Arlington Cemetery, where an official FFA wreath was placed at the Tomb of the unknown Soldier. The last tour we went on was the tour of Mount Vernon.

OFFICERS HOLD RETREAT
On August 17-18 the Grand Lake's FFA officers held a retreat to plan activities for the upcoming year. While we were there we went crabbing and experienced adventures looking for alligators.
