Cameron is No. 2 port in nation

The port of Cameron ranked number two in the nation in 2000 in the quantity of commercial fisheries landed, according to Kevin A. Savoie, area fisheries agent with the LSU Extension

Cameron landed 414.4 million pounds of fish in 2000 to rank it a very second second behind Dutch Harbor-Unalaska, Alaska with 414.5 million

The Alaskan port has ranked No. 1 in the nation for 12 years, but previous to that Cameron had claimed the top honors for a number of years.

Two other Louisiana ports also ranked in the top ten ports in the nation. Empire-Venice (Photo by Diane Borden-Billiot.) had 396.2 million pounds and Intracoastal City had 321.7 million pounds.

All three Louisiana ports ranked high because of their menhaden (pogy) catches, although shrimping also figured in the totals.

In commercial fishery value at Louisiana ports, Cameron came in third with \$47.6 million. Dulac-Chauvin was first in the state with \$68.1 million; and Empire-Venice was second with \$61.6 million.

New Bedford, Mass. claimed the title of greatest value port in the nation with a total of \$146.6

Ambulance tax to be explained

Three meetings have been scheduled in November and December around the parish to discuss the upcoming tax proposal in Ambulance District 2.

The district's board has called an election for Jan. 19, 2002 on a 14-mill tax to provide funds to operate ambulances in

The board has stated that the present 9-mill tax doesn't fully fund operation of the district. If the new millage is approved, the old millage would be discontinued. This would mean a net increase of 5 mills.

The three public meetings to discuss the proposed tax are as follows:

Nov. Hackberry Community Center, 6:30 p.m.

Dec. 6 - Grand Lake, Community Center, 6:30 p.m.

Dec. 13 - Johnson Bayou/Holly Beach, Fire Department, Johnson Bayou, 6:30 p.m.

School tax propositions explained

Two public meetings will be held at the Grand Lake High School gym shortly to explain two tax propositions to be voted on Nov. 17, according to School Board Member Pat Howerton.

Both meetings will be held at 6 p.m. with the first on Thursday, Nov. 1 and the second one on Monday, Nov. 12.

Howerton said one of the propositions will be on a \$4.5 million bond issue and the other will be on a \$100 parcel tax.

The proceeds from these taxes would provide for the construction of two new wings on the Grand Lake high school, which has become overcrowded. The old portion of the school would be remodeled and improvements made to the cafe-

The parcel tax, if passed, would permit a lower millage to retire the bonds, Howerton said. He said that should be parcel fee fail but the bond issue pass the bond issue would still go into effect. However, if the parcel fee passes and the bond issue fails, neither would be collected.

S. B. member is recalled

The Cameron Parish School Board will hold a special meeting at 9 a.m., Monday, Oct. 29 to officially declare the results of the recall election held Saturday, Oct. 27 and to name a new board member to replace Bill Morris, who was recalled as District 4 board member.

The board will also call a special election for April 6 to name someone to complete Morris' term which ends Dec. 31, 2002.

Voters in District 4, which takes in the eastern part of the parish, voted 243-174 or with 58 percent in favor of removing Morris from office. His removal will become official after the board promulgates the results of the election Monday.

The vote by precinct was as

Precinct 1, Grand Chenier--119 for recall, 39 against. Precinct 2, Cow Island--66

for recall, 13 against.

Precinct 3, East Creole, Muria--23 for recall, 99 against. Precinct 4, Klondike--4 for recall, 7 against.

Precinct 5, Lowery--15 for recall, 4 against.

The recall election was held because of dissatisfaction among District 4 voters on the closing of the Grand Chenier elementary school at the end of the 2000-01 session.

The school board had voted 4-2 to close the school because of declining enrollment. school enrollment was 63 stu-

150 persons make hayride to old Sabine Lighthouse

By GENEVA GRIFFITH

The third annual Sabine Pass Lighthouse Hayride was held Saturday at the site of the old lighthouse near Johnson Bayou.

The weather was beautiful, and the Lighthouse Alliance committee entertained over 150 people who came out for the hayride.

Plans are underway for the restoration of the historic structure, with the help of McNeese State college engineering department and architect Randy Broussard and his daughter Lauren of Lake Charles.

The cars were left at the Chevron Plant road, and the hayride trucks transported the participants down the four mile road to Lighthouse Bayou on the western side of the lighthouse and crossed a temporary bridge to the lighthouse. Visitors were allowed to look

inside, but were prohibited from going up because of the bad condition of the stairway.

Plans are to restore the

entire complex with the addition of a giftshop and museum on the site.

Guests were served ham-

old fashioned tea cakes under the trees on the site. Thibodeaux, Carolyn President of the Alliance, gave

burgers, hotdogs, iced tea, and

Dear Friends,

The ordeal is over. The voters of district four have spoken and I have been recalled from office. By next week an interim school board member will have been chosen and in place. And, life goes on.

I want to take this opportunity to thank the people who voted for me. I greatly appreciate your support for my continued service on the School Board.

I leave after nearly 11 years on the Board knowing that I have done the best anyone could do to help improve the educational system in Cameron Parish and the welfare of the students in our schools. I feel so strongly that the students from the Grand Chenier community are so much better off in an improved educational program, having the possibility of greater social growth brought about from associating with more fellow students, availability of the technology program that was all but non-existent in Grand Chenier, and the fact that their test scores will again be counted in the Louisiana State high stakes testing program.

In short, my interest and dedication has been for the betterment of the total scholas- \Box tic program and expanding the educational benefits of all the children. This apparently is something that the Recall Promoters had no conscious knowledge of or just didn't care about in their drive to make their voices heard above the real problems that existed at the Grand Chenier school.

Thank you all for your support over the past 11 years. My life will continue and my interests and activities will never be far from those of the young people in our parish.

Tarpons remain undefeated

By CHRIS MUELLER

Donnie January rumbled for 211 yards and scored 2 touchdowns to lead South Cameron to a 30-6 win over St Edmunds of Eunice. The Tarpons (8-0, 5-0) gained sole possession of first place in district 5-1A. The Tarpons remain undefeated on the season with 2 games to play. The Bluejays came in to the

game with a 4-0 district record but never gave the Tarpons much of a contest.

South Cameron's first two drives resulted in Robbie Montie fieldgoals of 26 and 43 yards. January scored on runs of 31 yards and 6 yards to give the Tarpons a 20-0 lead at the break. The Tarpons reached into their bag of tricks for their next score as Trey Lute hit wideout Jeffery Deshields on a 30 yard pass play. Montie added a 36 yard field goal, his third of the night to finish the scoring for the Tarpons.

St Ed's got their only score of the night on a 10 yard pass from Tyler Chachere to Rusty Christ.

The Tarpons defense came up big again as they allowed just the one score and held the Blue Jays to 44 yards rushing. South Cameron quarterback Brett Baccigalopi was 9 of 17 for 53 yards and Trey Lute was 1 of 1 for 30 yards. Jeffery Deshields caught 2 passe M a r c u s Boudreaux caught 3 for 23 yards and Neil Higgins had 4 catches for 11 yards.

J. P. Boudoin Sr. Council 3014 of Creole will be the host for the October meeting of Msgr. Cramers Assembly, Fourth Degree Knights of Columbus.

The meeting will be held Thursday, Oct. 25, at 7:30 p.m. in the council hall.

Among items on the agenda will be drafting of plans for the assembly to participate in the fund-drive by the Knights of Columbus to assist the families of those policemen and firemen who died during the attack on the World Trade Center in New York on September 11.

The Creole Council will serve a seafood dinner to the Fourth Degree Knights and their guests.

I wish to extend my best wishes to the students, faculty and graduates of South Cameron High School on the occasion of the annual Homecoming Friday.

South Cameron High School is truly a credit to Cameron Parish. The school has one of the finest school plants to be found anywhere. It also has a fine faculty and outstanding programs. All of the returning alumni of

South Cameron as well as graduates of the school's predecessors, Creole and Grand Chenier High Schools, remind us of the fine citizens who have graduated at South Cameron over the years. We know that they continue to be proud of their old Alma Mater.

On one last note, I hope that all of the students and graduates enjoy the homecoming festivities and the ballgame. I sincerely urge all of you to be careful when driving home to enable the parish to continue its safety record and make the Homecoming have a happy ending. Your Friend,

> James R. Savoie Sheriff, Cameron Parish

Tarps host Merryville; district title is near

By CHRIS MUELLER

With just two games remaining in the season the Tarpons have the inside track to repeat as district champions. The Tarpons (8-0, 5-0) will be at home Friday to face the (5-3,3-2) Merryville Panthers. The Tarpons hold a 1 game lead over St Ed's and Basile. The Tarpons final game of the year is against Oberlin who has won only 1 game thus far.

South Cameron, fresh off a huge 30-6 victory over St Ed's, will enter the game as the sixth ranked team in class 1A. The Tarpons power rating is 14.63 good enough for 8th place in the state. The top 30 teams make the

If the playoffs were to take

place this week the Tarpons would play number 24 Block, but that's likely to change with two weeks remaining in the season.

Enough of the playoff talk The Tarpons need to dispatch a tough Merryville team first. Merryville has a tough back of their own in Obie Williams who has rushed for 628 yards and has scored 7 touchdowns on the year.

The Tarpons will come with the same thing they have done all year, a steady diet of Donnie January who went over the 100 yard mark last week. January has 1086 yards on the year. The Tarpons can do no worse than a tie for the district championship with a win Friday night against Merryville. Game time is 7:00 at Tarpon stadium.

LETTER TO THE EDITOR

Views on ambulances

There has been much gossip and speculation lately about the Ambulance Service. I just thought I would write to you to say that the Ambulance Service is a public entity;. The public is entitled to any and all information they wish to know at any time. The minutes of all meetings are published in the Cameron Pilot.

The Ambulance Service is run by a board of directors, these members are: President Phyllis Pinch, Vice President -Sethie Trosclair, Secretary -Tony Mooney, and Loston McEvers. These people work very hard to make this district work. They are diligent in their task to keep employees happy, the work place maintained, the equipment in good working order and up to date as well as keeping the public abreast of all changes.

The meetings each month are open to the public; the notices are posted twenty-four hours in advance and are usually the third Wednesday of each month. If anyone has a problem and would like to address the board please feel free to call the office (542-4926) and make

I would just like to take this opportunity to tell the people of Lower Cameron Parish that they have an exceptional crew working for Lower Cameron Parish Ambulance Service District 1. The basic EMTS and Paramedics employed here take their job very seriously. I think anyone who has ever been served by them would be quick to say that they were treated very well and with the utmost of professionalism and respect.

Please take time to listen to the things you are hearing and weigh them against the truth. If the scale is unbalanced please look more closely, ask more questions and be sure that you are looking at the true picture. The meetings as well as the information is public knowledge, make sure that you are speaking the truth. If you have something good to say please share it with your friends as well as any ambulance personnel you encounter. I thank you for your time and hope this will help many of you realize that we respect all of you and our goal is to serve this Parish.

NOTICE OF PUBLIC HEARING A Public Hearing will be held at the Lake Charles Civic Center (Contraband Room), 900 Lakeshore Drive, Lake Charles, LA on Wednesday, October 31,

2001, at 10:00 a.m. This Public Hearing will be held in accordance with Act 334 of the 1974 regular session of the Louisiana Legislature and conducted by the Joint Legislative Committee Transportation, Highways, and Public

The purpose of this Public Hearing is to review highway construction priorities for the fiscal year 2002-03 for the narishes of Allen, Beauregard, Calcasieu, Cameron, and Jefferson Davis, which comprise Highway District 07. This review is based upon the project priorities established by the highway needs analysis. The Highway Needs and Priority Study was done in order to determine the estimated cost of improving state maintained roads in Louisiana which do not meet a specified minimum tolerable condition for a particular functional class. Act 334 provides for a firm priority listing of the first ensuing year and tentative priorities for each of the next five subsequent years. This provides advice on the status of highway projects contemplated or

under preparation.
A copy of the Preliminary Program for Fiscal Year 2002-03 is available for review by interested persons at the Department of Transportation and District Development Administrator's office, 5827 Highway 90 East, Lake Charles, LA, 70601, and also at the Louisiana Department of Transportation and Development Headquarters Building, 1202 Capital Access Road, Room 236, Baton Rouge, LA, 70802.

All interested persons are invited to be present at the above time and place for the purpose of becoming fully acquainted with the proposed program and will be afforded an opportunity to express their views. Oral Testimony will be received.

However, in order that all persons desiring to make a statement have an equal opportunity to do so, it is requested that every effort be made to complete individual testimony in as short a period of time as possible. Oral testimony may be supplemented by presenting important facts and documentation in writing. Your cooperation and assistance will be appreciated. Written statements and comments

should be handed to the committee conducting the hearing, or mailed to the following address, postmarked within 10 calendar days following the Hearing: JOINT LEGISLATIVE COMMIT-TEE ON TRANSPORTATION, HIGH-WAY, AND PUBLIC WORKS, C/O LA DOTD (SECTION 28) P. Nutria in every pot

THE TASTE FOR 2002

Cajuns love to eat, and to cook. Now they have some new recipes to add to their Sunday dinner and better yet at the campfire or duck camp table.

Nutria is legal to hunt now and the government tells us to eat nutria. It taste like chicken or pork, or it's good for the state as they eat vegetables and that prevents erosion and land lost.

Dishes that have become popular at area camps are Deep Fried Nutria (just like chicken), Nutria Gumbo (just like chicken), Nutria Sauce Picante (just like rabbit) and Nutria Chili (just like pork). Now you have a variety of different taste with only one meat to use, so you can cook it each time you're at the camp, just put it in your mind what taste you want. Oh, use only 2 to 3 pound size Nutria, they're more

NEWS BRIEF

Surveys show the top fished species of fish in Louisiana that most anglers fish for in order are: Largemouth Bass, Crappie (White Perch, Sac-A-Lait), Catfish, Sunfish (Bream) and any Sac-A-Lait), fish you can catch.

During the 2000-2001 season migratory bird hunters purchased 1.7 million duck stamps, contributing newly \$25 million for wetland and waterfowl habitat conservation.

According to the U.S. Fish & Service, mallards accounted for 35 percent of the total 2000-2001 season waterfowl

Henderson Lake has experienced a large fish kill, due to low levels of oxygen caused by heavy rains. There was many species of fish killed, but the top 3 species were shad, buffalo and striped mullet, but catfish, crappie and largemouth bass had their share killed. FISHING REPORTS

Big Lake fishing is up and down, especially for speckle pushed them south. However in the south part of the lake, good flounder and redfish are being caught all the way to the Grand Chenier area jetties and Hog Island Bayou area.

My son Rudy and his family all limited out this past weekend on redfish. They ran from 18 to 22 inches, just the right eating size.

Waterfowl hunting to open soon at Sabine

Refuge Manager Chris Pease has announced that the waterfowl hunt areas at Sabine are being overtaken by canes. National Wildlife Refuge will be open for pre-season scouting this Saturday and Sunday, Oct. 27 and 28, from sunrise until sunset each day. Hunters may walkin or launch a boat to scout for hunting potential trout, as all the rain water has Weapons must be left at home until the season opens and fishing equipment is not allowed in any area closed to fishing. Pease reminds youth hunters

Cameron jetties, as well as the that the refuge will be open for the Youth Waterfowl Hunt on Nov. 3 and 4. The following weekend the refuge will open for regular waterfowl hunting. Waterfowl Hunting is permitted only on Saturday, Sunday and Wednesday mornings from Nov. 10 through Dec. 2 and Dec. 15 through Jan. 20.

Vastar Road will be open throughout the waterfowl season for hunters to access the 10,000 acre hunting area opened last year. The entrance to Vastar Road is the wooden bridge across the highway from the West Cove Recreation Area and adjacent to the parking area for the marsh trail (recently renamed Wetland Walkway). Hunters can park in pull-off areas along the road and walk in or hand launch small boats. However, vehicles must be completely parked off the road to avoid traffic violations. No vehicles with boat trailers will be allowed on Vastar Road. This unit is also accessible by launching at the West Cove Recreational Area boat launch-

Boat launching access has been more than doubled since last year. The boat launch on the south side of West Cove has been rebuilt and can now accommodate launching two boats at a time, and a second launch is now available on the north side. Additionally, there is a 2-slot salt water launch on the north side for those hunters who choose to hunt east of Highway Every hunter must be in pos

session of a signed and dated free hunt permit while hunting Permits may be picked up at the West Cove Boat Launch area and at the Sabine NWR Visitor Center on Highway 27. Each hunting party will be required to fill out a Waterfowl Harvest Data Form after each hunt and drop it in one of the designated drop boxes. Every party, whether successful nor not, needs to fill in the Data Form.

Youths under age 16, participating in the hunt, must have proof of successful completion of a Hunter Safety Course. All youths attending the hunt must be under the supervision of an adult age 21 or over. Each adult may supervise no more than two

IN MEMORY OF L. J. Hebert 10-09-1936 to 10-26-1995

God saw you were getting tired and a cure was not to be. God put his arm around you and whispered come with me. With crying eyes we watched you suffer. Although we loved you very much, we could not make you stay. A golden heart stopped beating. A wonderful husband, father and grandfather was laid to rest. God broke our hearts to prove to us. He only takes the best.
