## *Principal's Message*

To the Hornet Staff:

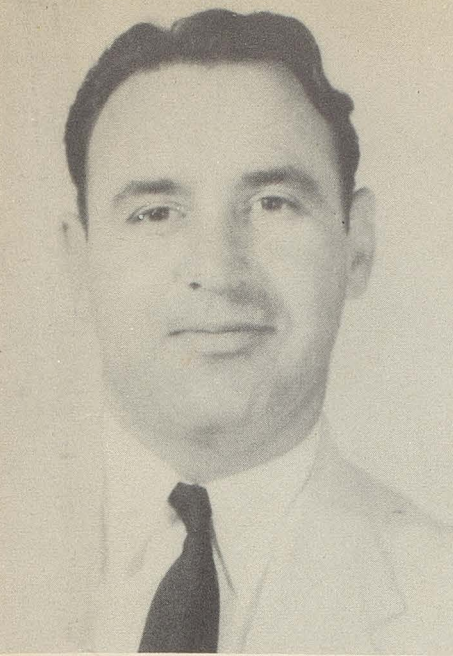

Congratulations, for a successful portrayal in pictures and prose, of those things, places, people and activities which in composite represent our school.

Your compensation will be the pleasures that will be experienced by you and your fellow students when, in turning the pages of this book, pleasant memories are revived.

To the Faculty Advisor:

Thanks, Miss Granger, for your enthusiasm, and perseverance, and leadership which refused to accept defeat in the face of great difficulties.
