## FOREWORD

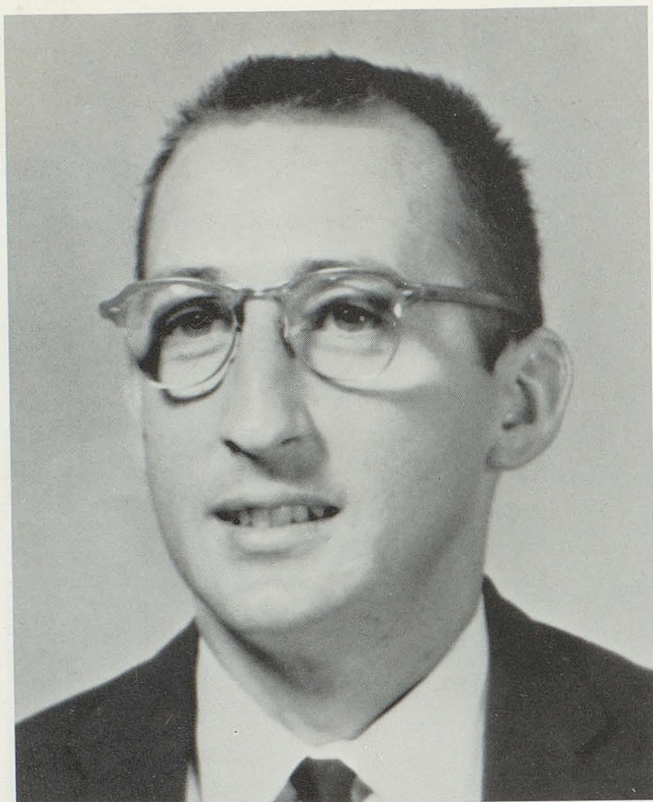

The publication of this yearbook has been a challenge to all of us. Now that we present this edition of the "Hornet," we are proud of what this work has meant to us.

It has required the co-operation of our sponsor, students, staff, and those who have contributed their support through advertisements. We wish to thank you who have helped us.

The challenges of higher learning, adventure, and new worlds to conquer lie immediately before the members of the Senior Class. May we meet these challenges with courage, faith and steadfastness of purpose.

Editor  
Eugene Theriot

## **DEDICATION**

To Mr. Weldon Vincent for the time he has so unselfishly given to our boys;

Because every student of Grand Lake High, whether he be a participant in sports or not, appreciates deeply the service which he has rendered the school;

Because we want to show the gratitude of Grand Lake High to one who has acted with friendship and tolerance towards all.

We, the Hornet Staff of 1963, dedicate our yearbook to you,

Mr. Weldon Vincent

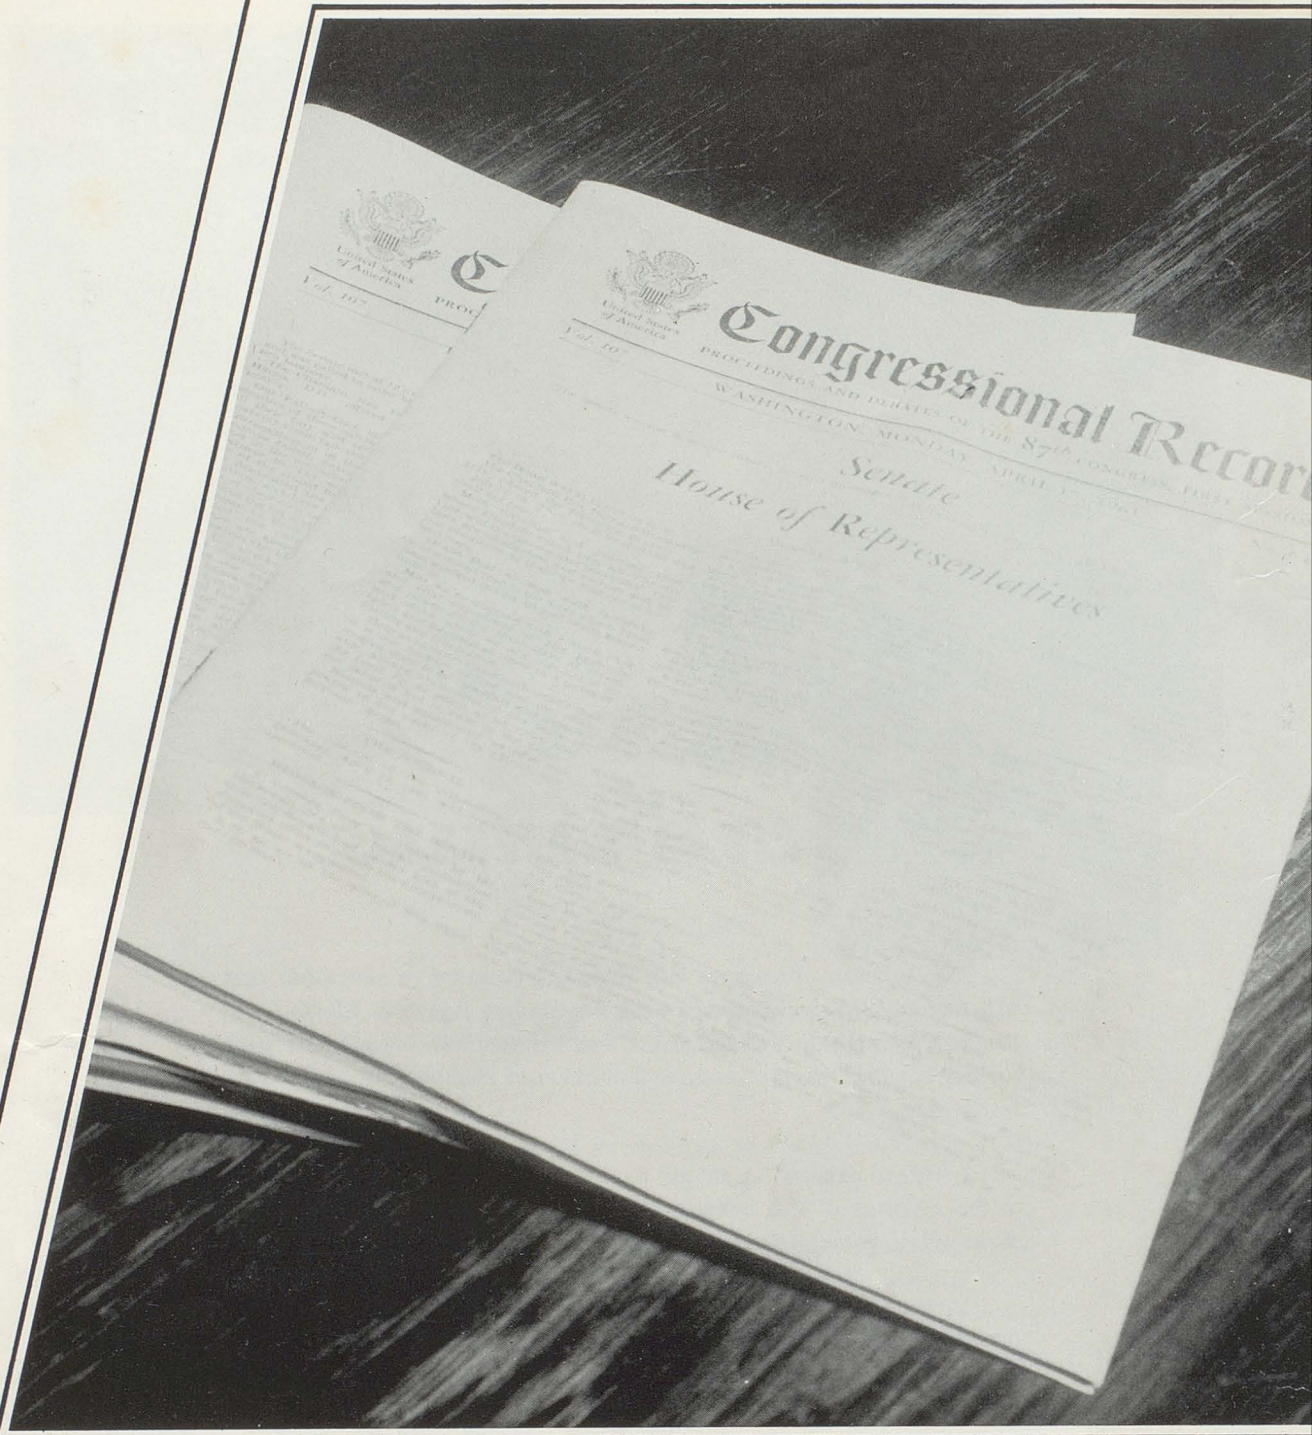

## **PRINCIPAL'S MESSAGE**

The function of a school is to provide a program of education that will develop in each individual the knowledge, interests, ideals, habits, and powers that will help him find his place in the everchanging society in which we live and use that place to improve himself and his fellowman.

I wish to express my thanks to the entire staff, student body, and to the citizens of the community who have worked so diligently to make this a successful school year.

To the 1963 graduating class goes our sincere wishes for a successful and gratifying future. May you put your trust in God and strive to be trustworthy men and women.

Alvin Hoffpauir
