The Lady Mustangs make it two out of three. The ladies won their last 18 games and finished with the Class C State Title. It was the third year in a row to make it to the Sweet 16; we finished with a 31-6 overall record.

Congratulations to: Leah Billedeaux, MVP of the Sweet 16, Class C and First Team All-State; and Tobie Devall second team All-State.

The leadership of Sirena Duhon and the attitudes of all the girls were important to the success of this team.

Thanks to Sirena, my only senior. Thanks for your heart, time, dedication, and defense. You graduate with three trips to the Sweet 16, two State Titles and never lost a parish tournament. You will be missed.

To the State Champions, Lady Mustangs; Thanks for the effort and the dream. Your attitudes and dedication make me a better coach.

Coach Michalko

**I play the game.
I play it smart.

I use my head and move my feet.

Josie Brown

Sr. 2

Dear Josie,

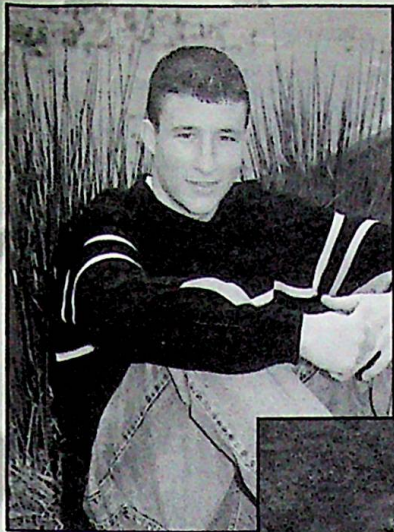

Look's like you're closing one chapter in your life and embarking on a journey towards a new one. What a ride you have taken us on so far. Where do we start? From the beautiful baby girl we carried home from the hospital, to the beautiful young lady that you have turned out to be. Either way, you've changed our lives forever. Time has flown by and we want you to know that you've brought nothing but joy into our lives. Finding all the words to express what we feel at this time is very difficult. There is joy, pride and excitement on one hand, because of who you've become and all that you've accomplished. You have a pure heart, bubbly demeanor and love for your Lord Jesus and we appreciate that. Now comes the hard part, letting you go. It's so hard to do even though we know it's necessary and that it's a natural part of life. But when we let you go don't think for one single moment that we don't love you; we love you much more than you'll ever know. Keep your family ties, your values and your love for Jesus and all will go well for you.

Love You Always,
Mom, Dad, Jesse, and Jarin

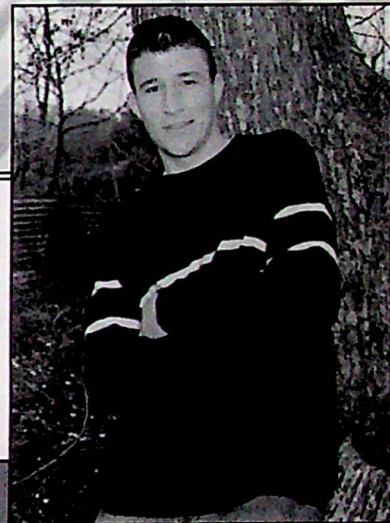

Congratulations Blake

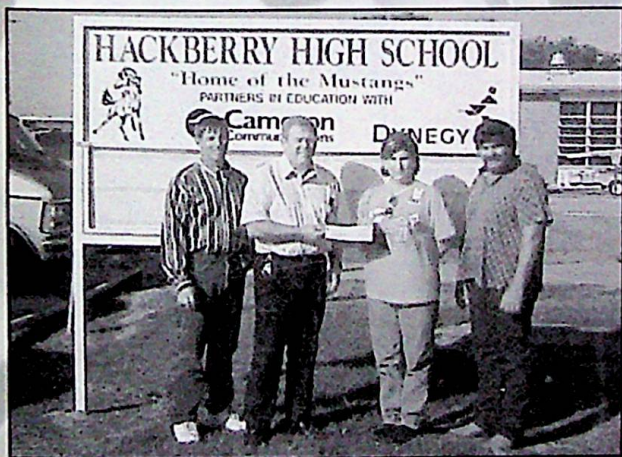

You are third in line and will always be our ham. You had to work hard to overcome obstacles to get this far. You had a few close calls and there were times we didn't think you would make it, but we always said that you had nine lives. We believed in you and we are very proud of you.

*We Love You, Blake-O!
Granny, PawPaw,
Aunt Cindy, Uncle Kent,
Aunt Sharon, Uncle Dwayne,

Jay, Allison, Lesley,

Thank You!

*For your support
and generosity.*

*Our youngest boy is
all grown up. We are
proud of you. We
knew you could do it,
when you put your
mind to it.*

*Love,
Mom, Dad,

SENIOR 2002

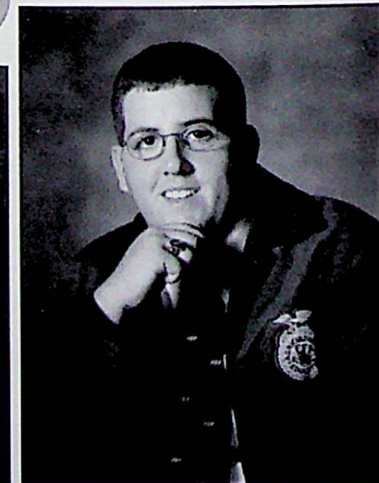

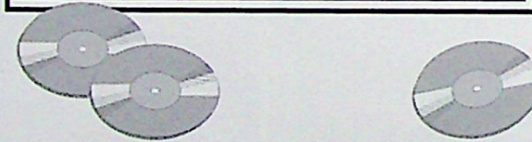

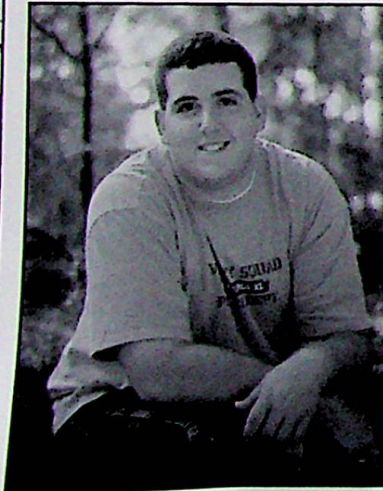

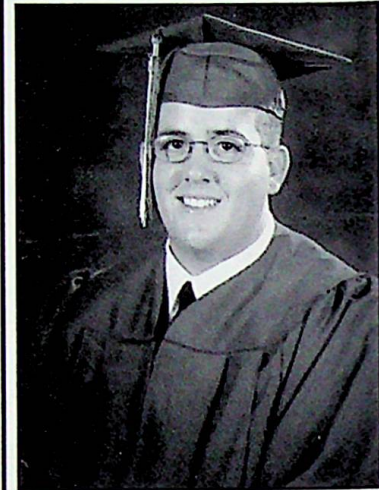

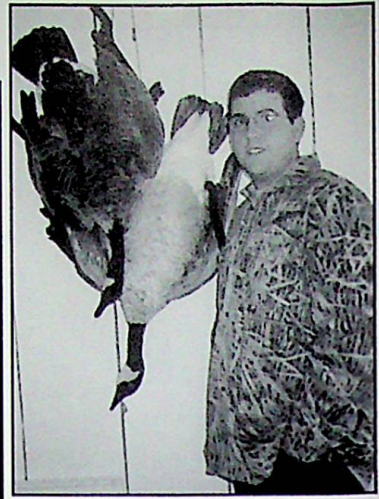

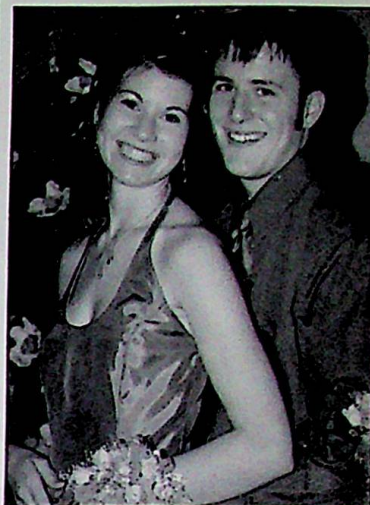

Micah,

We hope you know how much we have always loved you and how proud we are of you and your accomplishments and achievements. But more than anything we are proud of the young man you have become. Although it will be hard getting used to the quiet after all the busy times you have given us through school, we're sure that the times ahead will be just as fulfilling. We know that you'll meet you're next challenge with the same energy, will and imagination. No matter where you go in life or what you do; hold on to your dreams and follow your heart. Believe in being you!

When you travel towards tomorrow, choose your own direction. Your wisdom and your wonderful qualities will always help to guide you. Our wish for you is a long, healthy life of love and happiness. As you move forward, always know that we're behind you in whatever you do and dream!

*All our love,
Mom, Dad,
Lancey, & Trisha*

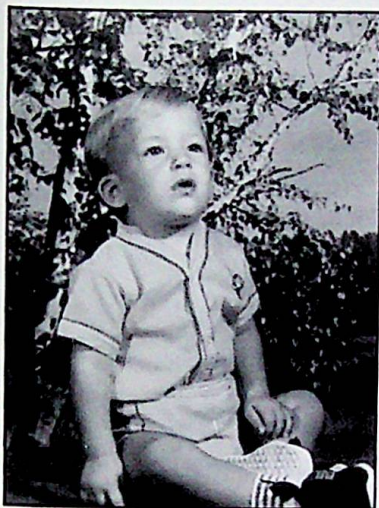

Keith,

Here you are at another phase in your life. You have come so far and achieved so much. I can't begin to tell you how proud I am of you.

Your interest in music has been wonderful. Please always keep it a part of your life.

As you take your next step through your journey in life; just know that we are behind you 100%. Always put God first in your life and you'll never fail. Always look ahead to the future and keep progressing forward.

*A baby, I held in my arms
So many hopes and dreams I had for you
Things, as a young girl that I could not do
The best I prayed for you
Crowns and fancy dresses
A star on the court*

*You've taken my dreams and made them your own
Trials and tribulations, we've had a few
But our faith in Christ brought us through
A young woman of strong will and determination
Kind heart and compassion for others
Your court, not that of a queen
But one on which you are part of a team
I sit in the stands, holler and yell
Many times you've turned a deaf ear, I can tell
But that is what moms are supposed to do*

*To shed a tear at the sight of you
walking out the door to your prom
To sit on the sidelines and cheer you on
Your Dad and I are so proud of you
From choices we have both learned
Growing up is never easy
But one thing will always be true
We will always love you*

*Another turning point,
a fork stuck in the road.
Time grabs you by the wrist,
directs you where to go.
So make the best of the test
and don't ask why.
It's not a question
but a lesson learned in time.*

Congratulations!

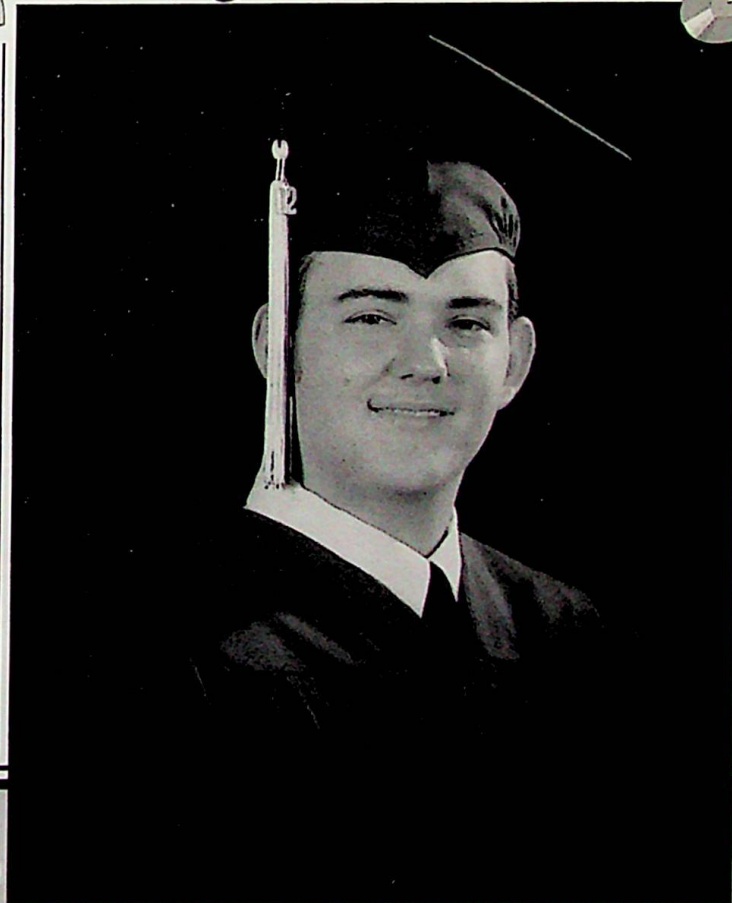

*It's something unpredictable.
But in the end is right.
I hope you had the time of your life.*

*So take the photographs and
still frames in your mind.
Hang it on a shelf in
good health and good time.
Tattoos of memories
and dead skin on trial.
For what it's worth,
it was worth all the while.*

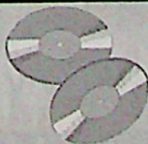

*It's something unpredictable.
But in the end is right.
I hope you had the time of your life.*

We love you, Mom & Dad
