PRINCIPAL G. J. CARTER

*A Message . . .*

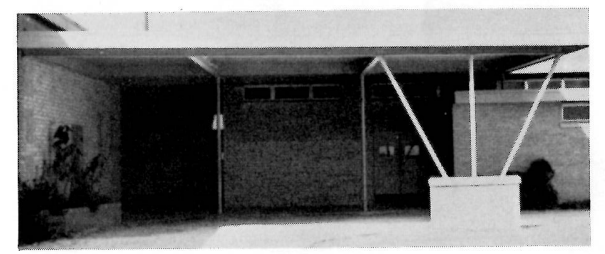

To the students and faculty of Grand Lake High School this edition of The Hornet should serve as a constant reminder of the fine school year that has just been completed.

It contains memories of students at work seeking to master their chosen curriculum, of their social world accented with literary and athletic competition, and the satisfaction of achieving goals which had not seemed possible.

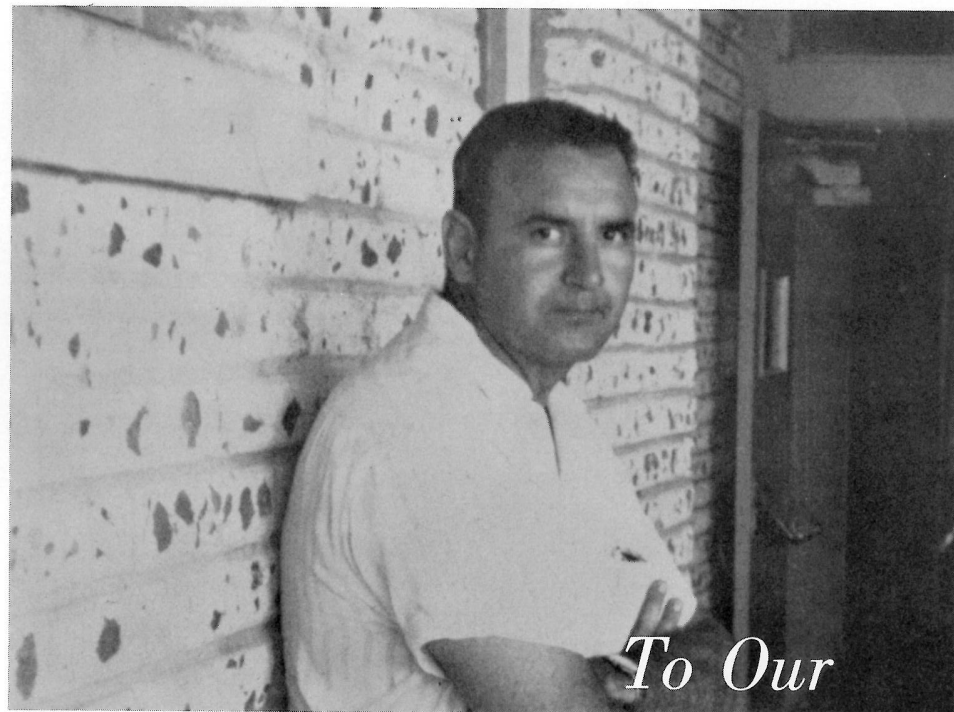

May this annual stir memories of the study, play, and pleasure that school days bring.

My congratulations to the Hornet Staff on a job well done.

Principal G. J. Carter

These sights are familiar to the students and faculty of Grand Lake High School, but less apparent are the students and teachers themselves. However, the 1961 Hornet Staff has attempted to portray them as accurately as possible. Therefore here is your yearbook. We hope you will enjoy it.
