In Memoriam

On July 5, 1965, Calvin Rudolph Hebert was called from our midst. Rudy left us a memory that will never be marred by time.

He was always considerate, smiling, cheerful, kind, and courteous.

By the life he lived and by the example he set, he left us a wonderful, happy memory as well as a challenge for which all students should strive.

TIME IS SO IMPORTANT

The point is that we should look two ways--into the year that has passed and into the year ahead.

Take a look at what you did with your TIME last year. You had 24 hours, the same as everyone else. What do you have to show for the way you spent your time?

Did you feel you used enough hours for study?
Did you spend enough hours reading good books?
Did you spend enough hours helping with the work of your church and school to feel you are a bigger person than you were last year?
Did you invest enough time doing useful things in your home and neighborhood so that your community is a little better?

To those who are leaving, we hope that you give your TIME some thought and set your goals for the future. We wish you success.

To those who remain, let us plan and strive to accomplish next year the things that eluded us this year.

Alvin Hoffpaur, Principal

Foreword

The Hornet Staff has tried to gather for you each phase of our school activities into this one edition. As you look through this yearbook, we hope that it will make you smile and recall "the good old days".

It is with satisfaction that the Hornet Staff present this annual - The 1966 Hornet - as a lasting treasury of the golden moments of your high school years.
