Principals Message

The pages of this annual reveal some of the treasured moments of your many associations and activities while a student at Grand Lake High School. You should have a deeper understanding of the true character of your school and the many things it attempts to do for its students.

All of you have a very important challenge before you to put forth your very best at all times.

I want to express my sincere good wishes to each of you and may the future reward each of you for your efforts.

Alvin Hoffpauir,
Principal

Editors Message

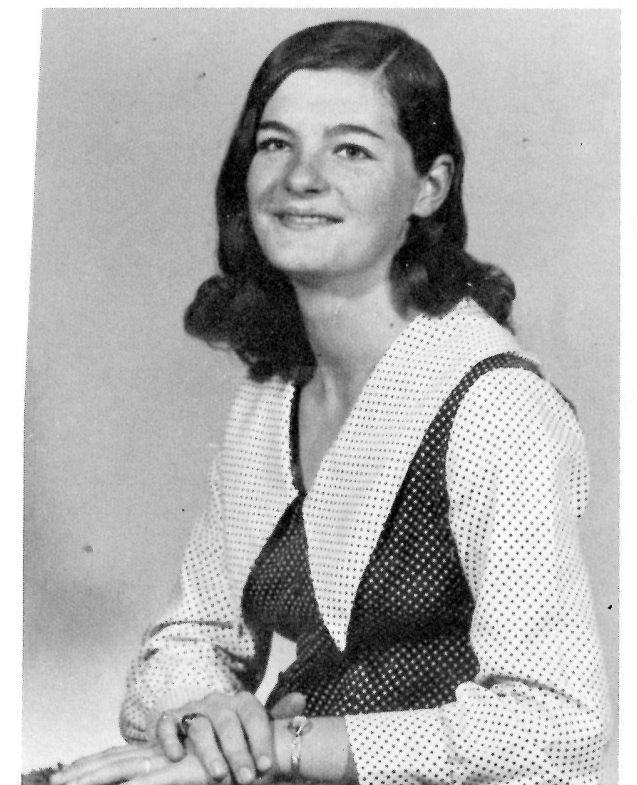

We, the Hornet Staff, are proud to present to you the "1972 Hornet."

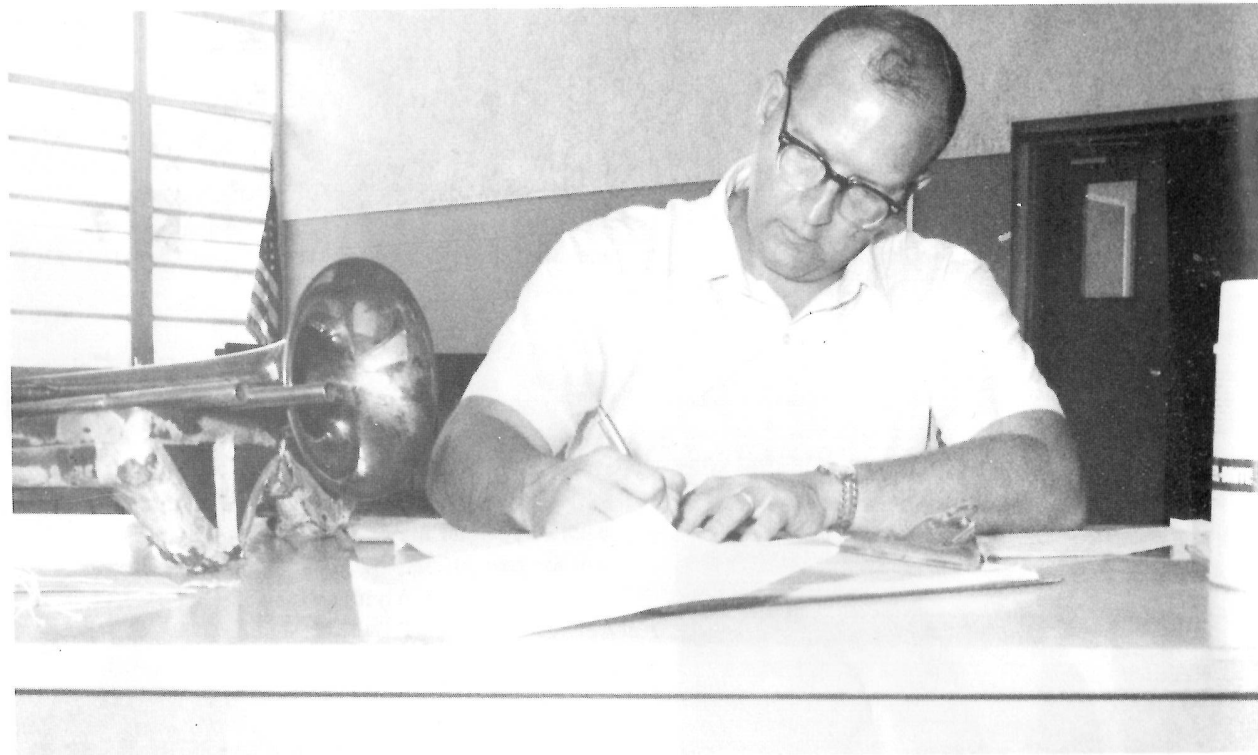

The publication of this yearbook has been a challenge to all of us.

At this time we would like to thank the sponsors, staff, student body, and those who have contributed their support through advertisements.

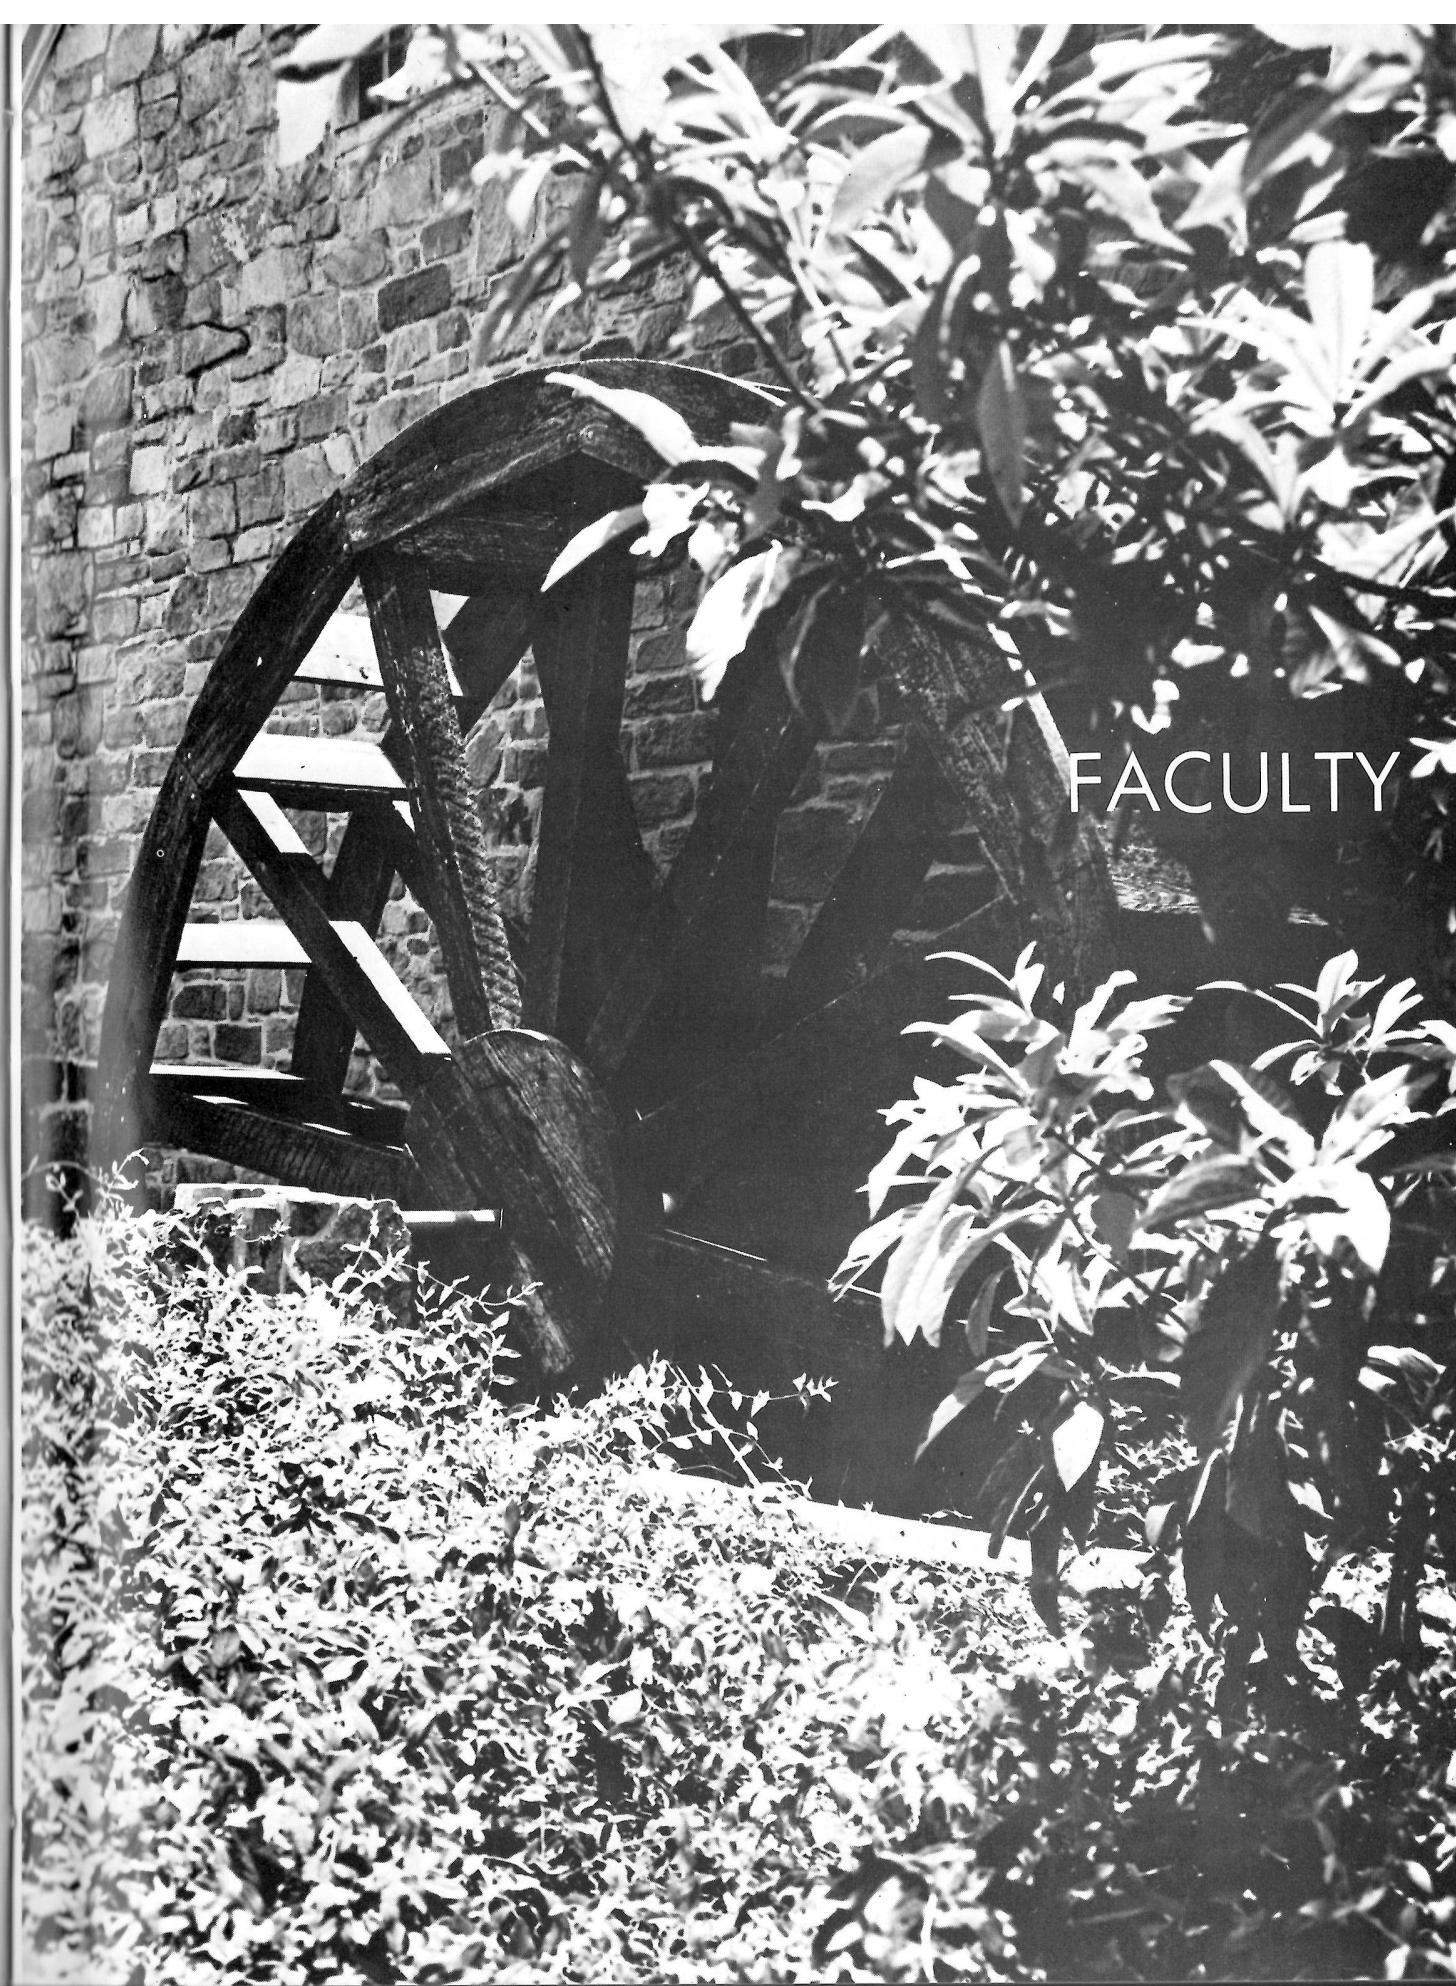

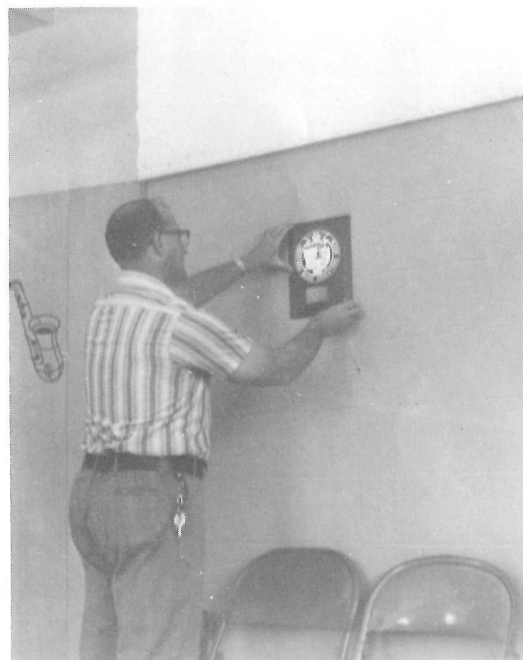

In this edition, we have tried to give you glimpses of every phase of our school activities. We hope this annual will give much pleasure in recalling memories of school days.

EDITOR,
Brenda Demary

We the 1972 Hornet Staff, dedicate this yearbook to Mr. John Thom, who throughout his many years of services had dedicated numerous hours to helping our Annual Staff. Mr. Thom has also helped create our Grand Lake High School Band. Thank you Mr. Thom.
