Grand Lake High School

1997 Yearbook • Enrollment 567

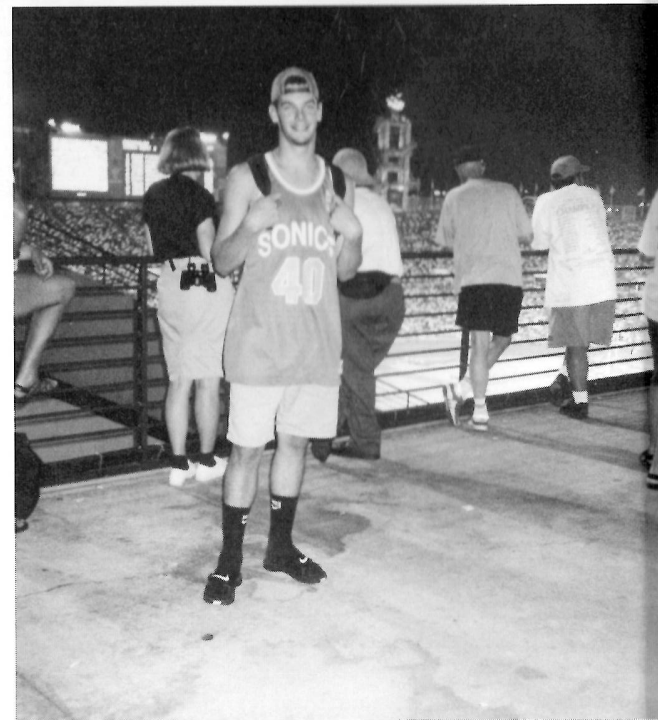

In September of 1996, the Grand Lake Hornet yearbook arrived. To elevate everyone's excitement, the Annual Staff had its first-ever Yearbook Signing Party. Students were thrilled about having time allotted for glimpsing the new book with friends. Everyone agreed that this party helped in finding time for people to sign their yearbooks, and they had a great time while doing it!

1039 Hwy. 384, Grand Lake • Lake Charles, LA 70607

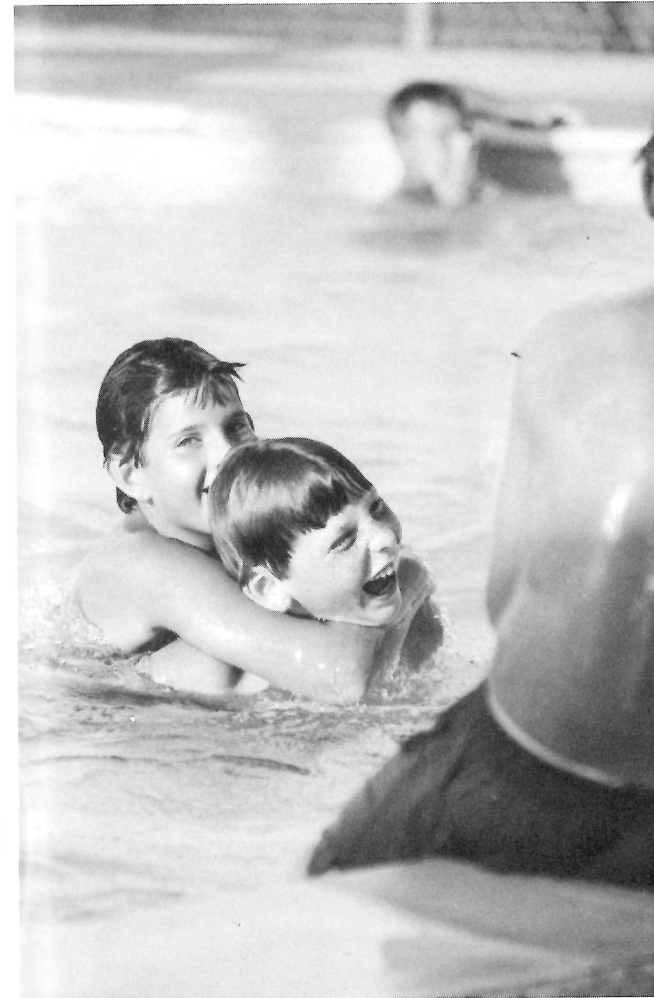

During a day at the pool, Danny throws Dolores in as she struggles to free herself.

Marcus stands on the platform above the track in Atlanta as the Olympic torch continuously burns behind him.

Brothers, Lance and Shawn Theriot, find the pool a great place to cool off from the heat of the blazing summer sun.

Lindsay, Laura, and Missy take a moment of their busy day touring Austria to pose for a picture.

The Summer Scene

The past summer for students as well as teachers was an interesting one. Students found time each day to participate in many leisure activities. With the closure of school, Mrs. Peggy reopened the recreational center with the help of high school students who were given jobs as lifeguards. Many splashes as well as memories were made at the pool.

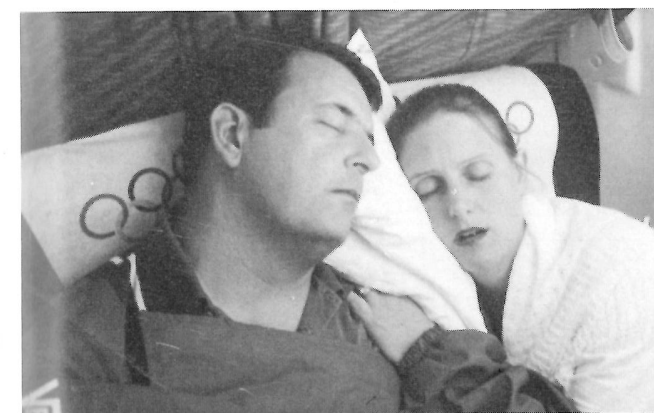

Coach Bergeron, Missy Cox, Laura Cox, and Lindsay Smythe traveled to Austria to play basketball against many teams from around the world. With a positive turnout of many victories, Coach Bergeron and the girls also toured much of Austria. Upon their return they were happy to be home, yet sad because they had to

depart from such a beautiful country and wonderful friends.

The high school rodeo tradition continued this summer with those interested in the sport. Holly Manuel, along with other students, participated in various rodeos.

The Olympics also brightened the summer for many here in Grand Lake. Yet, Mrs. Young and Marcus were able to witness first hand the excitement in the stadium as the track events took place. Our great athletes performed against intense competition in every event from other athletes around the world.

All in all the summer for those here at Grand Lake was a memorable one.

Realizing that the flight will be a while, Coach Bergeron and Mrs. Cindy take a snugly nap.

Doing her job, Jessica stares at the camera in frustration as she carries the umbrella back into the shed.

Concentration fills Holly's face as she rides around the barrels in an attempt to increase her time.

Mrs. Peggy is all smiles as she realizes she made it through another summer of controlling many hyper children.

Clinton Comes To Lake Area Speaks Of Re-election

In October of 1996, our forty-second President, William Clinton, came to our area to campaign for the then upcoming presidential election. This visit was the first time a United States President has come to Lake Charles while still serving in office.

Many students from Grand Lake School attended the rally that was held at Chennault Airpark. A few of the students that went to

see Mr. Clinton had the opportunity to see him quite closely, though more had to see him from a distance. During his speech, President Clinton spoke on many current topics of interest and also on his platform "Building a Bridge to the 21st Century."

His campaigning apparently worked, for on Election Day 1996, President Clinton was elected again for his second term in office.

Area children get a once in a lifetime chance to shake President Clinton's hand.

After giving his speech to the crowd, the President gives one final wave to his supporters.

President Clinton is shown giving his speech to the people of Southwest Louisiana. Mayor Willie Mount is shown in the background.

The 96' Homecoming Week began with great enthusiasm. Many students participated in Weird Day, Camouflage Day, Bum Day, and Spirit Day. A Junior/Senior rivalry began early in the week. During the pep rally on Thursday, a drenching fight broke out between the juniors and seniors. A cleanup was definitely in effect after the pep rally. The spirit of the week was not forgotten. In

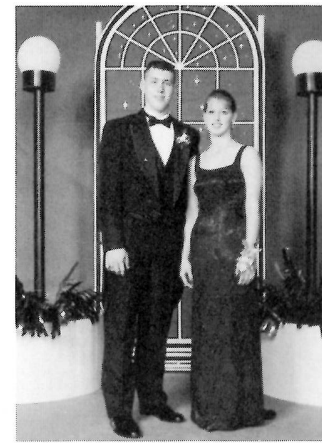

support of South Cameron's game at the Super Dome, school was closed Friday. The decorating and final preparation for the upcoming night were done early Friday morning. Finally the night had arrived. Along with well-dressed representatives for each class and anxious basketball players awaiting the game, the gym was filled with students, teachers, and relatives. The pres-

entation was concluded with the crowning of the '97 Homecoming Queen, Delana Savoy. Both the boys and girls varsity teams pulled out incredible victories over Hathaway. Homecoming week ended with the start of a new tradition and many wonderful memories for all who were involved in the festivities.

More Than Just A Little

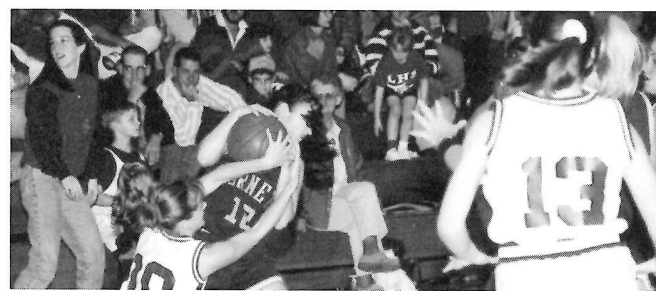

Improved

The Lady Hornets gained confidence this year by winning key victories. Memorable games this season included the homecoming night victory against Hathaway; the exciting triple overtime victory against Hackberry; the heartbreaking one point loss to Lacassine after leading throughout the game — until

the final shot!

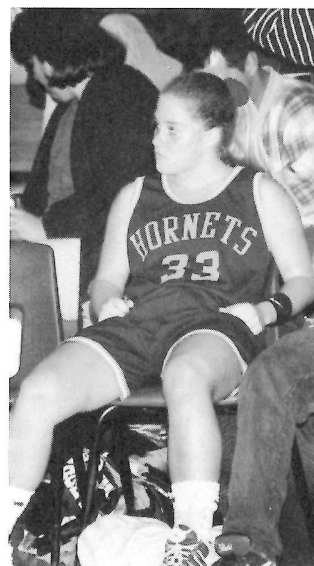

The season ended with an overall record of 16-16 and the Lady Hornets placed second in district with a 4-2 record.

Although the team will certainly miss the leadership of Missy and Laura Cox, they have helped establish a good foundation for next year.

JUMP BALL. Sophomore, Jessica Daigle, shows a great attempt to win possession of the ball over Lacassine.

WHAT NOW! Jessica LeBoeuf, junior takes a routine chewing from Coach Bergeron during the game.

One For The Records

Each year the Hornet baseball team seems to get more successful. This year marked the first Grand Lake team to go undefeated in district play with a record of 10-0 and an overall record of 15-5. In addition to being named the District 8B Champions, the Hornets were also named Bi-District Champions. Our boys lost to Glenmora in regionals with a

score of 14-10. Glenmora went on to the state championship game and were state runner up.

The following players were selected on the All-District 1st team: Cody LeBleu, outfield — also named Most Valuable Player of the District; Bobby Reeves, outfield; Chris Duhon, short stop; Mitchell Babineaux, outfield; Josh L.

LaBove, pitcher, and Brandon Fitkin, catcher. Brandon was also named to the All-State Team. Named to the 2nd team was Bubbie Duhon, 3rd base. District 8B Coach of the Year was David Duhon.

In the first five years of the program, a winning tradition has been established. Fans look forward to next year's season.

READY! Catcher Brandon Fitkin is ready for the action.

UMPH! While Jessica LeBoeuf stops in her tracks, Niki Young, junior, throws the ball from third base in an attempt to get the runner out.

SHOW THOSE TEETH. Our two seniors Missy Cox and Vanessa LaBove smile pretty for the camera while Jessi LeBoeuf wonders what the heck they are looking at.

SLIDE, PLEASE. Missy Cox gets ready to slide as the ball comes quickly into home.

It Takes Time

The season was one of rebuilding for the young softball team at GLHS. With five starters gone from the '96 season, there were many vacancies to fill. The long softball season did come to an end, and left the Lady Hornets with a 6-6 record. They also finished first in their pool at the South Cameron Tournament with a perfect 3-0 record.

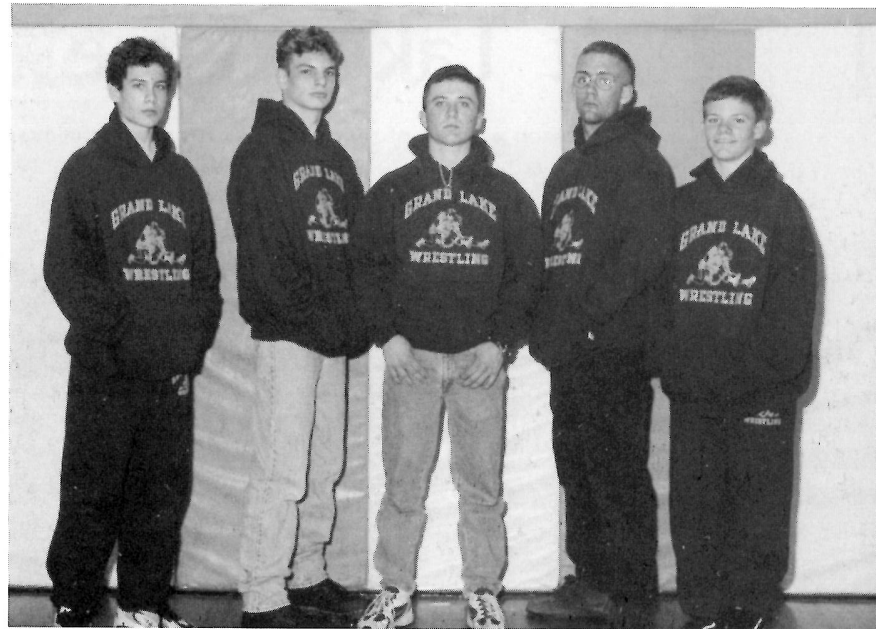

The softball team also benefited from their new assistant coach Mark Richard for GLHS. With his help, the Lady Hornets learned new drills and bat-

ting tips. His new techniques are sure to help the team in the future.

The Lady Hornets placed seven players on the All-District Team. First Team All-District were seniors Missy Cox, catcher; Vanessa LaBove, outfielder, and junior Lindsay Smythe, pitcher. Second Team All-District were junior Jessica LeBoeuf, utility player; sophomore Jessica Daigle, outfielder; freshman Amanda Crochet, second base; and eighth grader Cheri Babineaux, first base.

Going The Distance

The 1997 track season was one filled with strong performances from both veterans and newcomers. Larger enrollment in the sport allowed the team to place higher at track meets even though we were competing against much larger schools.

The State Track & Field Meet was held in Baton Rouge in early May. Grand Lake had eight events competing. In field events Nicholas Nunez placed fourth in long jump and Danny Kingham walked away with the title of State Champ in the discus.

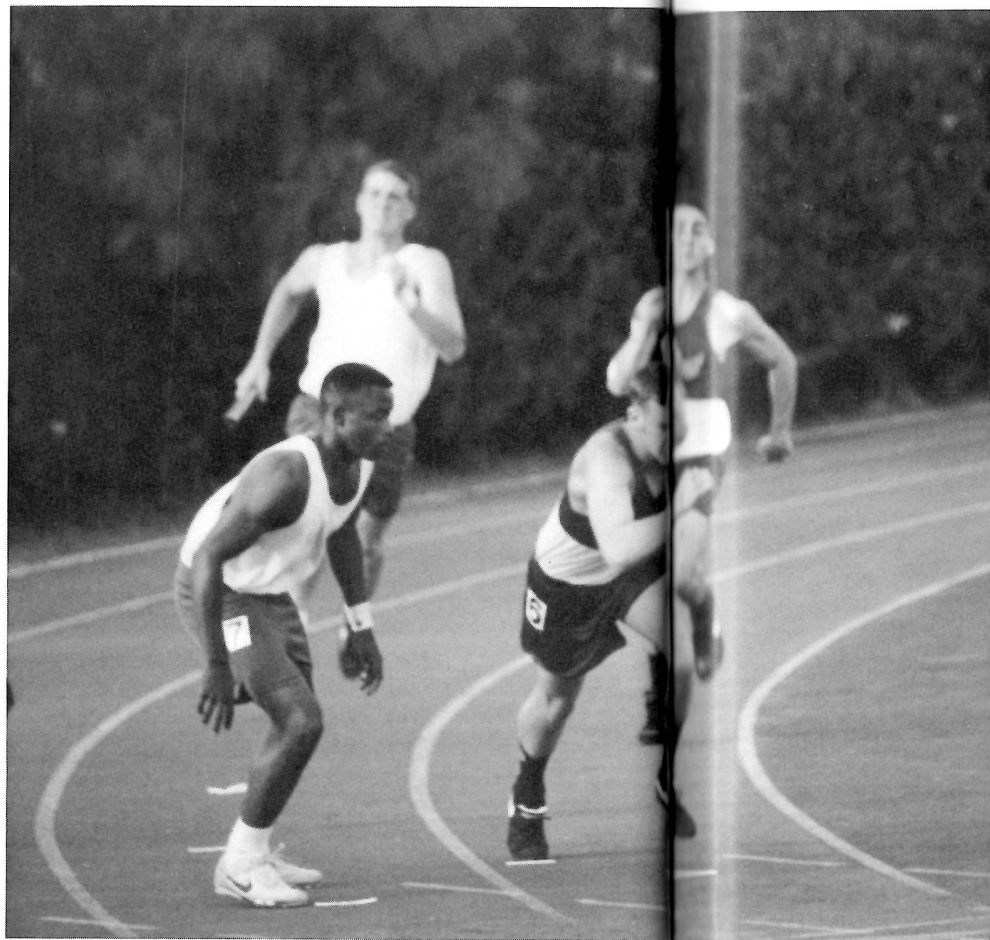

Cody LeBleu ran both the 100m and 200m and placed second and first respectively. This is the second consecutive year Cody has earned the title State Champ in the 200m. Senior Corey Theriot placed third

in the 400m run at state.

Relays tend to be a strong suit for Grand Lake. Members of the runner up 800m relay were Marcus Young, Nicholas Nunez, Corey Theriot, and Cody LeBleu. The fourth place 400m relay was run by Nicholas Nunez, Eric Nunez, Sam Bordelon, and Marcus Young. The state meet ended with the highly anticipated 1600m relay. Our state champion 1600m relay team consisted of Marcus Young, Sam Bordelon, Corey Theriot, and Cody LeBleu. For the second straight year, the 1600m relay team excited the fans and pulled out a close victory.

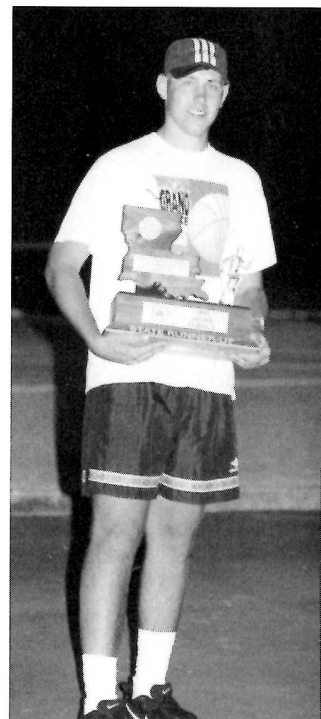

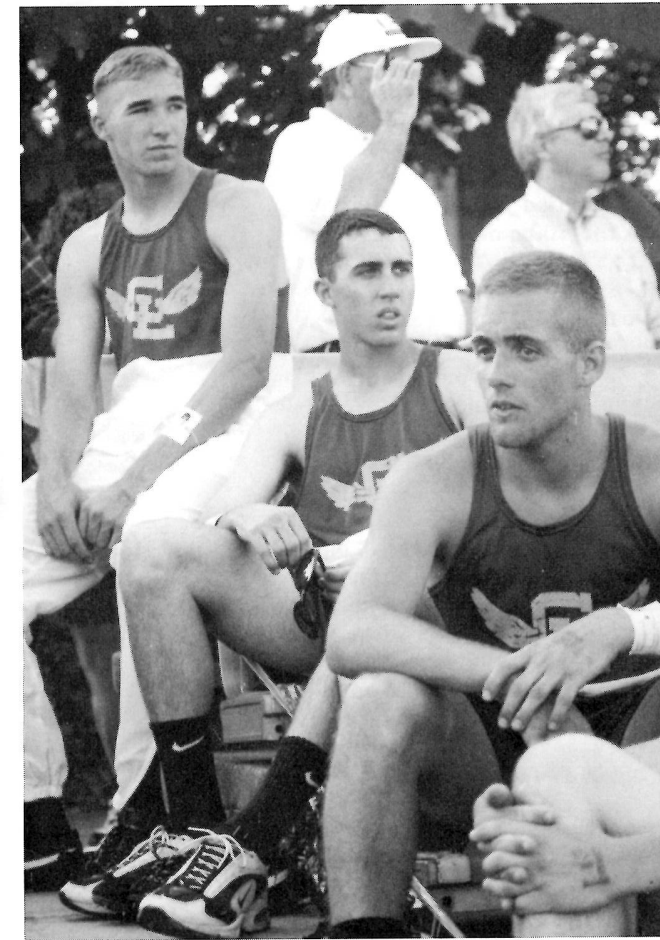

When the final points were tallied, our boys had claimed the runner up title — marking the first time in sixteen years we have had such a high placing.

TIMING. Relay exchanges depend on perfect timing; Sam Bordelon and Marcus Young try to make it work.

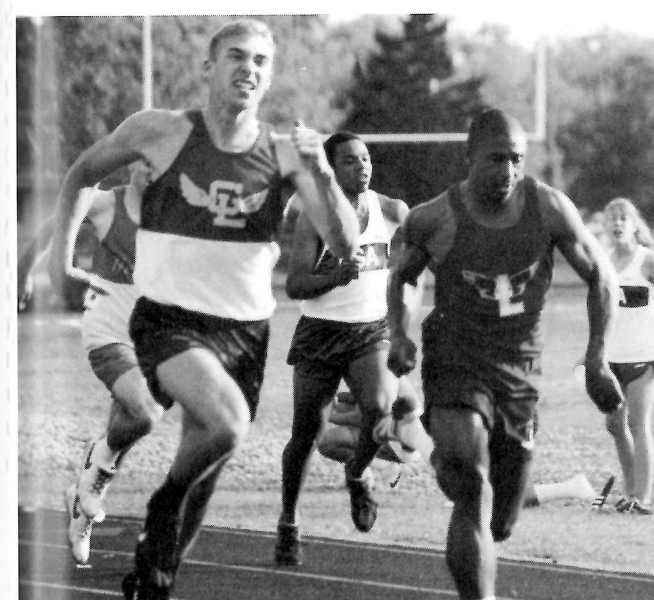

ANTICIPATION. Sam Bordelon is anxious to run his lap of the 1600m relay.

WAITING GAME. In track there is a lot of "wait" time.

LAST CHANCE. Discus state champ, Danny Kingham, is proud to be a part of the runner up team.

PRIDE. Members of the team and Coach Thomas after receiving the runner up trophy.

DETERMINATION. Cody LeBleu will not accept second place.

GOING THE DISTANCE. Corey Theriot ran a strong 400m to place third at state.

A Year To Remember

This year both the indoor and outdoor girls' track teams were great successes. For the second year in a row, Kristi Wasson qualified for the State Indoor Meet in the 400m dash and seven girls competed in the State Outdoor Meet.

The 1997 Outdoor State Track and Field Competition was, to say the least, exciting! By the end of the day, Grand Lake had a lot to be proud of. The 400m and 800m Relays (Delana Savoy, Kristi Wasson, Cheri Babineaux, and Marylyn LeJeune) placed 2nd and 3rd respectively, and the 1600m Relay (Kristi Wasson, Marylyn LeJeune, Cheri Babineaux, and Trisha Broussard) placed 2nd. Lindsay Smythe threw the javelin an awesome 119 ft. for a 2nd place title and came in 6th in the high jump. Kristi Wasson came in 2nd in the 400m and our 800m runner, Laura Cox, finished 4th in her race. Contrary to the prediction of the American Press, the team placed 2nd overall! By the end of the night, all of the girls agreed that it had been a day, and a year, to remember.

HOW SWEET IT IS! 1997 Girls State Track Meet Participants with their trophy.

STRATEGY. Laura Holmes, freshman, and Laura Cox, senior, stretch and discuss the impending race.

CORRECT FORM. Holly Manuel, eighth grader, attempts to hurl the discus farther than everyone else.

JUMP. Junior Lindsay Smythe easily clears the bar on one of her many jumps.

I BELIEVE I CAN FLY! Marylyn LeJeune seems to fly as soon as she gets the baton in the 400m relay.

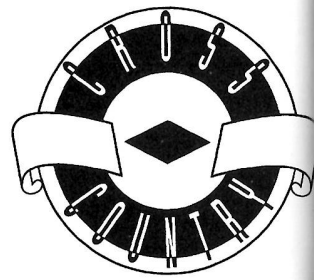

HAND! Kristi Wasson, sophomore, makes a clean hand off to eighth grader Cheri Babineaux in the 800m relay.

POW! Senior Delana Savoy bolts out of the starting blocks as soon as the gun is fired in both the 400m and 800m relays.

Seated: Cheryl Wasson, Mgr., Kristen Howerton, Stacie Arceneaux, Jessica Abshire, Marie Richoux, 2nd row: Dolores Arceneaux, Mgr., Emily Gaspard, Delana Savoy, Carrie Stearns, Cheri Babineaux, Natalie Precht, Holly Manuel, Kristi Wasson, Tiffany Breau. IT'S OVER!

The team is shown here cooling down after the state meet on the campus of Northwestern University in Natchitoches, Louisiana. This was the first year that Grand Lake participated in Girls Cross Country.

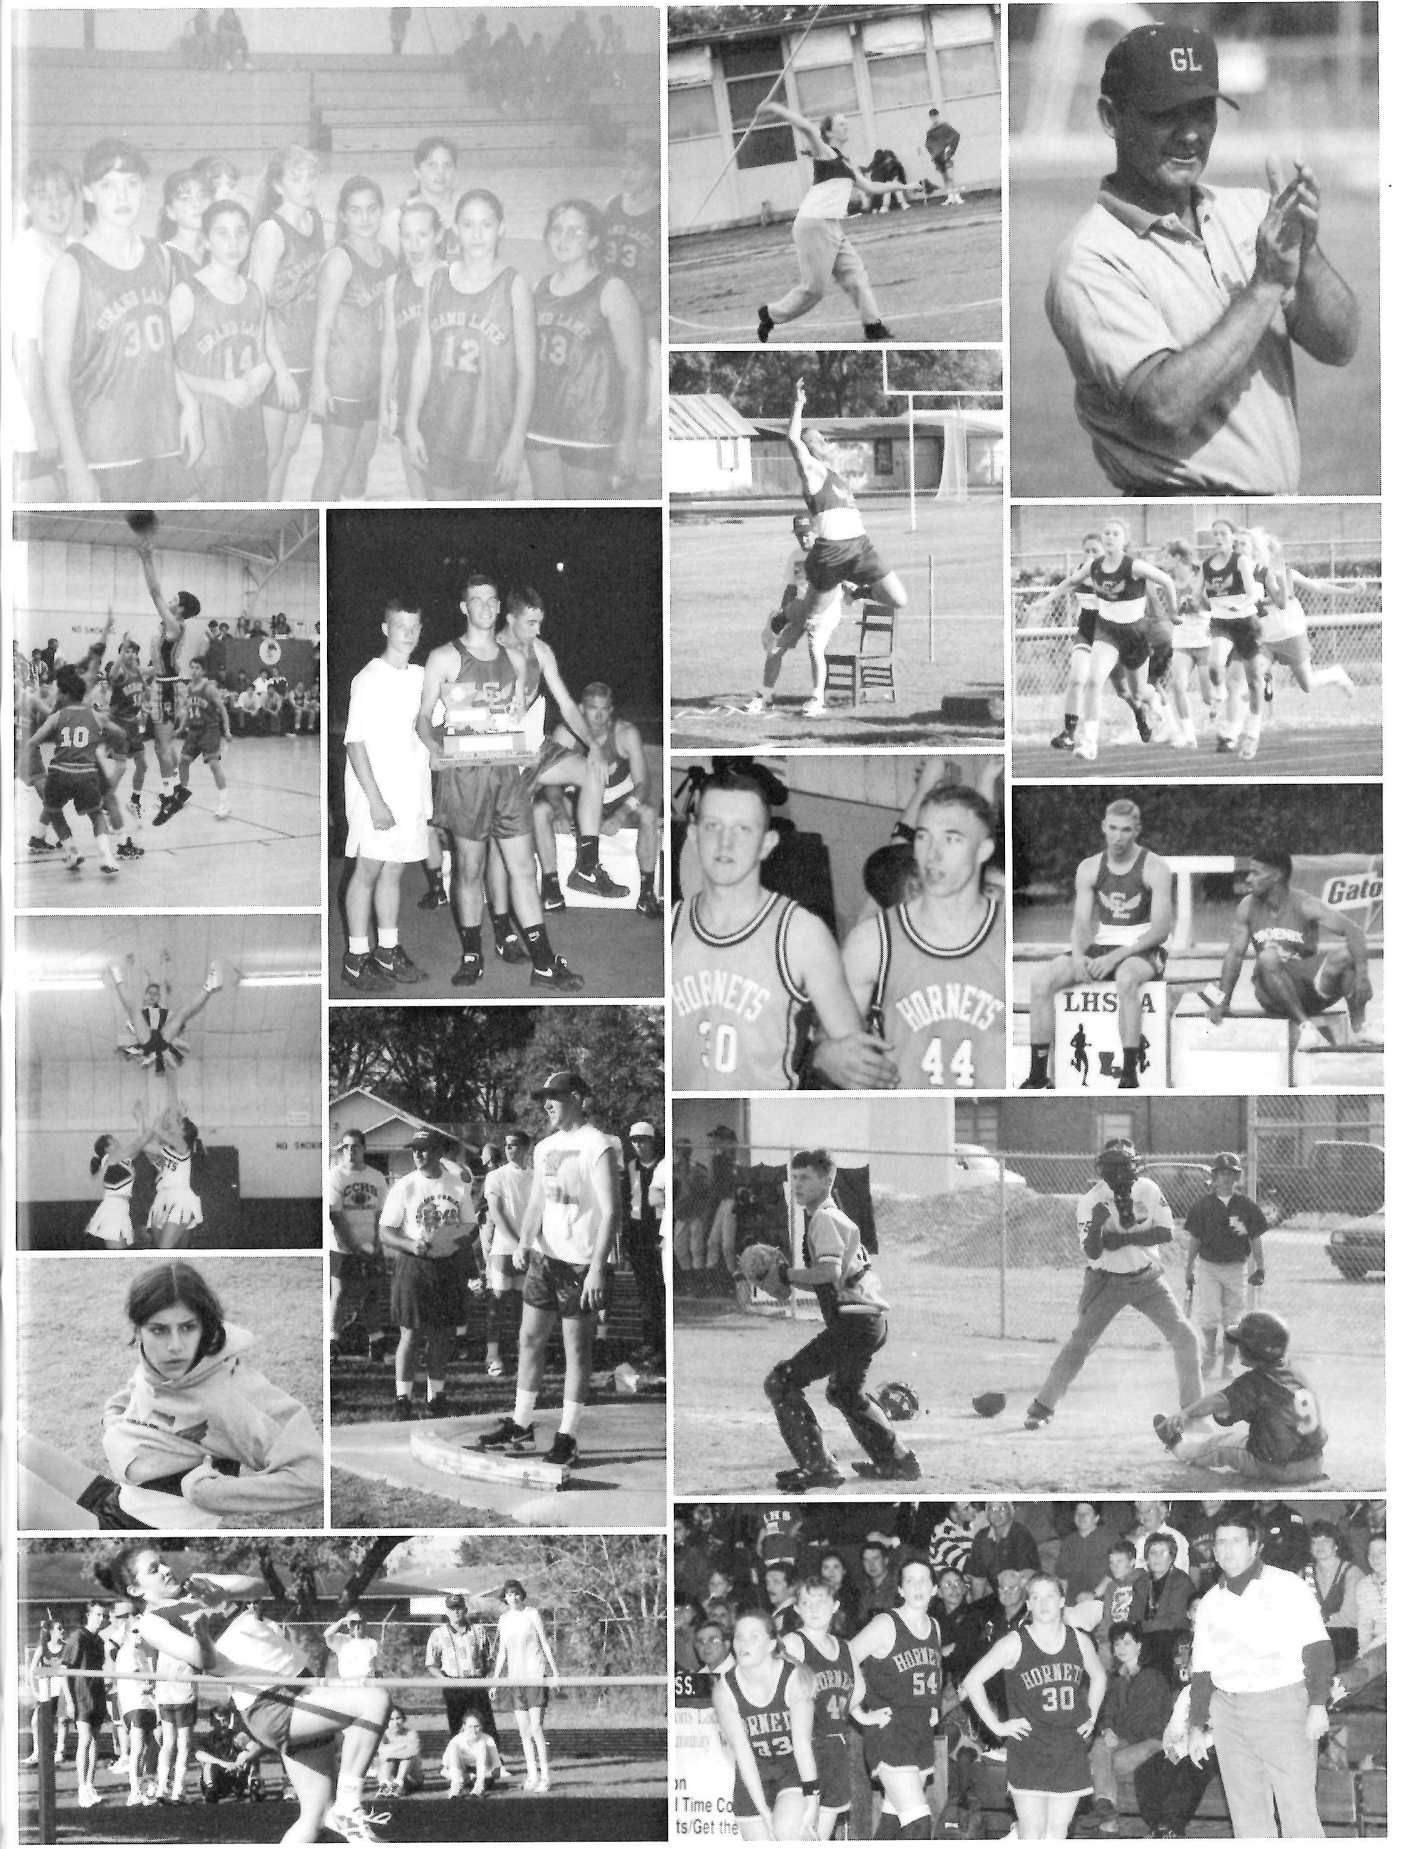

RUN!

Seventh grader, Tiffany Breaux, was that first girl from Grand Lake to cross the finish line. Good job, Tiffany.

HURRY UP!
The whole team stands anxiously waiting for the meet to begin.

LAID BACK.
The team enjoyed a night of relaxation before the big race.

More Than You'd Expect

Our FBLA chapter has been more successful than ever before. With the enrollment increase, the club became more involved in the community and competition. Many fundraisers including dances and selling Kamco helped pay for club expenses. The club has been honored at the national level as a Go for the Gold Chapter. Kane Richard was coordinator of the projects which had to be completed for this honor.

The 96-97 elected officers are Delana Savoy, President; Kane Richard, Vice-President; Marcus

Young, Secretary; Dolores Arceneaux, Reporter; Marylyn LeJeune, Historian; and Bobby Hebert, Parliamentarian.

The district conference was a great success. There were a total of 5 overall winners: Kane Richard, Bobby Hebert, Mandy Broussard, and Current Events team (Phillip Primeaux, Earl Gaspard, and Bobby Hebert). There were also an additional 8 Superior winners and 4 Excellents.

The state conference proved just as successful as district. Those plac-

ing were Kane Richard (2nd in Information Processing and 3rd in Word Processing), Bobby Hebert (6th in Business Communications), Delana Savoy (8th in Business Communications), Haley Howerton (9th in Keyboarding Applications), Bobby Hebert, Earl Gaspard, and Phillip Primeaux (10th in Current Events). Kane Richard and Delana Savoy will be competing at the National Leadership Conference in Anaheim, California.

The annual FBLA banquet was held at Picadilly. In addition to the pres-

entation of awards for competitive events, awards for outstanding participation were presented. Jenni LeJeune was named top salesperson and Tonya Browne was awarded outstanding new member. Mr. and Mrs. FBL are Marcus Young and Delana Savoy.

The 1st Annual Business Report was submitted before the state convention. The report ranked 6th a state. This year has been most successful for the Future Business Leaders of America.

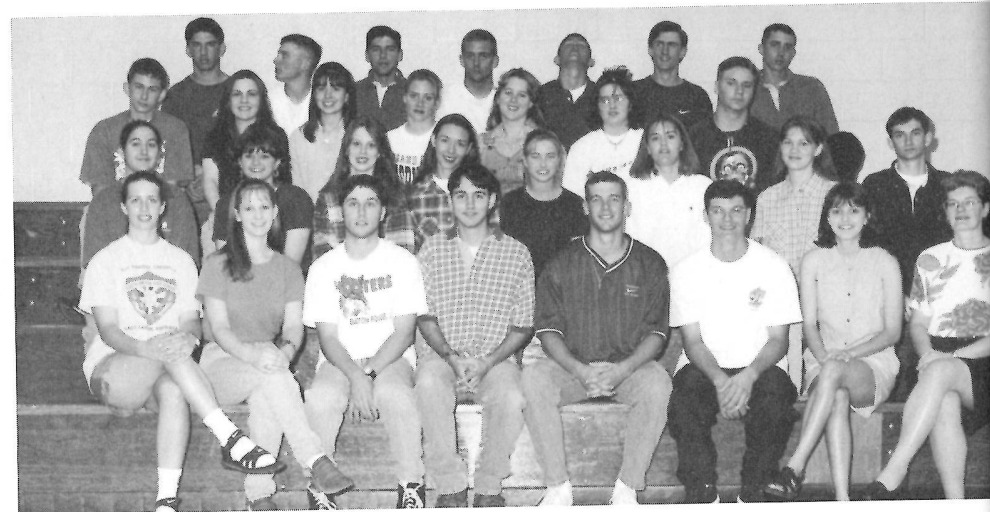

TIRED YET? Heather and Phillip stop for a breath as Delana punches their cards to show the number of laps they walked at the Walk-A-Thon fundraiser.

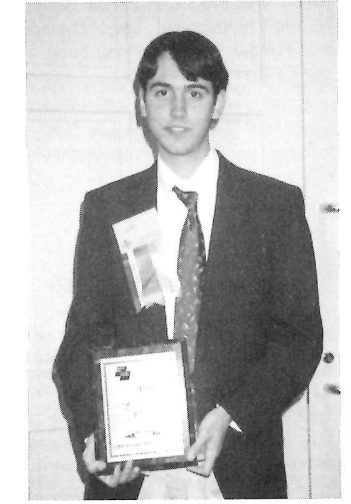

LET'S GET ORGANIZED. Knowing the stress of distributing Kamco orders, Christy and Billy begin to organize the items.

Membership in the Spanish Club increased tremendously this year. ¡Gracias a todos! Spanish Club members worked very hard at the Fall Festival. The Spanish classes created a beautiful piñata to raffle (Gracias, Señora Peggy!). Tacos and nachos were sold and en-

joyed by the students as well as the festival crowd. Spanish Club members traveled to DeRidder to see a performance of Latin American dancers and singers. The students enjoyed the singing and dancing, but they especially enjoyed talking with the dancers after

the show. Spanish I students made a bilingual presentation to the School Board on Spanish Christmas customs. Members also narrated the 2nd Annual POPS Christmas program. The Spanish Club showed their generosity when they

donated money to PTA towards the purchase of a new VCR for the library. The club contributed to the literary rally fund to help cover expenses. Club members also judged the Easter Bonnet and Hat contest. ¡Hasta Luego!

MAY I TAKE YOUR ORDER? During the Fall Festival, members Niki, Jessi, Nick, and Jessica along with Señora Simmons served Mexican food.

*It seems just like yesterday
we could carry you in one arm.
And you would brighten up each day
loving, smart, and full of charm.
It truly is hard to believe
that we could be so blessed,
to face with you each new day,
each challenge, every test.
And now our little man is grown,

'Today to us a son is born,
he'll grow to make us proud.'*

Delana,

What words could we use to describe how it feels to be the parents of such an outstanding young lady. Words like pride and joy certainly come to mind, but yet are so inadequate. Since birth, we've known you were destined to achieve, and your achievements are far beyond those measured academically. We could fill pages with examples of times you made us proud by being strong willed yet compassionate. Examples of joy are pressed between pages of photo albums and forever etched in our minds. But in order to fully understand how wonderful it is to be your parents, you would have to look into our hearts and know how truly blessed we feel.

Love,
Mom and Dad

Since you were born you have been such a beautiful addition to our family. Now that you are growing up I can see that you are a beautiful addition to the world and I am so proud of you. As we watch you doing things on your own we know you will find happiness and success because we are confident in your ability, your self-knowledge, your values. But if you ever need a boost or just someone to talk to about difficulties that might be occurring we are always here to help you, to understand you, to support you, and to love you.

Ice! Ice! Ice!

Grand Lake Meets Mother Nature

For the first time in more than 20 years, Grand Lake experienced a destructive ice storm. The true winter weather, or what is true for Louisiana, occurred in early January. To the delight of students and teachers, school was closed. Ice could be found in many places, such as on telephone wires, mailboxes, and even on our "Mighty Hornet." The delight slowly faded as more and more people were left without electricity and running water. Finally, all was back to normal and memories of the storm still linger freshly in all of our minds.
