Here We Go Again!
As the 1999-2000 year began, students began lingering down the halls awaiting the new year and all of the changes at Grand Lake.

2000 HORNET

Grand Lake High School
1039 Hwy 384
Lake Charles, La 70607
(337)598-2986
Population: 593

The 2000 Hornet is dedicated to three remarkable people who have touched many lives at Grand Lake High School & in our community.

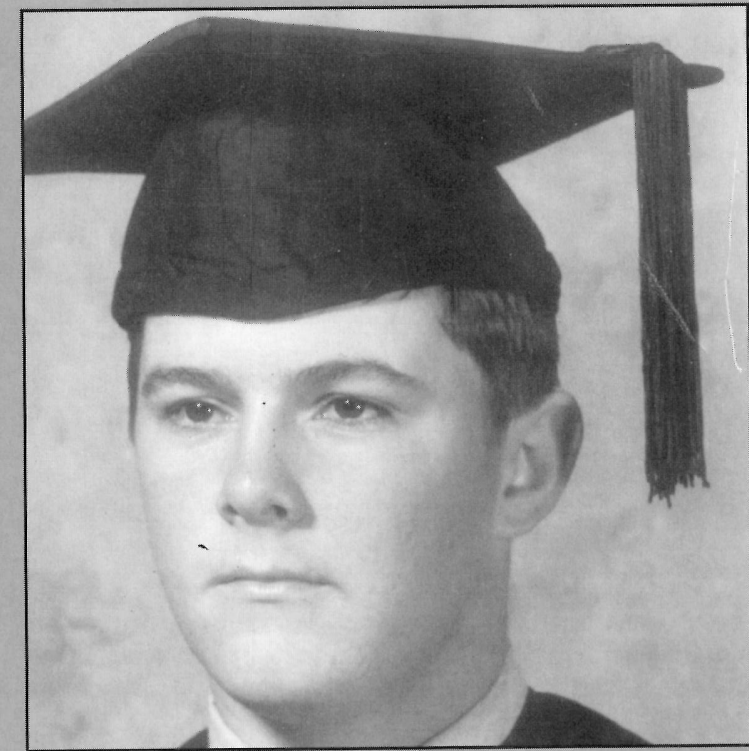

Jenel Corbello Watts: born in Vinton; wife, mother, grandmother, friend, teacher, writer, and a multi-talented, unique individual. Funny, honest, loving, versatile, a person with deep spiritual convictions which she tried to live by. She was a REAL lady. Whether in the classroom, interviewing a client at the food stamp office, or talking with the governor of Louisiana, she was always the same. Her career would open as a newspaper journalist, working in the state food office, finally, earning her degree in education at fifty. The Grand Lake community was fortunate to have Mrs. Watts finalize her teaching career at Grand Lake. Humor was one of the most cherished and powerful tools in her classroom. Always passionate about the subject matter she taught, Mrs. Watts' excitement was contagious. Mrs. Watts would radiate enthusiasm for her students, for teaching, for involving her students in learning, and for life in general. In talking about Mrs. Watts, one would automatically measure their words, careful not to make her sound like a saint, because she wouldn't have it. However, we don't know, nor did she, God's qualifications for "sainthood," so we can't make that kind of divine judgment here on Earth. Honesty, loyalty, and dedication would best describe Mrs. Watts. As a friend and co-worker she could be depended upon. This kind of person is a true treasure, and quite rare.

Mrs. Jenel Watts

And She Was....

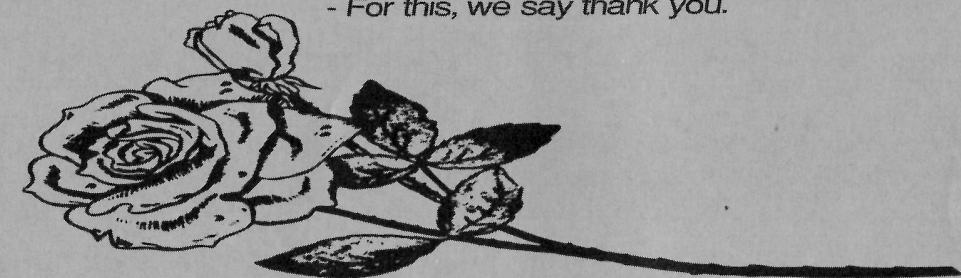

She was a person everyone remembers by her brilliant smile and heartfelt hellos. A student lost, she knew how to reach him. She graced the school with her presence, yet sternly dealt with the few that found joy in being a nuisance. As students gladly poured into her classroom, she would brighten their days with her artistic style of teaching. She was always willing to reach out a helping hand to those in need. She was an outstanding teacher always making sure that each child grasped the knowledge she set forth. She was a woman of great love and compassion for all. And above all, she was an amazing mother of three and a loving wife.

Mr. Terry Cox

The students and community of Grand Lake recently lost a devoted deputy, a loving father, and a great friend. As a lifelong member of the Grand Lake community, Mr. Terry Cox will be greatly missed. His love for serving and protecting the community will linger in our hearts and in our joyous memories of Deputy Terry Cox for all eternity. His hard work and determination toward his family and career was a blessing. Those who had the opportunity of being graced with his presence will never forget his genuine smile and sincere greeting. Even fonder memories are found in the minds and hearts of the family he so dearly loved and cherished. Mr. Terry wholeheartedly dedicated his life to his family, friends, and community.

- For this, we say thank you.

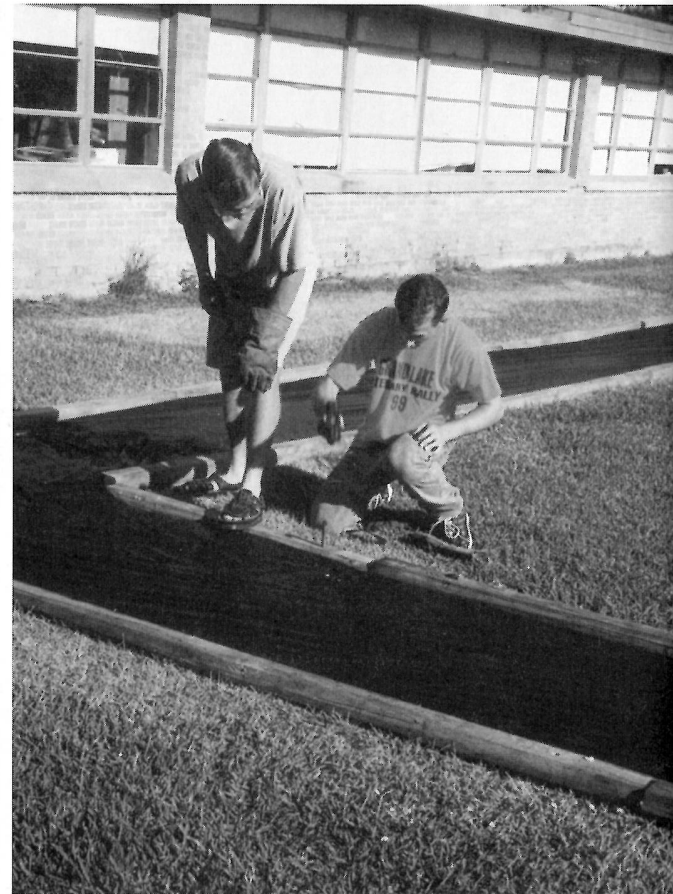

Mrs. Brenda Delafield

Congratulations to you and your new family. We wish you great love and success as you journey down new paths. May it be filled with love and happiness. Your guidance and smiling face is missed throughout the halls of Grand Lake High School.

Outdoor Classroom

A new addition this year to Grand Lake High School was the butterfly garden. Many classes, clubs, and parents have worked hard in developing and maintaining this project. This outdoor classroom enabled teachers to teach class in a new refreshing environment. The added responsibilities challenged the students in a different way than the classroom.

Getting Started! Russell Faulk and Scott Crador helped lay the sidewalk and flower beds in the Butterfly Garden.

Shovel Away! Sandra Daigle shoveled dirt in the wheelbarrow to put in the flower beds.

Looks Good! Kallan Borel showed us that all the hard work in the flower garden payed off.

Thirsty? Austin Styron watered the thirsty plants to help them grow.

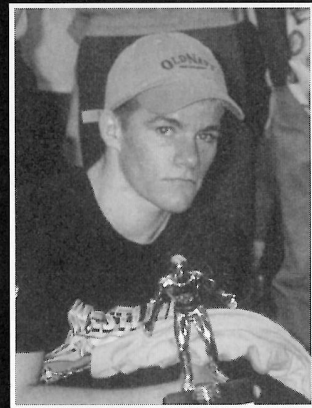

Studying Hard! Students took a break from their busy classroom environment to study outdoors.

Working Together! Mrs. Chiasson's Kindergarten class also planted and maintain part of the butterfly garden.

PHEW! Amanda Crochet found relief in knowing she was finally graduating from high school.

Given Back! As graduation came to an end, Jessica Abshire showed her appreciation by giving her family a rose.

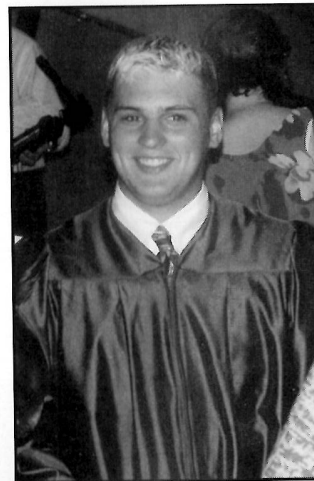

On Your Mark. Get Set. Go! Marshal Granger was more than ready to graduate.

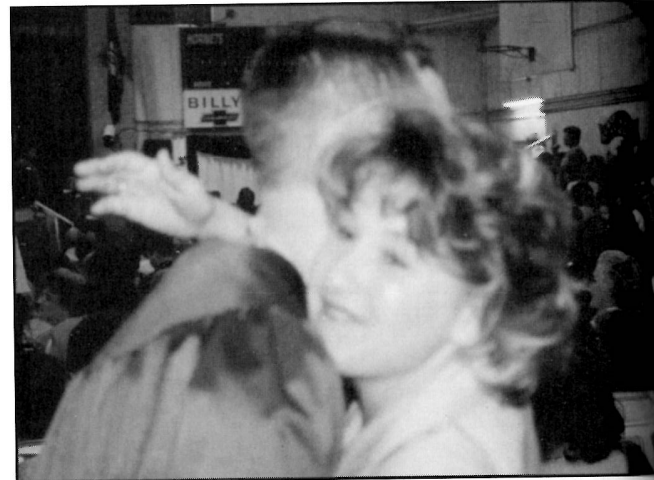

Listen Up! Salutatorian, Laura Holmes gave good pointers to the graduates.

Yes! Brian Daigle took a break from all the excitement to flash a smile at the camera.

Thank You! Timmy Gothreaux showed his love and thankfulness by giving his mom a nice, big hug.

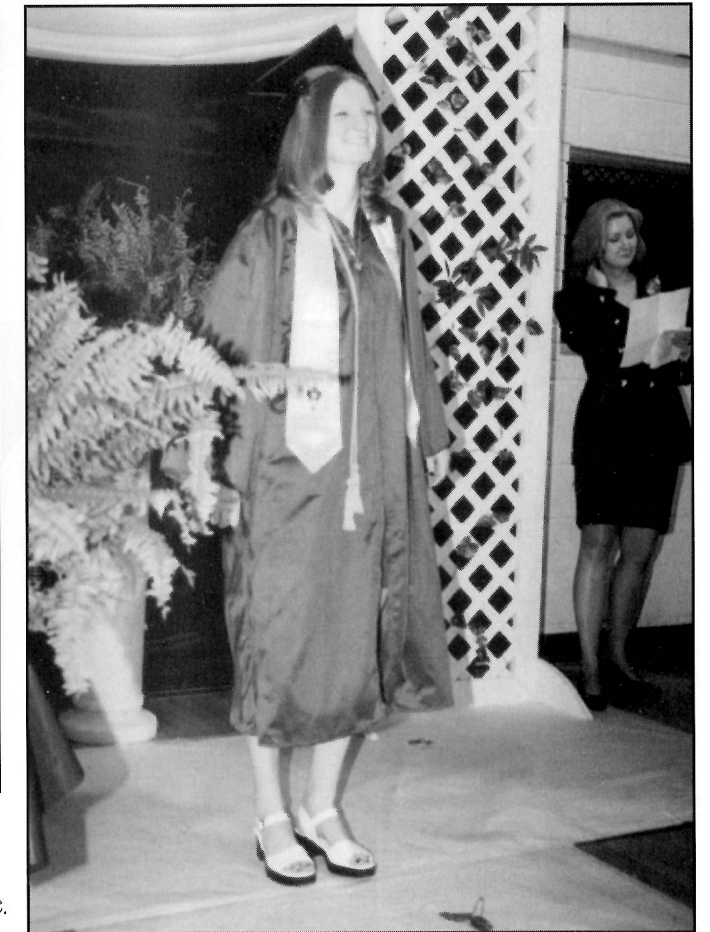

READY TO FACE THE AWAITING WORLD

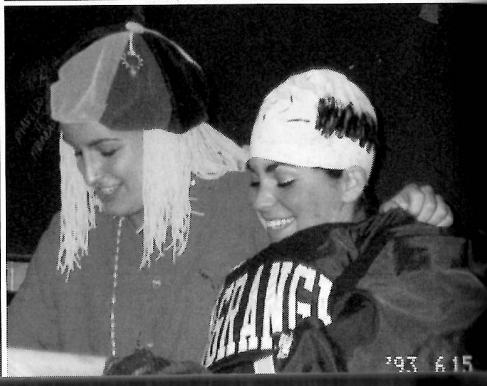

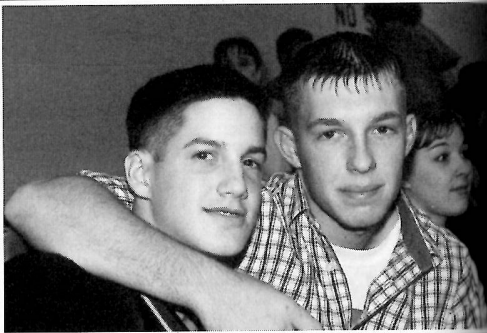

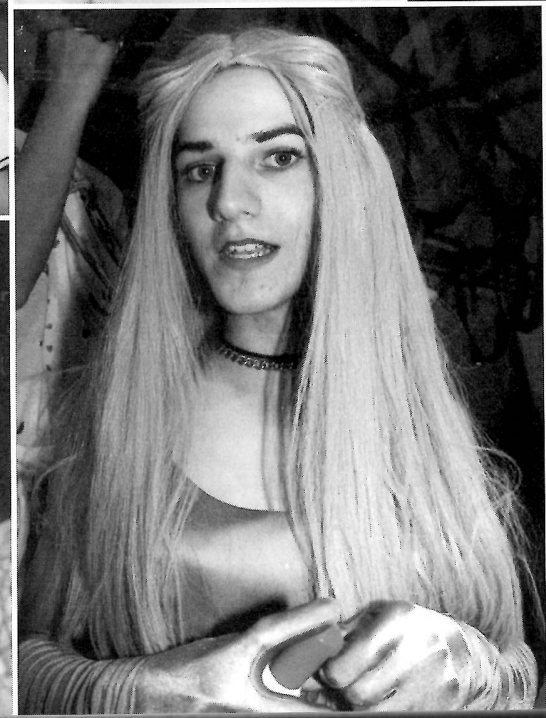

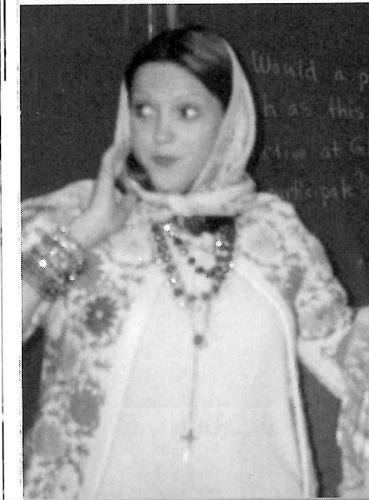

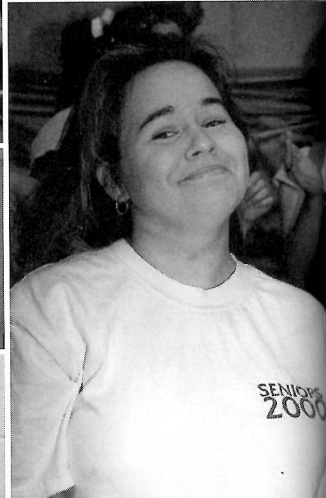

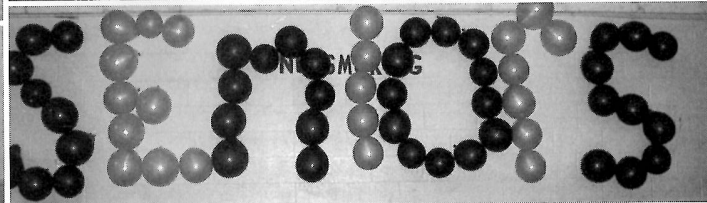

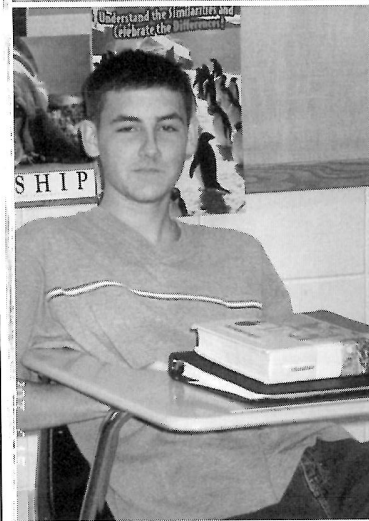

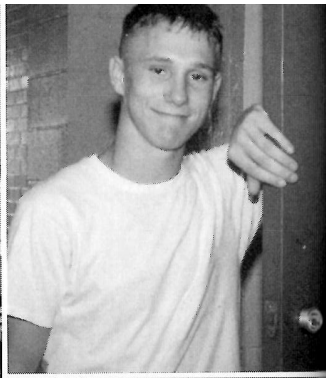

Graduation marks one of the first milestones the Class of 2000 faces in the new millennium. We, the Class of 2000, began the journey by blending the warmth of old traditions with the promises of new beginnings. New choices, opportunities, and discoveries that awaits the memories of the late night outings, early morning hunts, and the long days of knowledge with friends will not go forgotten. We are leaving behind the comforting walls of Grand Lake High School to travel down new and uncertain paths to find our place in the world.

It's All Over With! Stacie Arceneaux was all smiles after graduation and was ready to party.

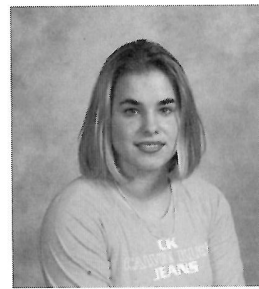

All Smiles! Gretchen May could not hide her joy as she took one last walk down the aisle.
