The Annual Staff has worked numerous hours to make "Beyond Black and White" like no other. We have gone beyond the Black and White personality of our school. I hope our staff has helped create everlasting memories, that you may treasure in the future.

**Editor: Brandy Guidry**

"Beyond Black and White" is the most colorful yearbook in Grand Lake history. This year has been stressful, yet successful. After hard work and dedication from the annual staff, this yearbook rocks!

**Co-Editor: Alex Vinson**

"Beyond Black and White" has been one of the best yearbooks on which I have ever had the privilege to work. I have worked by the motto that "Stuff Happens" and believe me, it does! Those times when I have wanted to strangle our sponsor because I was really NOT finished, have made this book what it is now. Thank you, everyone, for the wonderful work you have done, and good luck in the future.

This year in FFA there were many activities that the students participated in. Some of these included events taking place during the summer. First, there was the State Convention which was held in Alexandria. Students participating in this were Corey Broussard, Samantha Williams, and Tyler Pool. The next activity was the Area III leadership camp held in Bunkie. This camp was attended by Corey Broussard, Bryce Manuel, and Tyler Pool.

Made for Excellence was a weekend leadership workshop that was attended by Timmy Russell, Levi Stephenson, Bryce Manuel, Marcus Guintard, Corey Broussard, Samantha Williams, Tyler Pool, Raegan Miller, Jenna Conner, and Karley Vinson.

Many of the members also put in hours studying to compete against other schools in a wide variety of events. The forestry team consisted of Marcus Guintard, Corey Broussard, and Cody Beniot. Horse judging participants consisted of Bryce Manuel, Blake Madison, and Marcus Guintard.

Poultry judges were Jordan Duhon, Cody Beniot, Josh McLean, and Clint Guillory. Livestock judges were Bryce Manuel, Marcus Guintard, Levi Stephenson, Trent Hebert, and Tyler Pool. Scott Hebert participated in the Electricity Contest. In welding was Trent Hebert and Flint Theriot. For Creed speaking, we had Tyler Pool and Heather Girlinghouse competing.

FFA also had many members that did an outstanding job showing livestock.

# Girls Basketball

As with all beginnings, the season began with lots of hope. By the time fall arrived, we had lost three potential starters. We were also to lose another starter in November. The loss of Katy and Marlene Lavergne definitely affected us. Despite our losses, we think our basketball players, younger and older, showed great character in playing a tough schedule. Our district schedule is hard, but our district champions traditionally fair well in the playoffs. Our senior guard

Tabitha Nunez did well playing a position she was thrust into, that she had never played before. We are proud of our Lady Hornets for facing adversity and not giving up or becoming lax in their treatment of the game.

# Lady Hornet Softball

From the first day of practice, I knew that this 2005 team was something special. The excitement and intensity within each player is refreshing to see each and every day. I know that this championship season is one that I will never forget, and I am so pleased that I had the opportunity to coach so many amazing young women. The only thing more exciting about reminiscing about the past season is when I think about the possibilities of the future.

# Baseball

We started the baseball season with no wins and six losses. All of our early defeats were to double and triple-A schools. Our baseball team kept practicing hard and eventually we began to play better. We had to replace six players from 2004. However, our young players, a junior, a sophomore, two freshmen and an eighth grader really stepped up and played well. The Hornets won their tournament for the third year in a row while posing impressive wins over Welsh, Vinton, and South Cameron.

Our two seniors, Marcus Harris and Dustin Leger, displayed excellent leadership, leading our team to a nine and one district record. This team really improved in all aspects of the game throughout the season. We were really impressed with the way our older, experienced pitchers handled themselves, as well as our younger, freshmen and junior varsity pitchers.

All in all, we had a very successful season with very few experienced players.

# Heather LeBoeuf

As the rose blossoms, so have you. Eager and anxious to come into this world, you showed up early. You have been a joy to our eyes and hearts. Your kindheartedness has touched more people than you can imagine. You are defiantly one of a kind, slow to anger and quick to forgive.

You have been the sunshine that lights up many eyes. (Remember at the young age of 2 or 3 at the fence?) Although you may have made some mistakes along the way, for which you've paid the price. You've always held your own. Being overlooked, underappreciated, and sometimes left out have not made you bitter. The good in others is what you seek and often find. This brightens the light you shine onto the world. You've come a long way. Adversity, grief, growing-up, nothing has stopped you from becoming the young lady in which we can be so proud. Please stick to your faith; it will continue to guide you creating a mature loving adult. Each time you look into the mirror, know that Mom is there looking back at you, and God is also there guiding whom you become. Go for it ALL without forgetting what is important about who you are.

We love you no matter what Heather-Boether.

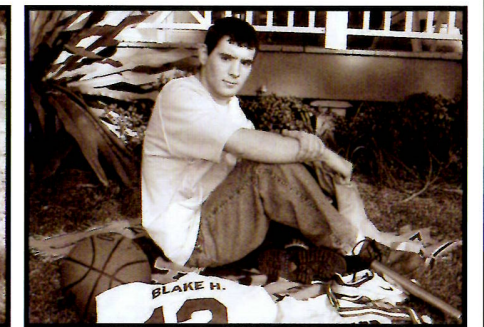

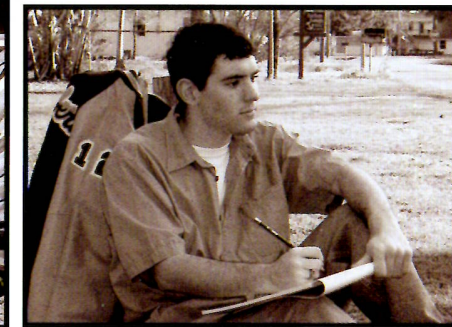

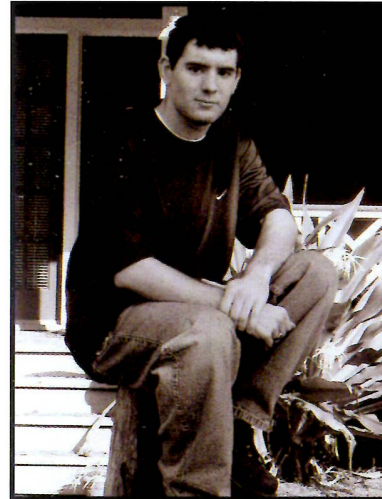

MawMaw, PawPaw, Sheena, Nanny, Padan, Hope & Chance

*As we watched you grow,  
 Our dreams for you did show,  
 You filled our hearts with pride,  
 Your many talents you did not hide,  
 From your grades to your sports,  
 From the classroom to the courts,  
 From a contest to a field,  
 Your energy did not yield,  
 Through all the stresses life can hold,  
 You met them all by being bold,  
 In these words we are trying to say,  
 The wonderful person you are today,  
 We are proud of your many endeavors,  
 And we love you forever!!!!
