PRINCIPAL'S MESSAGE

I hope this book will provide you many pleasant memories of your classmates, friends, and events of your school.

I trust each of you will take advantage of the many educational opportunities available in your school to help you acquire a profession or skill so necessary to insure a successful future.

Mr. Delmus Hebert,
Principal

EDITOR'S MESSAGE

The 1975 Hornet is a student's view of a year that, in time, will become only a memory. The year 1975 will soon become almost indistinguishable from all other years that have passed, and those to come. Our way of preserving these memories at Grand Lake High School is by putting together this yearbook.

In this book, our focus is on the students outside of school, as well as in school. Our theme is "Keep on Truckin' . . ." which encourages everyone to keep on striving for higher goals in life.

On behalf of the staff, sponsors, and myself, I would like to thank everyone who helped and contributed to the 1975 annual.

Joyce Duhon,
Editor

GRAND LAKE HOMECOMING 1975

It wasn't easy . . .

but we made it.

The majority of students at Grand Lake High School are pure-blooded Cajuns, and like all true Cajuns they enjoy parties, crawfish, and the outdoor. This page highlights some of the outside activities the students enjoy.
