# Principal's Message

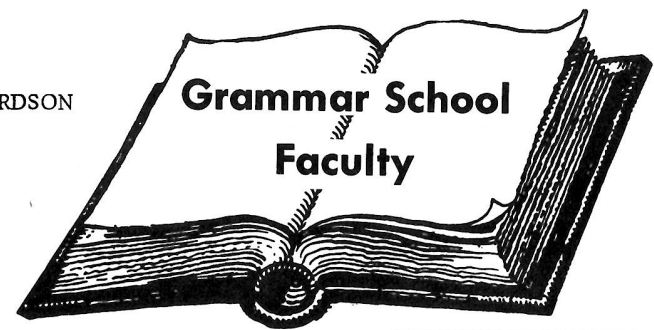

Through the years the Round Up has recorded the activities and spirit of our school. It reveals many of our basic common interests and purposes.

In the future some of you will scan its pages and a smile will creep across your face. The smile might even burst into laughter. Some will have a deep feeling of guilt and regret. You may even exclaim, "Why! Oh, Why, did I not study and take advantage of each opportunity?" Yes, you will live a life of regrets.

A truly great man loves his fellow man, thus putting him in direct touch with God who is love. Love of your fellow man, knowledge, and wisdom is the foundation of greatness.

## Foreword

We, the Annual Staff, proudly present to you, this, our 1962 annual. We hope that each and every one greatly enjoys this book, and that it may serve as a treasure house of golden memories, in which we may see at a glance our classmates, friends, and teachers, and may recall the many happy moments of school days spent at Hackberry High.

## Dedication

We, the staff of the 1962 Round Up gratefully dedicate this annual to Evans "Pew" Darbonne, who was always at hand when help, at any time, was needed. We extend this token of appreciation to you, for having so unselfishly given of your time and effort to the interests of Hackberry High School.
