Principal's Message

Congratulations to the Roundup Staff, sponsor, and all who have contributed to your annual. You students will derive much pleasure from it in the years to come.

As principal of Hackberry School, it is my sincere desire to continue to have a good school and for it to grow better each year. May each student develop the proper pride for his school and do those things which will be a credit to you, to your school, to your community, to your state, and to your nation.

Abraham Lincoln once said, "I will study and get ready and one day my chance will come." You now have an opportunity to study. Will you be prepared when your chance comes?

Set your goals high, have faith in God and your fellow man, believe in yourself, and you will finish the race of life successfully.

Sincerely yours,

M. G. RICHARDSON

Foreword

We, the annual staff of Hackberry High, wishing that our high school days not be forgotten, proudly announce the 1964 ROUND-UP.

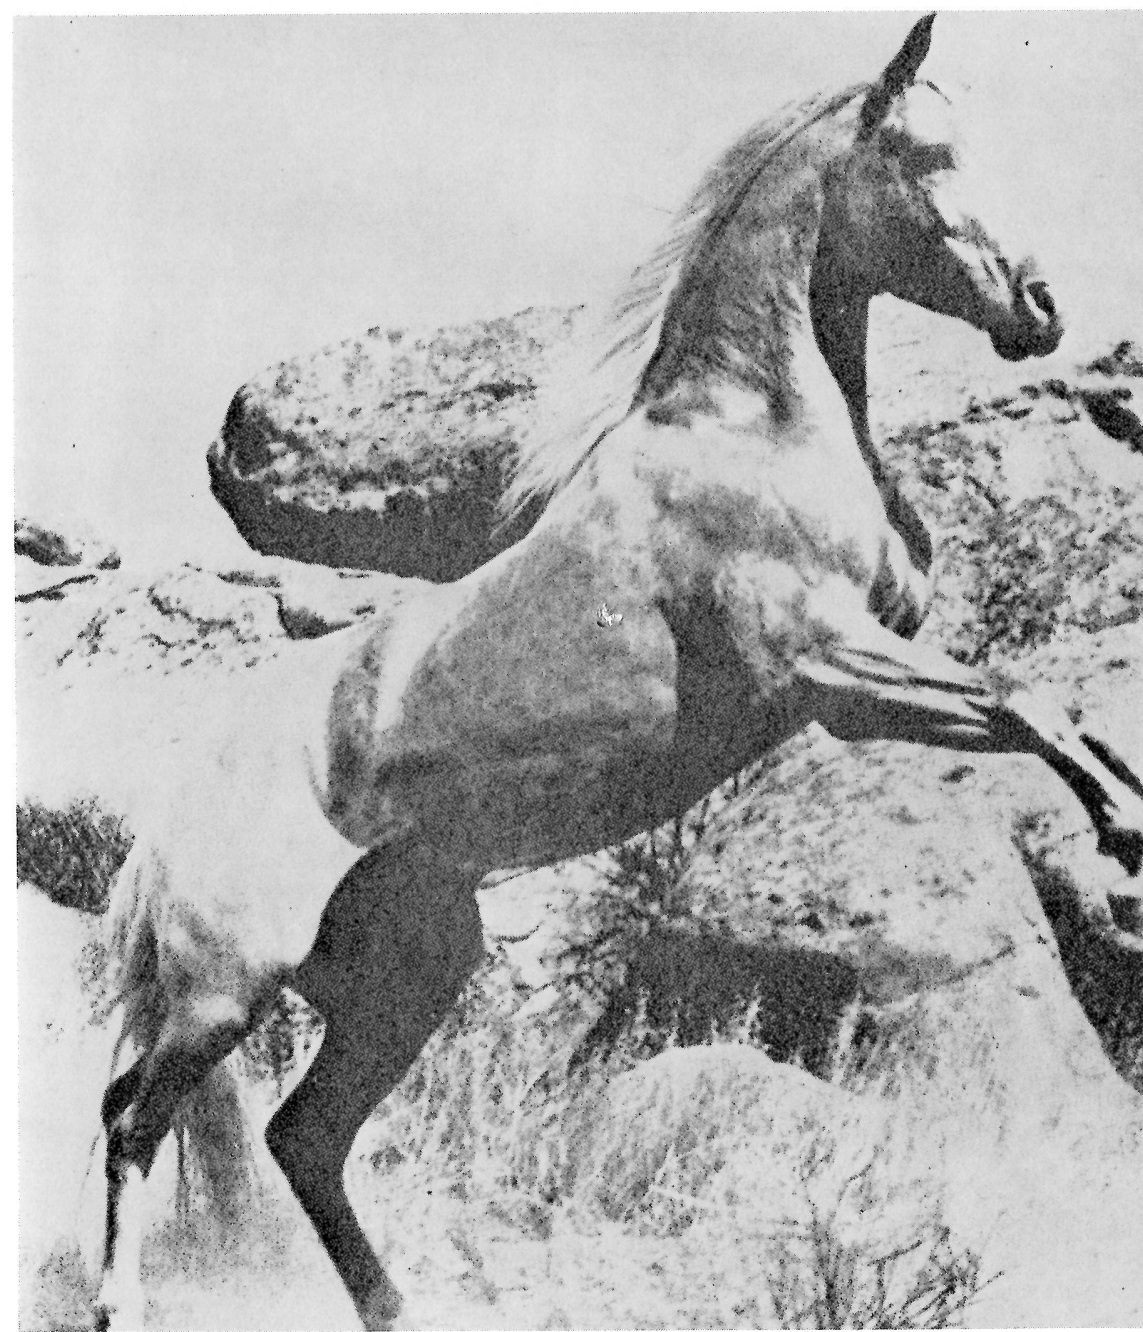

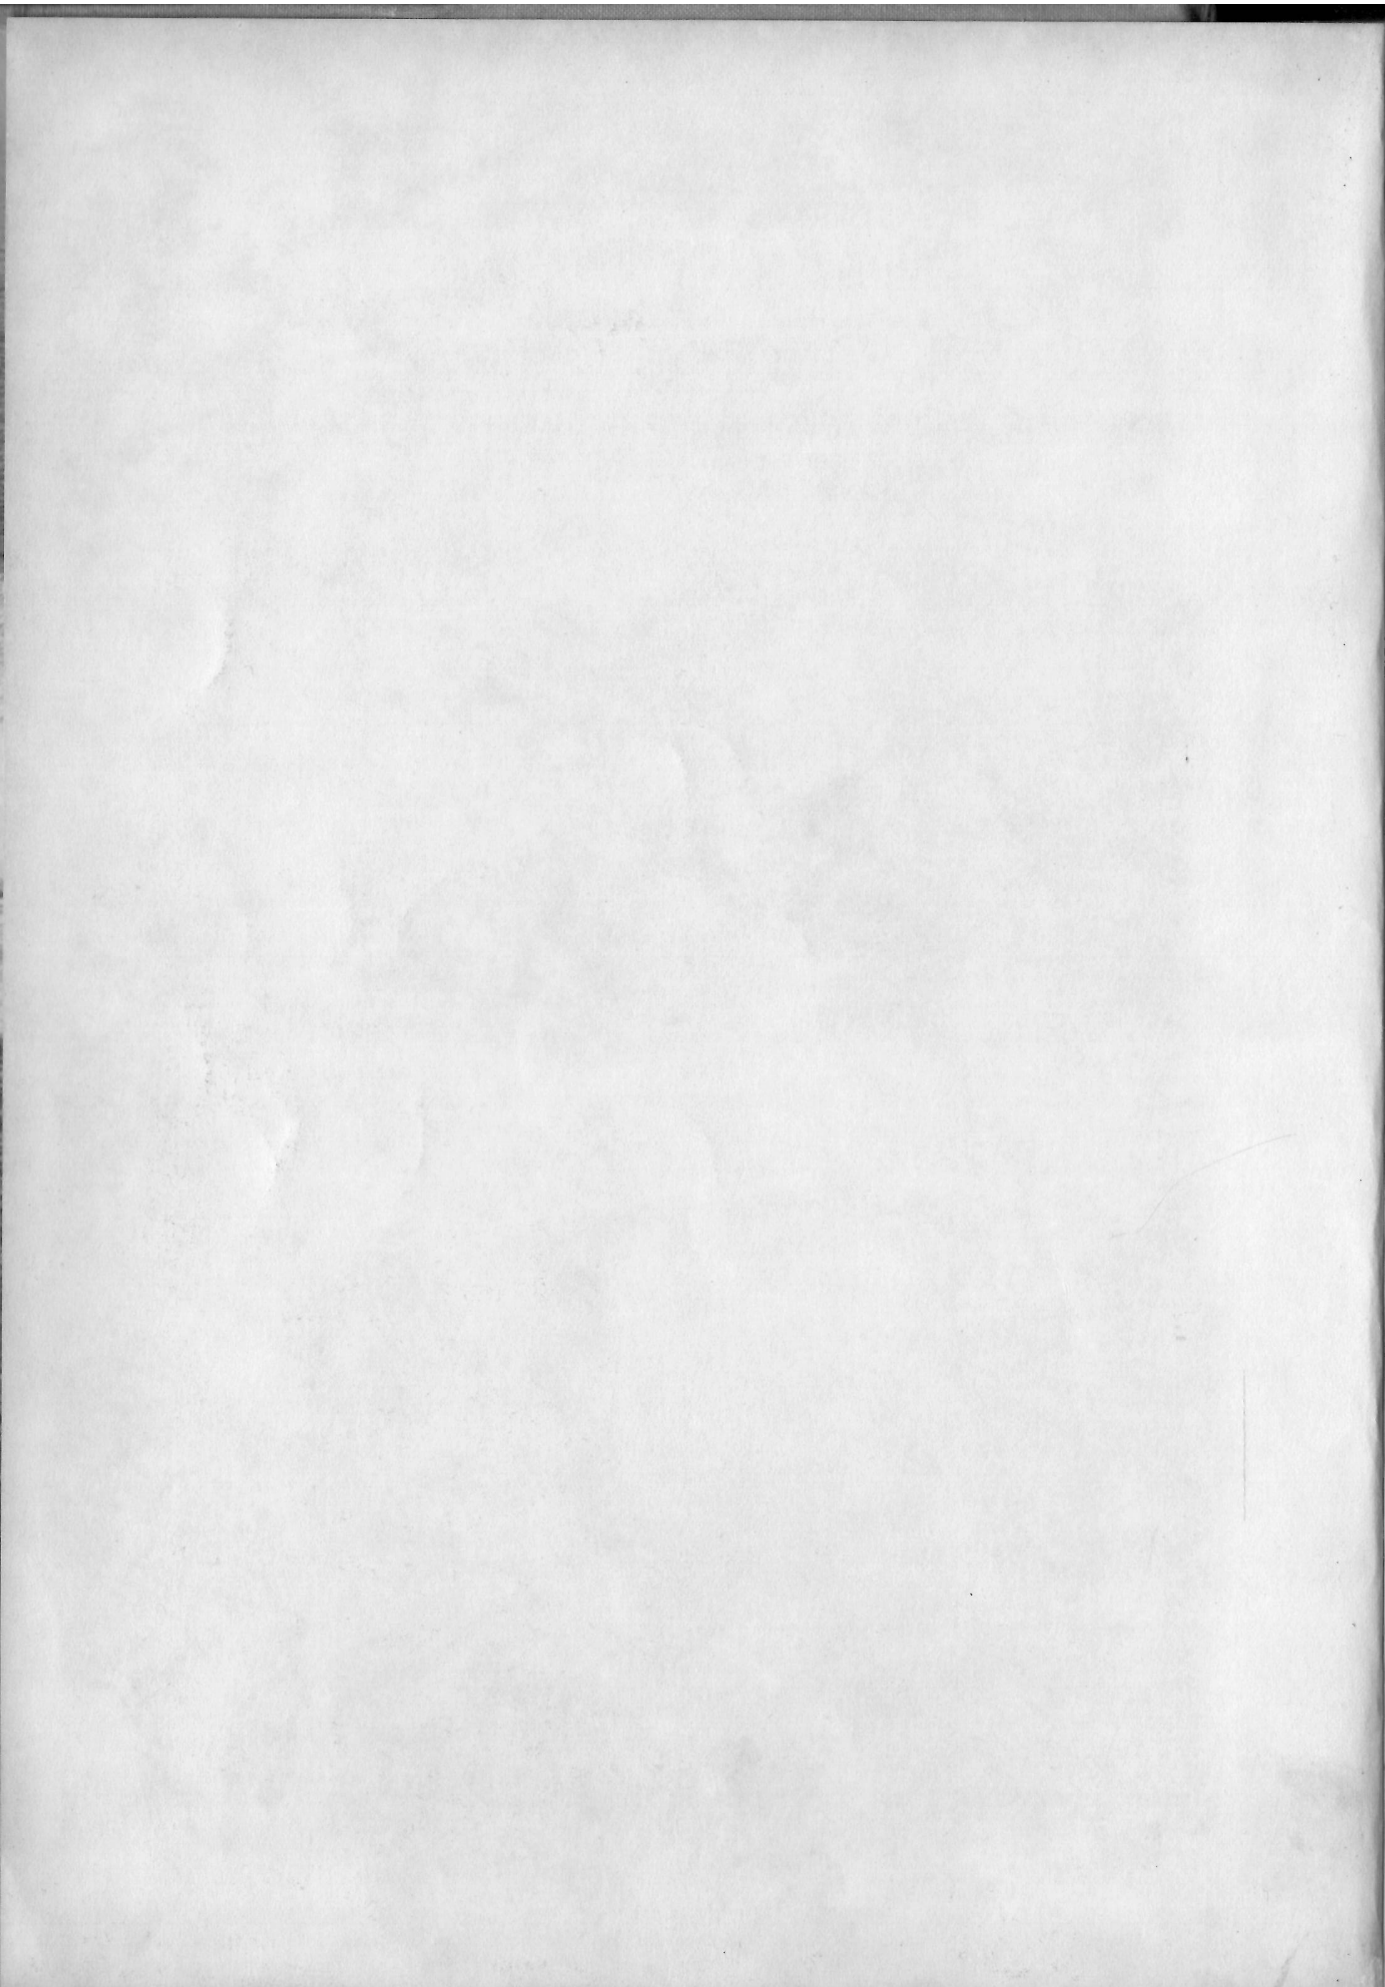

We sincerely hope that this book will be cherished many years by each student. It is our sincere desire that it will present a true picture of school days at H.H.S. and also bring back memories of teachers, schoolmates, and school life.

The 1964 Annual Staff of the Hackberry High School are proud to dedicate the 1964 Roundup to our parish superintendent, Mr. U. E. Hackett. He is a proven friend to every student and teacher in Cameron Parish.

We wish to express in this small way our sincere appreciation for a job well done by a dedicated man, who has given most of his life to helping boys and girls of this parish to grow into better citizens. He has worked without ceasing for our educational improvement.

Mr. Hackett, may God bless and keep you, is our sincerest wish.
