## Last Will and Testament of the Seniors of 1976

We, the Seniors of 1976, residents of Hackberry, Cameron Parish, Louisiana, being of lawful age and of sound and disposing mind and memory, and under no restraint, do publish and declare this to be our Last Will and Testament, hereby revoking all Wills and Codicils made by us heretofore.

1. I, Veronica East, will to Donna Benoit one thousand gallons of gas, one hundred sticks of gum, fifty combs and one year of silence after hearing, "Look at Bobby!" "OOH, he's handsome!" "Bobby." "Bobby."
2. I, Karen Baley, will Callie Cabel the traditional washrags. You are the most deserving person I can think of.
3. David Reeves wills his big ears to David Busby in hopes his mouth will shrink to match their size.
4. Gwen wills Larry her enormous record collection including "Good Lovin Gone Bad" by Bad Co. and some of her hair so he can glue it to his chest and be a real man.
5. Senior Class wills Beulah Drounett "Hot Breath" Abshire so she'll never have a dull moment in study hall.
6. Michael wills to Ricky a secret spot for his favorite begonia.
7. I, Theresa Ravia, will last years Prom nite and my favorite parking spot to Marguerita and Tina in hopes they arrive home before 8:00 a.m. GOOD LUCK!!
8. I, Linda Suchanek, do will my pleasant and peaceful mouth to Tammy Hicks for those poor people around her.
9. I, Donna Bruner, will Kathy Penny a safety belt with a shoulder harness so next time she goes down the road she won't bounce all over the ground and into a ditch. "Hang in there Kathy."
10. Cathy and Charlotte will to Harold Frey their secret fishing spot and their thousand and one ways to land a big one.
11. I, Sheldon Burlingham, will to Bobby Buford my beard and mustache that he didn't grow himself. And one bottle of Loving Care dye to enable everyone to see his peach fuzz.
12. I, Judie Drounett, will Sherry Duhon my ability to brown nose Mrs. Goodrich and allow her one time to mess me up while I'm doing my combination.
13. I, Dwayne Sanner, (alias monkey man) will Mary Clayton (alias monkey woman) exclusive rights to my banana groves and my starring role in The Planet of the Ape.
14. I, Scott Gray, will Bobby Navarre my streaking skills, and my ability to try to play basketball while intoxicated.
15. I, Marshall Spicer, will Michael Welch one of my All Tourney trophies which he has wanted since he was a basketball player. P.S. Don't come to my house tomorrow to get it.
16. We, the Senior Class will to Amy Broussard a new shadow with cowboy boots and spurs that jingle, jangle, jingle for the 1976-77 school year.
17. I, Jeanne Sanders, will my graceful ladylike appearance, magnificently slim shape and correct posture to Gwen Hebert so she may succeed in all her endeavors to win a beauty contest.
18. I, John Backlund, will to Bryan Little my taylor made attire, personal hair stylist and delicate foot wear.
19. We, the Senior Class, will to Carlean LaBorde the ability to distinguish fact from fiction. (And Carlean we know you don't understand this so just put cotton in your ears and ignore all rumors about Scott.)
20. I, Kirby Hebert, will to Terry Buford my will power not to eat but one meal a day and my maturity so he will have no desire to remain in middle grades play area.
21. Senior Class wills to Claudia Croker and Susie Morrow the ability to hang on to what they love most.
22. Senior Class wills Greg Labit all the kings' horses and all the kings' men to bring him back to school again.
23. I, Bussy Shove, will to Sandie Poole my drugstore cowgirl experience to rope any guy she wants and Do Do.
24. I, Brian Kershaw, will to Cindy Nunez my great coordination and perfect shots in basketball.
25. I, Marshall Spicer (better known as Hollywood crab), being of sound mind and pincher do hereby leave to taunt Debbie my Senior celebrity status.
26. I, Danny Sanner will to the entire Junior class my Van for one adventurous weekend on the Creole Nature Trail.
27. I, Terry Toups, will David Melancon. alias "Gusto" a new parking place in Centerville instead of the place he used last.
28. I, Karen Domingue, will to Callie Cabell my immense size and timid bashful personality.

In witness whereof, we hereunto set our hand at Hackberry, Louisiana, this 23rd day of April, 1976.  
Seniors of 1976
