

## LAST WILL AND TESTAMENT OF THE SENIORS OF 1980

We, the Seniors of 1980 residents of Hackberry, Louisiana, being of lawful age and of sound mind and memory, and under no restraint, do publish and declare this to be our Last Will and Testament, hereby revoking all Wills and Councils made by us heretofore.

We, the Seniors of 1980 being of sound mind and united bodies, will to Stacie Goodrich, 3 pounds a piece so that next time Quentin hugs her, he won't have to wrap his arms 3 times around her.

- I, Brent Navarre, being of sound mind and tiny body, will to Charlotte LaBauve my mastered ability to really be sick and not complain about it. I also will to Charlotte and all of the other Junior girls my ability not to talk about people behind their back namely Steve Trahan without whom their conversation would be impossible.
- I, Mike Vaughan, being of sound mind and body, will to Julie Addison: Toni, so that she can have some companionship when Scott and I are checking out the McNeese Cowgirls.
- I, Curtis "Alpo" Richmond, being of sound mind and solid frame, will to Darren "Crabber" East, my membership to the Steve Trahan Fan Club, with your own Steve Trahan card, Steve Trahan t-shirt, and Steve Trahan cowboy hat in hopes that he can be like his eternal idol.
- I, Dorothy Walther, being of intelligent mind and body, will to Toni Dennis my scientific ability to invent a flawless hickey-hider and a potion to make Mike disappear when she is mad at him.
- I, Theresá Powers, being of almost sound mind and plenty of body, will to John Lowery, my white bathing suit so that he can find the girl of his dreams, and he won't have to hang around with Bill Powers all his life, listening to him say "What'll we do now, John?"
- I, Scott Benoit, being of sound mind, will to Bill Morgan my Jr. initials which were handed down from Danny W., a face mask to keep the ball out of his face, and the ability to walk and chew gum at the same time.
- I, Liz Ducote, being of sound mind and twiggy figure, will to Holly Goodwin, my faster-than lightening mouth and my graceful, but swift walk, so that she can make it to class on time and never be at a loss for words.
- I, Steve Trahan, being of sound mind and great taste, personality, body, looks, and attitude will to Sharon Nunez, one solid black hog and a date with me.
- I, Gary East, alias Frizzy Haired Moron, being of sound mind and body hang up my wings in hopes that Brian Pitre will carry on my tinkerbell image. Remember Brian flying is harder than you think.
- I, Randolph "Ralph" Landry, being of absent mind and cool body, will Anita Abshire the ability to attend class and pass even though it may take a long time.
- I, "Kunta" Kent Darbonne, being of sound mind and plenty roots, will Captain F. Backlund, the money for a gut transplant in order to fulfill your life-long dream of becoming a high school rodeo star.
- I, Frances Hicks, being of sound mind and heavy top will to Sharon Nunez and Stacie Goodrich, (the only two girls in Hackberry with two backs), my cherished washrags so that you can go from flat to fluffy.

We, the Seniors of '80, being of sound mind and comical bodies, will to Donald a free ticket to Disneyland so that he can finally meet his life long dream Donald Duck.

- I, Alton Pooser, will to Troy Byler, my meek, patient, and submissive personality and a hammer for Lisa Gail to knock the chip off your shoulder.
- I, Jackie "Stoneface" Frey, being of sound mind and body will to Toni Dennis my sly ability to sit with the boys on the athletic bus without being caught . . . unless it just so happens someone tells the coach on you.
- I, Kathy "K.K. Squaw" Kyle, being of sound mind and tall body, will to Julie "LuLu" Addison the ability to try to receive orders for one week from Scott on a trial basis, some free polish for your buckle and realize Scott is playing 2nd to Vino!!!
- I, Todd "HammerJack" Little, being of little mind and bow legs, will to Mark Pooser my modest attitude, my nickname and all the Fringe benefits that no with it
- I, David Walther, will to Mona Hebert my chemical abilities to mix a unique compound to fry her head.
- I, Susie "Rerun" or "Worm" Dickerson, being of sound mind and plenty body, will to Stephanie Ellender my one and only life long problem. It's something that follows me wherever I go, it seems to be protruding out in back of me and one more hint it's very comfortable to sit on! Can you guess what it is? Right, it's Bertha!!
- I, Doug Spicer, will to Mike Johnson my superstar abilities so he can play any sport of his dreams, and when he comes back after the game he can brag to the world like I do.
- I, Charles Cabell, being of sound mind and bony knees, will to Samual Baily, my courage to ask for a date, my hairy chest and muscular body, as well as my ability to play volleyball. Sam, you can pick up the hairy chest and muscular body up at Sears, where they are on layaway.
- I, Jerry Snyder, being of sound mind, cool looks and unbuttoned shirt, will to Mike LeJune a flood to where his pants through, and a case of hairspray.

We, the Seniors of 80, being of sound mind and bodies, will to the Seniors of 81 the ability to party with something else besides milk and cookies.

- I, Donnie Mejia, being of sound mind and body, will Lisa Byler a handy, dandy can of Duane Bug Killer spray so maybe her and Troy can have a moment alone. But, remember Lisa it is only one can so use it wisely.
- I, Ricky Levi Pearson, being of sound mind and Catfish looking body, will to Gabe Schexnider, my good looks, my Mr. Atlas body, and my middle grade girls fan club in hopes that some day you can walk down the hall amidst swooning and screaming girls!!

#### **ADMINISTRATION**

Mrs. Pam LaFleur Principal

As I reflect back over the 1979-80 year, I recall many successes for HHS.

With the leadership of our fine faculty, our students enjoyed achievements such as going to the state science fair, the state social studies fair, and state literary rally.

In addition, our clubs were very active with endeavors such as FFA Rodeo, Student Council Carnival, 4-H Achievement day, and others too numerous to name. All were very successful ventures.

We, the faculty, staff, and student body, are proud of our school. We want to continue to have successes, and we want to improve in all areas.

The recent bond issue which was a tremendous success will greatly help bring about many improvements. Without the support of the people of Hackberry, none of these successes could be accomplished.

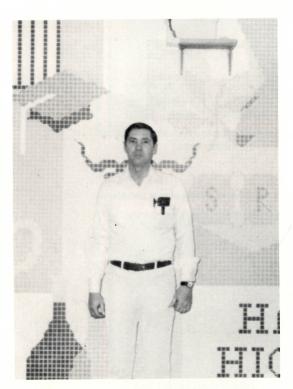

I sincerely compliment and thank you, the citizens of Hackberry.

I compliment our administration, faculty, staff, and student body for a successful 1979-80 school year. I also wish to compliment the many other members of our community who have contributed in many ways toward making the 1979-80 school year successful.

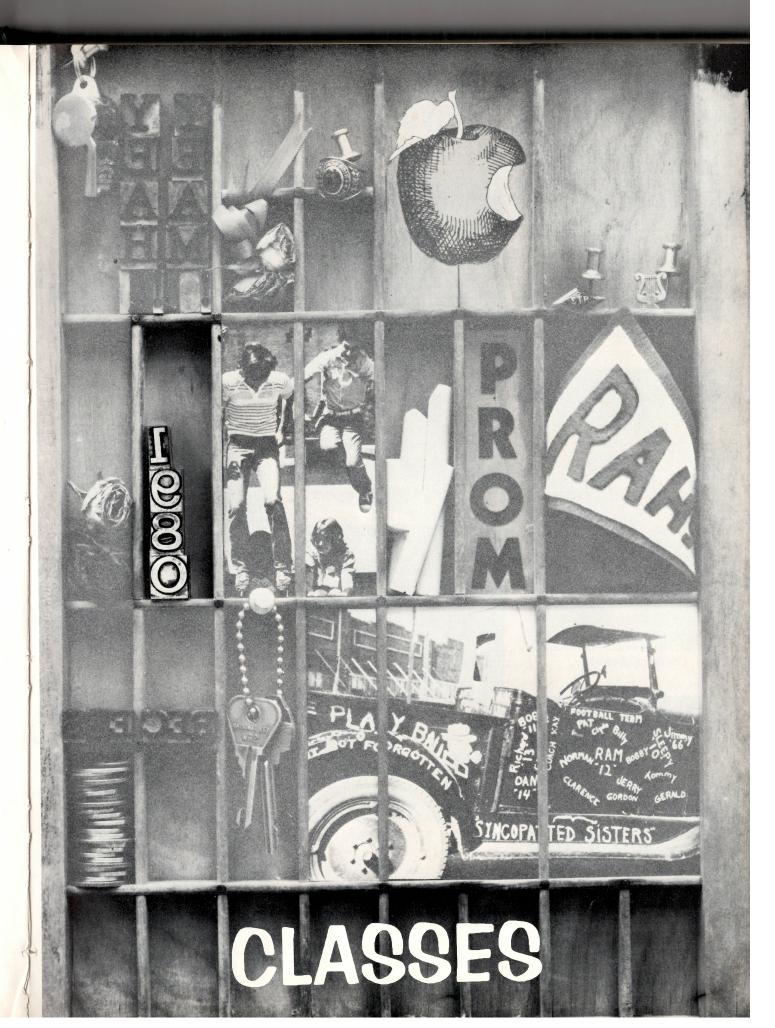

Everyone is urged to look to the future and to help in making every school year better than the last one. Actually, it matters little what the past has been, except for the lessons we have learned from it. Our prime concern should be the necessary changes we must make to create a happy and successful future.

Again, I wish to express my sincere appreciation to our community for honoring me with the opportunity to serve in the capacity of School Board Member.

John A. Debarge, Sr.

# LAST WILL AND TESTAMENT OF THE SENIORS OF 1980

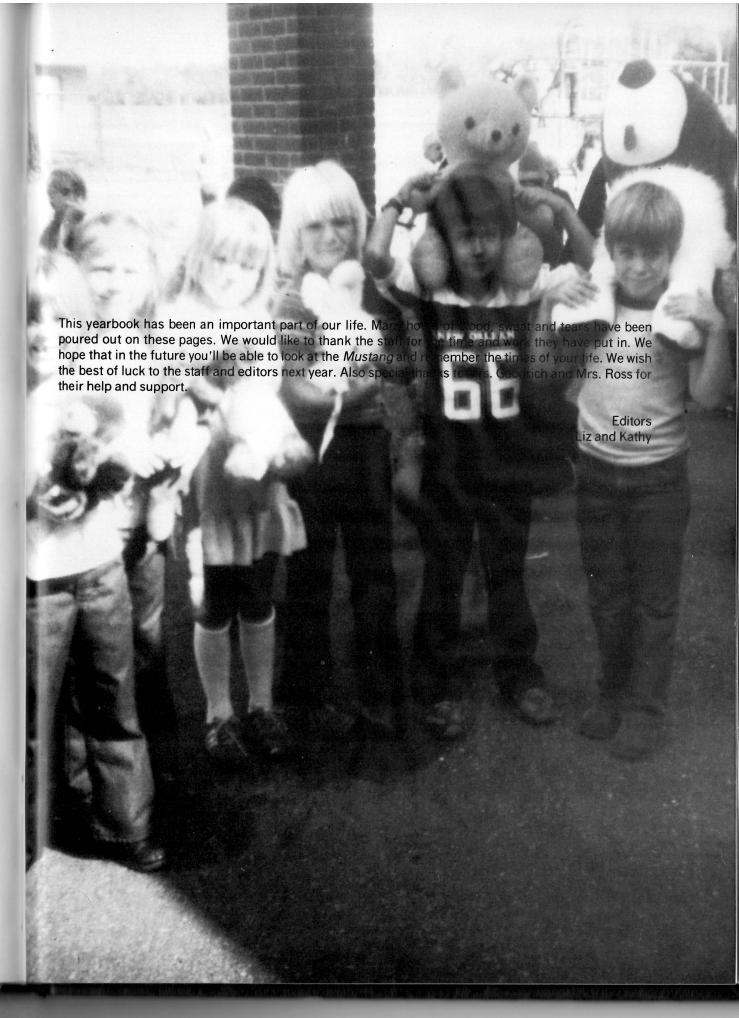

We, the Seniors of 1980 residents of Hackberry, Louisiana, being of lawful age and of sound mind and memory, and under no restraint, do publish and declare this to be our Last Will and Testament, hereby revoking all Wills and Councils made by us heretofore.

We, the Seniors of 1980 being of sound mind and united bodies, will to Stacie Goodrich, 3 pounds a piece so that next time Quentin hugs her, he won't have to wrap his arms 3 times around her.

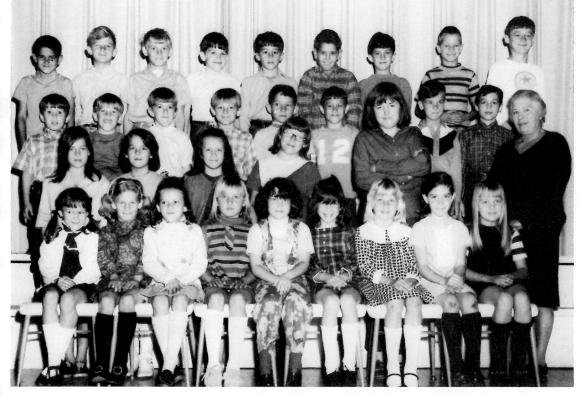

- I, Brent Navarre, being of sound mind and tiny body, will to Charlotte LaBauve my mastered ability to really be sick and not complain about it. I also will to Charlotte and all of the other Junior girls my ability not to talk about people behind their back namely Steve Trahan without whom their conversation would be impossible.
- I, Mike Vaughan, being of sound mind and body, will to Julie Addison: Toni, so that she can have some companionship when Scott and I are checking out the McNeese Cowgirls.
- I, Curtis "Alpo" Richmond, being of sound mind and solid frame, will to Darren "Crabber" East, my membership to the Steve Trahan Fan Club, with your own Steve Trahan card, Steve Trahan t-shirt, and Steve Trahan cowboy hat in hopes that he can be like his eternal idol.
- I, Dorothy Walther, being of intelligent mind and body, will to Toni Dennis my scientific ability to invent a flawless hickey-hider and a potion to make Mike disappear when she is mad at him.
- I, Theresá Powers, being of almost sound mind and plenty of body, will to John Lowery, my white bathing suit so that he can find the girl of his dreams, and he won't have to hang around with Bill Powers all his life, listening to him say "What'll we do now, John?"
- I, Scott Benoit, being of sound mind, will to Bill Morgan my Jr. initials which were handed down from Danny W., a face mask to keep the ball out of his face, and the ability to walk and chew gum at the same time.
- I, Liz Ducote, being of sound mind and twiggy figure, will to Holly Goodwin, my faster-than lightening mouth and my graceful, but swift walk, so that she can make it to class on time and never be at a loss for words.
- I, Steve Trahan, being of sound mind and great taste, personality, body, looks, and attitude will to Sharon Nunez, one solid black hog and a date with me.
- I, Gary East, alias Frizzy Haired Moron, being of sound mind and body hang up my wings in hopes that Brian Pitre will carry on my tinkerbell image. Remember Brian flying is harder than you think.
- I, Randolph "Ralph" Landry, being of absent mind and *cool* body, will Anita Abshire the ability to attend class and pass even though it may take a long time.
- I, "Kunta" Kent Darbonne, being of sound mind and plenty roots, will Captain F. Backlund, the money for a gut transplant in order to fulfill your life-long dream of becoming a high school rodeo star.
- I, Frances Hicks, being of sound mind and heavy top will to Sharon Nunez and Stacie Goodrich, (the only two girls in Hackberry with two backs), my cherished washrags so that you can go from flat to fluffy.

We, the Seniors of '80, being of sound mind and comical bodies, will to Donald a free ticket to Disneyland so that he can finally meet his life long dream Donald Duck.

- I, Alton Pooser, will to Troy Byler, my meek, patient, and submissive personality and a hammer for Lisa Gail to knock the chip off your shoulder.
- I, Jackie "Stoneface" Frey, being of sound mind and body will to Toni Dennis my sly ability to sit with the boys on the athletic bus without being caught . . . unless it just so happens someone tells the coach on you.
- I, Kathy "K.K. Squaw" Kyle, being of sound mind and tall body, will to Julie "LuLu" Addison the ability to try to receive orders for one week from Scott on a trial basis, some free polish for your buckle and realize Scott is playing 2nd to Vino!!!
- I, Todd "HammerJack" Little, being of little mind and bow legs, will to Mark Pooser my modest attitude, my nickname and all the Fringe benefits that go with it.
- I, David Walther, will to Mona Hebert my chemical abilities to mix a unique compound to fry her head.
- I, Susie "Rerun" or "Worm" Dickerson, being of sound mind and plenty body, will to Stephanie Ellender my one and only life long problem. It's something that follows me wherever I go, it seems to be protruding out in back of me and one more hint it's very comfortable to sit on! Can you guess what it is? Right, it's Bertha!!
- I, Doug Spicer, will to Mike Johnson my superstar abilities so he can play any sport of his dreams, and when he comes back after the game he can brag to the world like I do.
- I, Charles Cabell, being of sound mind and bony knees, will to Samual Baily, my courage to ask for a date, my hairy chest and muscular body, as well as my ability to play volleyball. Sam, you can pick up the hairy chest and muscular body up at Sears, where they are on layaway.
- I, Jerry Snyder, being of sound mind, cool looks and unbuttoned shirt, will to Mike LeJune a flood to where his pants through, and a case of hairspray.
- We, the Seniors of 80, being of sound mind and bodies, will to the Seniors of 81 the ability to party with something else besides milk and cookies.
- I, Donnie Mejia, being of sound mind and body, will Lisa Byler a handy, dandy can of Duane Bug Killer spray so maybe her and Troy can have a moment alone. But, remember Lisa it is only one can so use it wisely.
- I, Ricky Levi Pearson, being of sound mind and Catfish looking body, will to Gabe Schexnider, my good looks, my Mr. Atlas body, and my middle grade girls fan club in hopes that some day you can walk down the hall amidst swooning and screaming girls!!-

Mrs. Pam LaFleur Principal

As I reflect back over the 1979-80 year, I recall many successes for HHS.

With the leadership of our fine faculty, our students enjoyed achievements such as going to the state science fair, the state social studies fair, and state literary rally.

In addition, our clubs were very active with endeavors such as FFA Rodeo, Student Council Carnival, 4-H Achievement day, and others too numerous to name. All were very successful ventures.

We, the faculty, staff, and student body, are proud of our school. We want to continue to have successes, and we want to improve in all areas.

The recent bond issue which was a tremendous success will greatly help bring about many improvements. Without the support of the people of Hackberry, none of these successes could be accomplished.

I sincerely compliment and thank you, the citizens of Hackberry.

I compliment our administration, faculty, staff, and student body for a successful 1979-80 school year. I also wish to compliment the many other members of our community who have contributed in many ways toward making the 1979-80 school year successful.

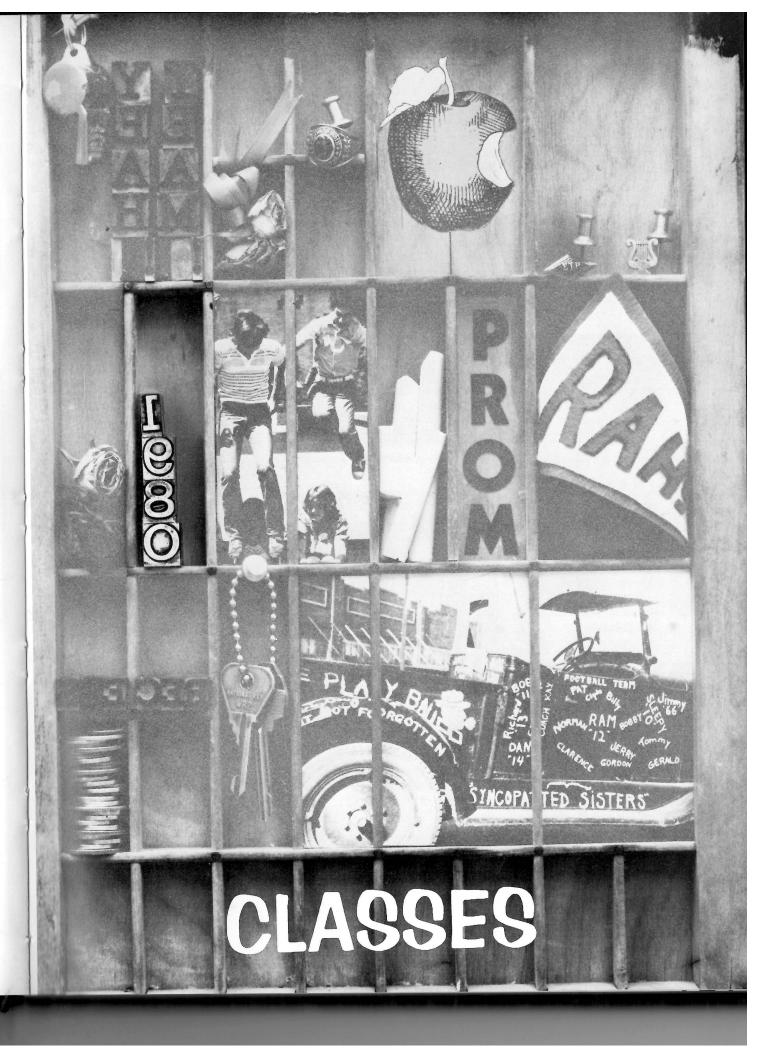

Everyone is urged to look to the future and to help in making every school year better than the last one. Actually, it matters little what the past has been, except for the lessons we have learned from it. Our prime concern should be the necessary changes we must make to create a happy and successful future.

Again, I wish to express my sincere appreciation to our community for honoring me with the opportunity to serve in the capacity of School Board Member.
