MUSTANG

We, the editors of the yearbook, would like to express our appreciation to everyone who has helped us put this annual together. It has been a lot of work, but it has also been a lot of fun.

We hope that this is something that will mean a lot to everyone, and that it will keep alive many memories for many people.

We know that as time goes on, we ourselves will treasure this record of events more and more. We sincerely hope this will be true for everyone else who has one.

Always,

Stacy Goodrich Habe Schermider

LAST WILL AND TESTAMENTS OF THE **SENIORS OF 1981**

We, the Seniors of 1981, residents of Hackberry, Louisiana, being of lawful age and of sound mind and memory, and under no restraint, so publish and declare this to be our Last Will and Testament, hereby revoking all Wills and Codicils made by us herefore.

I, Anita Abshire, being of scattered mind and frizzy hair, will to Sharon East the courage to get a new hairstyle and a new pair of jogging shoes to run around the block with Dean.

We, Troy Byler and Gabe Schexnider, being of strong body, will to Donald East. Wendell Bufford, and Bill Powers our State Wrestling Titles in hopes that one day they will have one of their own.

I, Mike LeJeune, being of immovible hair and manly mustache, will to Bill Powers a new set of charcoal pencils to use until the hair starts to grow on your lip.

I, John Lowery, will to Wendell "Squeaky" Bufford my deep voice in hopes that when he answers the

phone they will ask for his mother instead of her mother.

I, Charlotte LaBauve, being of sound mind and body, will to Ellie Courmier a years supply of absentee

I, "Captain F. P." Frank Backlund, being of great athletic ability, charm and good looks, will to Jack East the ability to play ball instead of being a manager.

I. Sam "Chickenman" Baley, will to Deral Domingue the ability to know what is going on in class even if

I, Lisa Byler, give to Bitsy "Bertha Butt" Shove the title to Martini's truck so that she can finally say 'That's my truck!'

I, Bill "Legs" Morgan, will to Craig Bruner my height in hopes that one day you'll be able to look down on

I, Darren "Crabber" East, will to Kevin "Chuckie" LaBauve my membership to the Steve Trahan fan club, with your own Steve Trahan Card, Steve Trahan t-shirt, and Steve Trahan cowboy hat in hopes that he can be like his eternal idol.

I, Brian "Tinky" Pitre, will to Deral Domingue my Tinkerbell Image. FLY AWAY!!!

I, Sam Baley, being of intelligent mind and chicken legs, will to Quentin Busby the ability to do your homework without Stacy making you.

I, Mark Pooser, will to Stephenie "Taco Bell Queen" Goodrich, Crabber. We would hate to break up a matched set of Taco Bell supporters. I, Mike LeJeune, will to Rose Richard my good looks, charm, quietness, and my gold plates can of hair-

spray in hopes that you will use them to your advantage. I, LuLu Benoit, will to April Leger the ability to kick the manure out of Minoo in your new cowboy boots so

vou will finally be a true Kicker. I, Mike "Giggles" Johnson, will to Glenn "Gopher" Jinks, my position on the basketball team and my partnership to Scott Drost.

I, Toni Dennis Vaughan, being of sound mind, will to Pebbles "Rocks" Hicks the ability to talk about someone behind their back without them finding out.

I, Stacy Goodrich, being of sound mind and body, will to Quentin Busby the ability to put me before his truck, motorcycle, and job. I also will him the ability to control his temper in public.

I, Brian Ebrau Pitre, will to Wesley Hardin a sure fire hangover cure.

I, Stephanie Ellender, being of sound mind and body will to Sabrina "Chatterbox" Winton a minute of silence because she never shuts up and the ability to go to the source of a problem instead of an innocent bystander.

I, Bill "J. R." Morgan, will to Scott Kyle the traditional J. R. initials.

We, Sharon Nunez and Stacy Goodrich, being of great mind and little else, will to Theresa Lyons the traditional washrags, because we aren't the only two girls in Hackberry with two backs.

I. Darren "Crabber" East, will to Randy Broussard my lifetime membership to the Taco Bell Club and a pair of earplugs to tune out Sabrina.

I, Gabe Schexnider, will to my sister Lynn Schexnider my leadership abilities, my open mind and closed mouth, and the ability to do something without Stephanie Goodrich sitting on your shoulder. I. Charlotte LaBauve, being of devious mind, will to Anjanette "Wienie" Vincent the ability to get away

with coming in at all hours of the night without your mother finding out. I, Mona Hebert, will to Rhoda Stout the ability to know when Binky is not telling the whole truth and nothing but the truth.

We, the Seniors of 1981, will to Dean Whitehurst the ability to drink and walk at the same time. We also give to Dean, Sharon East, when he does decide to drink.

We, the English IV Class of 1981, will to the Seniors of 1982 our ability to eat during class, talk and not do our homework and still pass English.

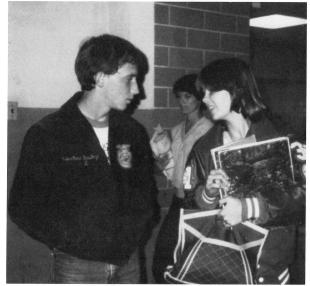

We, the Seniors of 1981, being of sound mind and wild parties, will to these Seniors of 1982 our macho image and fantastic personality in hopes that one of these days, they will be as great as we are!!!

THE 1981 PROPHECY

As we, the Seniors of 82, look into the future:

We see Anita A. as the new driver's ed. teacher at Hackberry High and wrecking the dayold car on the way to pick up her first student.

We see Frank B. finally trapping a girl instead of muskrats.

We see Bill M. getting over Stephanie and pulling the dents out of his truck.

We see Sir Samuel Baley going to LSU like his Dad always wanted, and becoming the new mascot.

We see Stacy G. letting Quentin walk 3 inches away from her to talk to a female without getting mad, even if it is Mrs. Walther.

We see John L. no longer an accident looking for a place to happen.

We see Donald (Duck) Soirez starring in his own television series starting off the show singing M-I-C-K-E-Y M-O-U-S-E.

We see Lisa and Troy finally going on a date together and coming home together.

We see Mike L. as the new Enos.

We see Sharon N. marrying Jonathan Vallet and having Diana Sue as her maid of honor.

We see Brian P. still wondering whether it's his weekend or not.

We see Mark P. getting 75 blinks a minute.

We see Darren and the Crabbers coming back to win the volleyball tournament in the year 2000.

We see LuLu B. as owner of the Vino Riding School, with Scott standing by her side as her prized hired hand.

We see Stephanie E. holding two boyfriends at the same time without both of them showing up at her house on the same night.

We see Gabe S. being adopted by Mr. Sanders so he can inherit the family business.

We see Toni V. divorcing Mike on the grounds that he didn't take her to the Plantation House every weekend.

We see Mike J. finally winning Anjanette from Brian.

We see Mona H. marrying her orthodontist after continually seeing him 3 times a week for 2 years.

We see Charlotte L. traveling 100 miles an hour all the way to Hazzard County just to see Roscoe.

Mrs. Pamela LaFleur, Principal

School Board Member's Message

I would like to take this opportunity to compliment Hackberry High School — students, faculty, staff, and administration for a successful 1980-1981 school year. I would also like to take this opportunity to urge everyone concerned to strive to make the 1981-82 school year better than 1980-81.

I would like to share the following, the source of which I don't know, but feel that it contains a great deal of truth:

THE MOST VALUABLE THING

I am the most desirable thing in life. Without me no one can be healthy, happy, or useful. Without me, hidden wealth and vast resources of this earth would have no value. Men and women who try to get along without me are characterless, selfish, undeveloped, useless, and unprofitable members of society. I am behind every fortune, every art and science, every achievement, every triumph of man. Rich men and poor men alike often try to find substitutes for me, hoping thereby to secure a larger measure of happiness, peace, and satisfaction, but they are always bitterly disappointed. Instead of gain, every substitute for me brings them infinite loss. As the creator is greater than the creature, so am I greater than wealth, power, fame, learning, or any other acquired possession or quality of many, because I am the source from which he acquired them. I AM WORK!!!

Principal's Message

"There are efforts and there are results. And it is the strength of the effort that usually determines the size of the result."

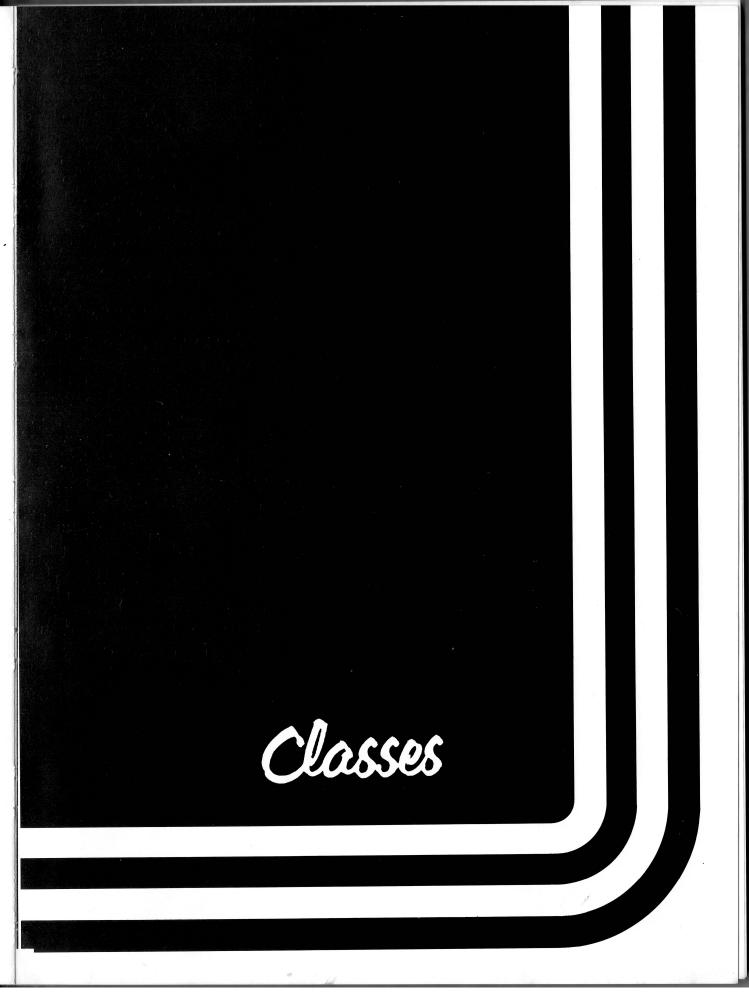

E. F. Girard

As we measure the results of this school year we see many areas in which the planning and hard work resulted in success. However, we will also find areas in which we need to improve. These areas will be the ones in which we put the least amount of effort.

Each of us — faculty, staff, parents, and students — need to evaluate our progress this school year. We need to set our goals for the next school year. But more importantly we need to put forth the effort needed to achieve these goals.

The greater the effort, the greater the results. Let's work together to make the 1981-82 school year one of maximum effort and outstanding achievement.

ANOTHER YEAR WITH THE BEST

Beauty is in the eye of the beholder.

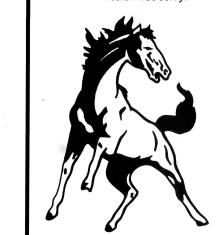

What do I say now?

I said I was sorry.

Hackberry High School Alma Mater

Far across the sweeping prairie
With its lovely hue
Stands our noble alma mater
Glorious to view
Lift the chorus, speed it onward
Loud her praises tell
Hail to thee our alma mater
Hail, Hackberry, Hail.

Is my lunch ready yet?

How sweet it is!
