What's a Student Loan?

It's a way for you to pay for your educational expenses. Calcasieu Marine National Bank's student loans are for high school seniors entering college, students already enrolled in college, and persons wanting to go back to college.

CM's student loans provide lower interest rates and lower monthly payments than regular consumer loans, and repayment is usually delayed until you are no longer enrolled in college.

The Programs

Under the Federal Family Education Loan Program (formerly, Guaranteed Student Loan), CM offers you four different types of student loan programs when you attend the 2-year, 4-year, or graduate school of your choice. They are:

- The Unsubsidized Federal Stafford, - The Federal Stafford,
- The Federal SLS, and - The Federal PLUS.

Some financial institutions do not fully participate in the Federal Family Education Loan Program (FFELP), and therefore can't offer you all these programs as CM does.

Need Help?

If you have any questions or concerns about obtaining your student loan, please contact one of our Student Loan Representatives in our full-service Student Loan Department, between 8:00 a.m. and 5:30 p.m., Monday through Friday, at 318-494-3407.

Other CM Services

We can also provide you with a checking account - especially designed for students - with no minimum balance requirements and a low monthly fee. And, with our new ATM system, you can withdraw cash, check account balances, transfer funds, and make deposits to your account 24 hours a day, 365 days a year, at 20 strategically-placed machines.

Plus, we offer the greatest hours of any financial institution in our area.

HOMECOMING WEEK: NOVEMBER 15-19

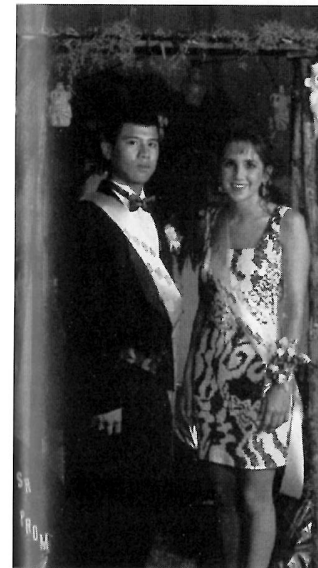

Homecoming week is always exciting. There is a theme for each day, and students in K-12 dress accordingly. Grades 9-12 designed class shirts and wore them to the pep rally on Friday. It was attended by the entire school. Our cheerleaders and dancers performed and exchanged homecoming garters with athletes, court members and coaches. School was let out for the Thanksgiving holidays and everyone went home to get dressed for the big night. This year the classes of 73 and 83 were honored. The Homecoming Court was presented before the ball games. Both our boy's and girl's team played Reeves, and were victorious. The Beta Club sponsored a homecoming dance after the games. It was the perfect ending to an exciting week!

ATHLETIC BANQUET

... what an athlete!

H.H.S. held its annual Athletic Banquet on May 16. Everyone enjoyed a delicious meal that was prepared and served by the Booster Club. After the meal, our athletes

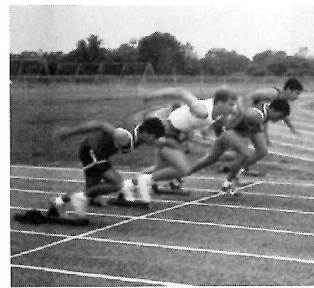

were recognized for their participation in baseball, basketball, softball and track. Our teams were all successful this year and represented H.H.S. well.

Measure an athlete by his heart, not his body. The size of his heart will mean the difference in success and failure.

CITGO PERFORMANCE PLUS BAND

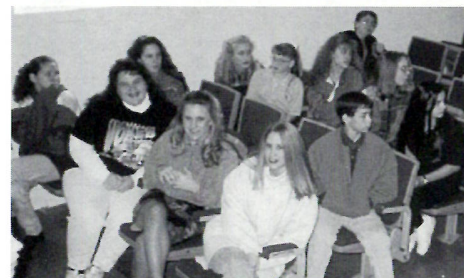

Singing, dancing and entertainment by members of the band held the students and faculty captive. Impersonations of Billy Ray Cyrus and Elvis proved to be the favorites as the band members moved throughout the gym, inviting students and faculty to get involved in the activities. Messages stressed during the performance included having a positive attitude, resisting peer pressure and encouraging the audience to "SAY NO TO DRUGS."

D.A.R.E. PROGRAM

Drug Abuse Resistance Education

Both fifth grades completed all requirements for the D.A.R.E. Program. Deputy Herman Precht, the instructor, met with each class once a week, for 17 weeks. Students had to fill out a workbook and write an essay about what they learned. Seniors Jaime Devall and Angela

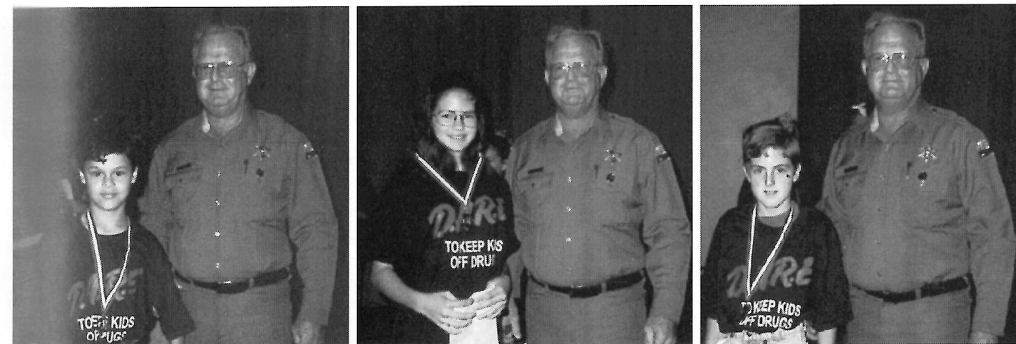

Seay spoke to and answered questions from the kids. They stressed that you can say NO to drugs and still be popular. D.A.R.E. graduation ceremonies were held in the auditorium and special guests were Deputy Herman Precht, Sheriff So-

Jason Bellard composed a poem and Ms. Becky Rollins put music to the words.

DRUGS by Jason Bellard

Drugs are like mother nature's worst fears
A drop of waste in the ocean's tears
Life should be filled with good health
I don't take drugs cause I love myself
Here is what I want to say
Drugs never are okay
I like to draw and I love to sing
Life is a very beautiful thing
D.A.R.E. dare is what's good for me
Drugs are some very harmful things
Abuse I don't want to bring
Resistance is what I like
Education makes me feel so bright
D.A.R.E. I am what I want to be

Grand Finale: "Surfin USA"

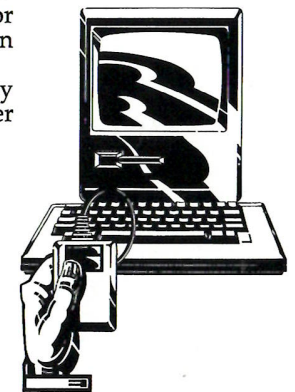

Loving words to others cost very little as we journey up the hill of life. However, they make the weak much stronger as they strive to achieve. We must remember, that a kind word is never wasted or said in vain and reaps many rewards in return.

OPERATION GRADUATION

The Senior Class of 1994 celebrated their graduation party "drug-free." The Operation Graduation proved to be an overwhelming success.

Each senior invited five guests, who were given coupons to play games and outdoor activities. The seniors were lured into the lobby to be given "1994 Glow-in-the-Dark" designer glasses and cameras to capture that magic moment.

Everyone enjoyed playing Wheel of Fortune hosted by Ruthie "Vanna" Billedeaux, The Price Might Be Right hosted by JoAnn "Roddy-Come On Down" Daigle and Jo "Barker-Beauty" Arceneaux and Bingo hosted by the "Bingo Babes" Robbie Abshire and Deannie Seay. Other games played by

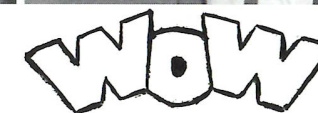

everyone were, Spin the Wheel, the Color Game and Twenty-One. Seniors "only" won special prizes for Guess Who the Senior Baby is, a Scavenger Hunt and door prize drawings.

Music by Marvin Simon and Deep South Productions livened up the festivities and of course refreshments put the icing on the cake!

Thank you to all who supported Operation Graduation. Special thanks to Cameron Telephone for donating the stereo system, won by Sue, the 3 foot Mickey and Minnie, won by Courtney, and many other prizes used for games and door prizes throughout the evening.

33 Years in Education

Education does not mean teaching people what they do not know. It means teaching them to behave as they do not behave. It is not teaching the youth the shapes of letters and the tricks of numbers, and then leaving them to turn their math to roguery, and their literature to lust. It means, on the contrary, training them into the perfect ex-

ercise and kingly continence of their bodies and souls. It is a painful, continual and difficult work to be done by kindness, by watching, by warning, by precept, and by praise, but above all — by example. For her example of 33 years of dedicated service to Hackberry High School, we dedicate this yearbook to Mrs. Beverly Goodrich.

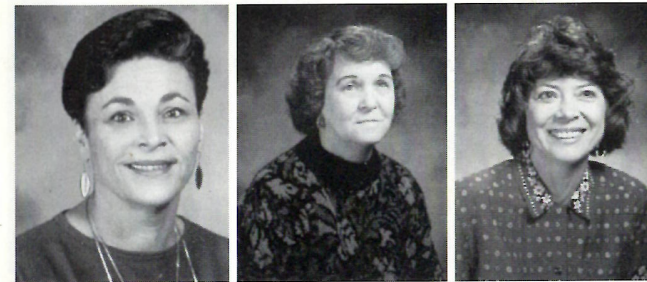

"So, what's your problem?" No problem!

H.S. would like to thank you for your 33 years of:

- Guidance
- Opinions
- Objectivity
- Discipline
- Reliability
- Insight
- Character
- Humor

PRINCIPAL PAM LAFLEUR

As this year draws to a close, it brings with it the end of a very successful career, that of our Assistant Principal, Mrs. Beverly Goodrich.

I have been associated with her in many capacities — as a student, as a co-worker, and as a friend. In each capacity, I have admired and appreciated her dedication to the students, school, church, and community.

I want to take this opportunity to commend her for a job "well done" and to wish her the best life has to offer. Enjoy your retirement!

God Bless You
Pam LaFleur
