REEL LIFE

Rack up another hit for **Jim Carey**. Irresistible even when he's covered in green from head to foot. The Whos in Whoville are a must-see in Dr. Suess's "How the Grinch Stole Christmas."

There was something for everybody on the big screen this year. claymation genius brought the chickens of Tweedy's farm hilariously to life as they worked up a plan to fly the coop in "Chicken Run." "Shanghai Noon," with Owen Wilson and Jackie Chan heading out West to rescue Princess Pei-Pei, played by Lucy Liu. And **Buzz Lightyear** came to the rescue, and beyond, leading the troops on a mission to bring Woody back in "Toy Story 2." "Pay It Forward" proved it's possible to change the world and it doesn't have to be a big thing. Kevin Spacey, Helen Hunt and wonderkid Haley Joel Osment inspired us all to do a favor or two or three and make this world a better place.

X-termination avoided, thanks to the X-Men. Enlightened **Professor Xavier** provides a safe haven for the world's newest and most persecuted minority, a group of mutant, genetically-gifted human beings called the **X-Men**. Their struggle against hostile Government agencies and mutant supremacist Magneto made "X-Men" one of this summer's biggest smash hits.

Inventions topped inventions.

This year, we saw cable lines not only enhance television but surfing speed and e-commerce as well.

Electronic organizers rock.

From the palm of your hand you can check e-mail, invest in futures or buy a present for Mom.

Oh yeah, and get organized.

The newest digital cameras have greater picture quality as well as roomier disk space,

while the next generation MP3s are smaller, faster, more portable, and provide better-than-ever sound quality.

Playstation 2 and the latest Nintendo made the virtual world more entertaining.

Toyota was among the future-thinking car companies to introduce hybrid cars.

Half -electric and half gasoline-powered, these new wheels will eventually be as easy on the pocketbook as they are on the planet.

Performers

like Hoku and Jakob Dylan of the Wallflowers emerged from the shadows of their famous parents.

Blink-182

lets their California style influence their wardrobe and music, which led them to an MTV music award for "All the Small Things."

Globalization

has had a profound effect on the style-music industry. Latin's back with a bang with the return of Carlos Santana and the rise of Enrique Inglesias along with Christina Aguilera's release of a Latin-style CD this year. And we saw Ricky Martin going global with a tour reaching as far as Austral-Asia.

On the local scene, many underground performers have been rocketed into the mainstream, as was Moby, the one-time New York DJ, with the immensely popular "Play," image is everything.

Madonna came alive (what else is new) with her new "Music," reinvigorating her original dance-music roots.

Unbelievably, this mother of two has topped the charts for some three decades now.

Her concert,

performed in a London pub, was one of the most-watched events on the Internet to date.

And with MTV, VH1, Napster, and others, the faces of today's performers are seen live everywhere.

For pop princesses like Britney Spears, Christina Aguilera and Aaliyah, as well as the ubiquitous boy bands, image is as big as (maybe bigger than) their music.

For performers like the Backstreet Boys, LFO, 98° and especially *NSYNC, style is the substance of pop.

Check out their live shows.

Caution. Heavy traffic ahead.

As in new millennium traffic. It seems like the more info there is, the harder it is to be informed. Technology promises a bright new age but it's still hard to communicate. Some things never change.

The Pope journeyed to the Holy Land and prayed for peace, while conflicts between Israelis and Palestinians raged.

Allegedly linked to the unrest, the USS Cole was bombed off the coast of Yemen. This year we remember with honors entertainer Steve Allen, actors Walter Matthau, Jason Robards, and Alec Guinness.

SO WHERE ARE WE?

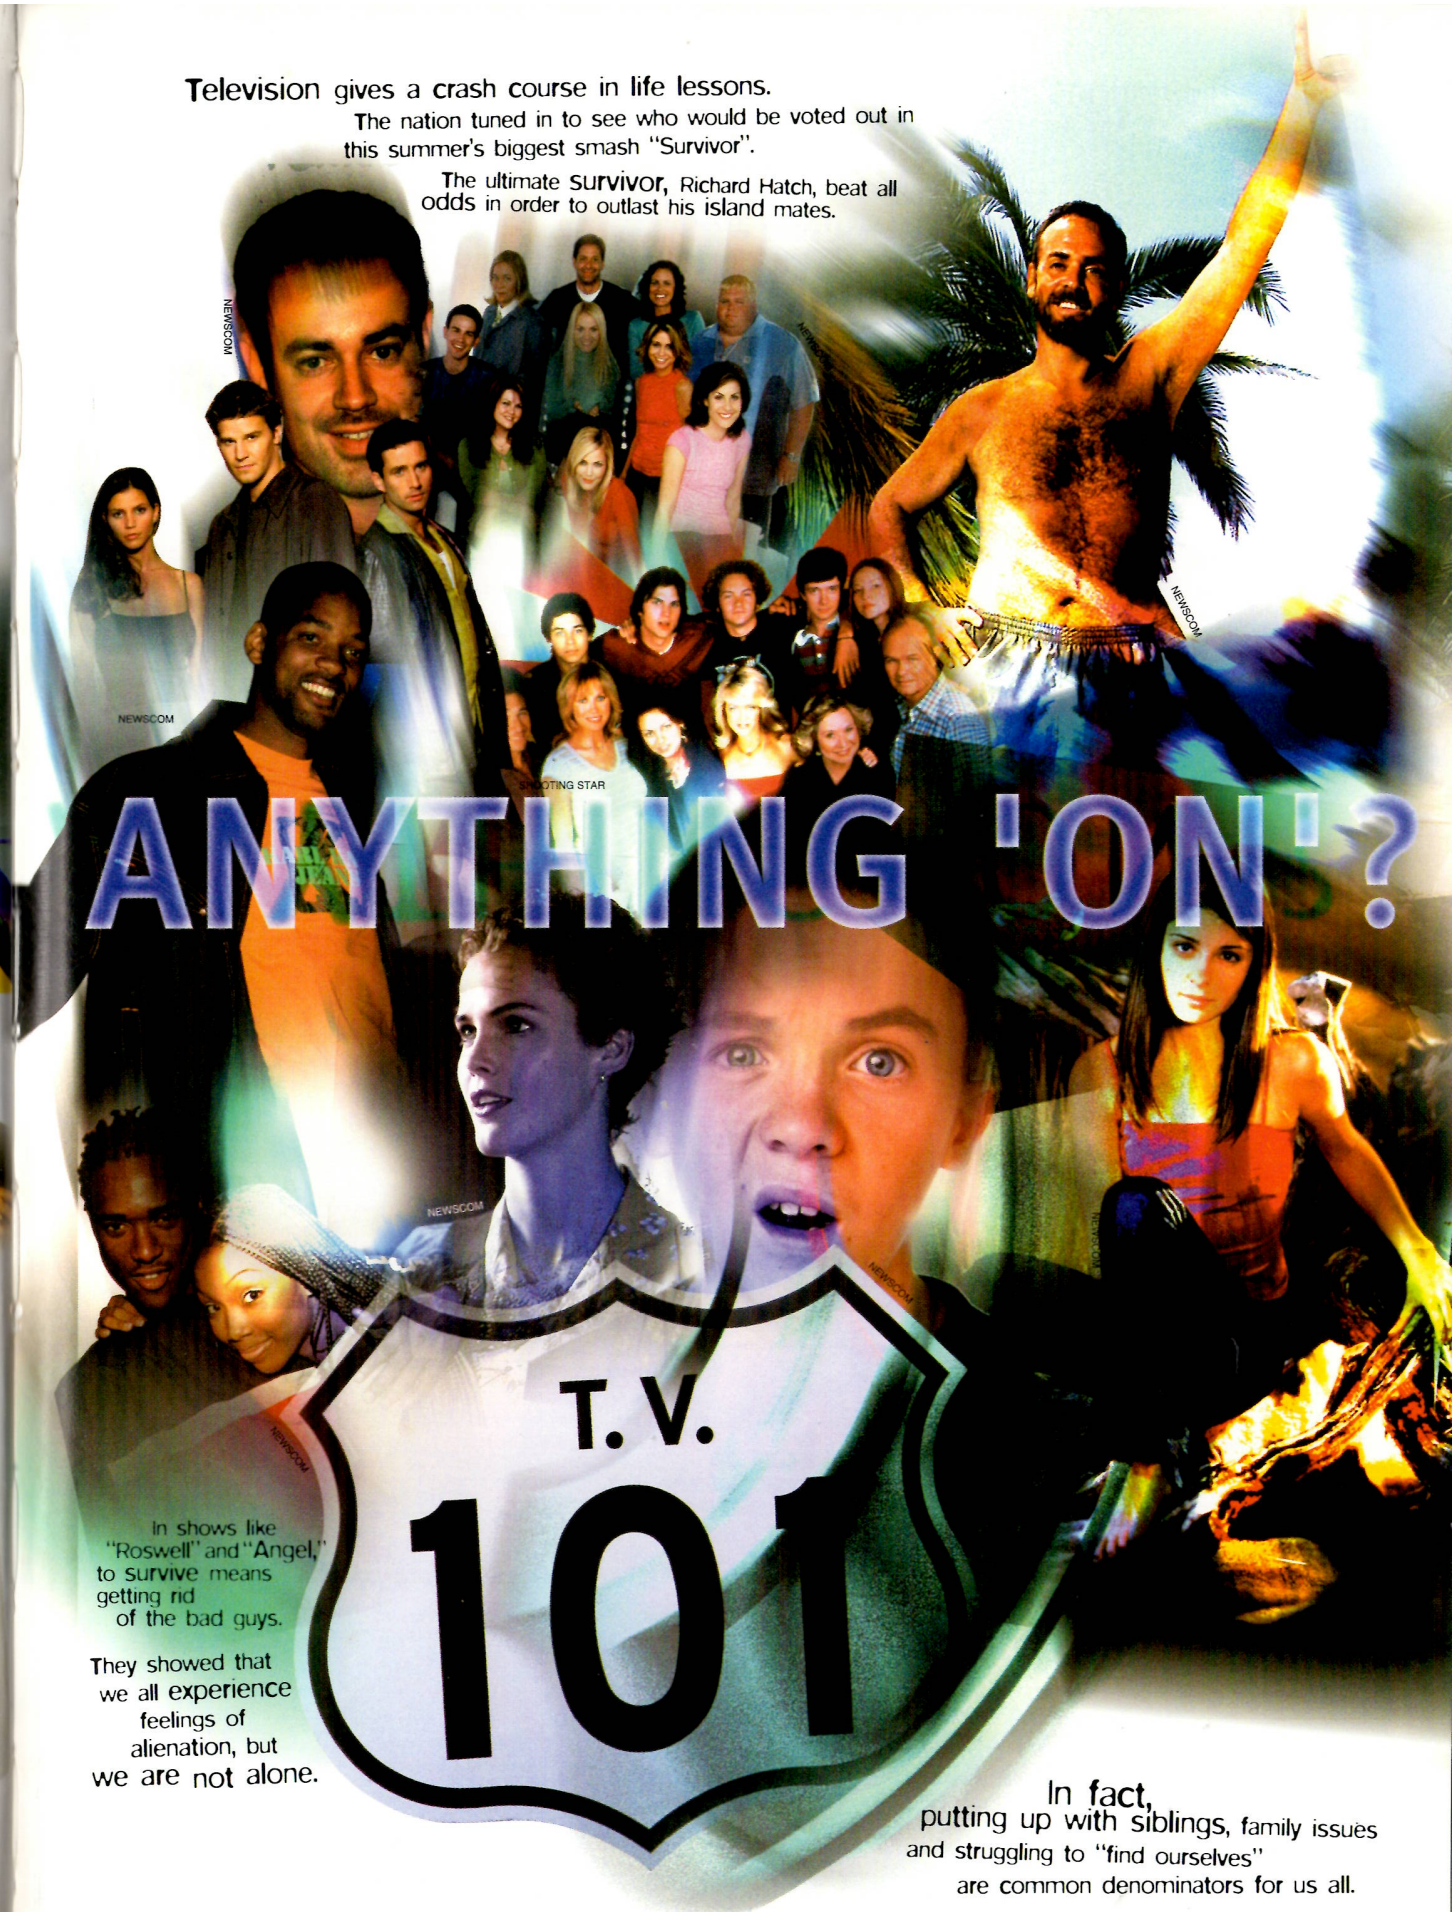

WHAT'S NEW?

Crash. Technology and music went head to head, as 19-year-old Napster co-founder Shawn Fanning battled the music industry over copyright usage of downloaded music. Firestone tires exploded on highways across the nation forcing one of the largest recalls in history. Hillary Clinton stepped out of the White House and into the U.S. Senate, a first.

And the nation waited 36 days for the drama of the 43rd presidential election to unfold. Another first. After court battles and recounts, Florida's 25 electoral votes were finally awarded to Texas governor George W. Bush in the closest presidential race in history. In another dramatic sequence of events, tensions between U.S. and Cuba rose over the custody battle of 6-year-old Elian Gonzalez who was finally reunited with his father and sent back to Cuba amid anti-Castro protests.

Television gives a crash course in life lessons. The nation tuned in to see who would be voted out in this summer's biggest smash "Survivor". The ultimate SURVIVOR, Richard Hatch, beat all odds in order to outlast his island mates.

ANYTHING 'ON'?

In shows like "Roswell" and "Angel," to survive means getting rid of the bad guys. They showed that we all experience feelings of alienation, but we are not alone.

In fact, putting up with siblings, family issues and struggling to "find ourselves" are common denominators for us all.

What a golden year for sports.

Michael Johnson won two gold medals in the 400 meter and 4 x 400 meter relay in the Sydney Olympics. (Must have been the shoes.)

Multiple medals also went to Maurice Green and to Marion Jones, who took home three gold and two bronze.

She's the first woman to win five medals in one Olympics.

Tiger Woods did it again. And again. And again.

As the PGA Tour Player of the year, he placed first in tournament after tournament, including the U.S. Open, the British Open and the PGA Championship.

The golden girls of soccer settled for silver in Sydney.

Under a Shaq attack.

Shaquille O'Neal, with Kobe Bryant, shot the Lakers to victory against the Indiana Pacers in the NBA finals.

GAME SET MATCH

Lance rules. Armstrong

conquered the Alps and silenced cynics, winning his second consecutive

Tour de France.

His comeback from cancer makes him a double role model, to athletes and cancer patients alike.

The "Subway Series" made baseball big news.

For the first time in 44 years the New York Yankees and the New York Mets went head to head at the World Series.

New York came out on top. (As in Yankees.)

The Williams sisters continued to take the tennis world by storm. Rivals on opposite sides of the net, they're unstoppable as partners.

Venus topped a stellar year with wins at Wimbledon and the U.S. Open.

She took the gold at the Sydney Olympics in singles, and paired with Serena to take the gold in doubles as well.

It wasn't in the stars.

The New Jersey Devils took the Stanley Cup back from the Dallas Stars after their nail-biting double overtime victory in game six.

D-FENSE!

The Baltimore Ravens extraordinary defense gave them the edge and a 34-7 win over the New York Giants in Super Bowl XXXV.

What goes around comes around.

Look behind the technology hype and you're sure to find recycled trends.

Oh, the irony.

It's the 70s all over again. Large tinted lenses make for look-at-me sunglasses and disco-era hairstyles return with "wings" and feathered bangs reminiscent of Farrah Fawcett's famous locks.

A new twist is the bright burst of hair color, maybe a leftover from the punk and glam rock resurgence last year.

Totally.

England's Prince William

took a "gap year" before college,

following his mother's example of service and humanitarianism.

His volunteer and environmental work in Chile shows that the man who will be king is a true

prince of hearts.

For the guys, the mop top is back with the "shag" hairstyle.

The bed-head hairstyles of Ricky Martin and Kevin of the Backstreet Boys is typical of the macho look many stars like.

Leather whatever.

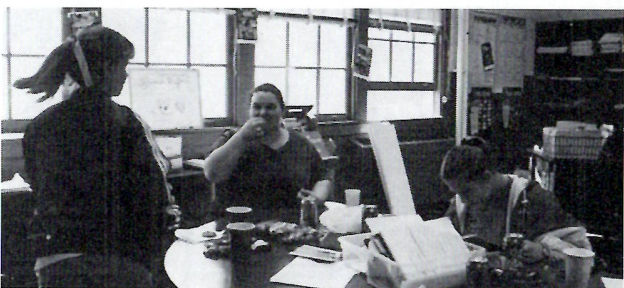

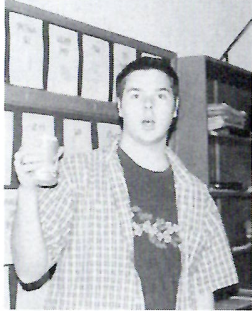

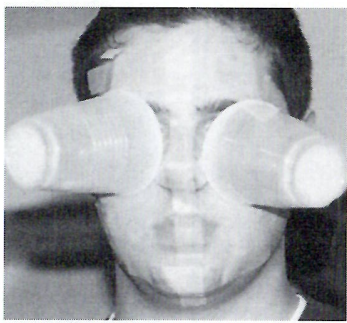

Leather is everywhere. Leather pants. Leather boots.

Everything else sparkles and shines.

We heard lots of wedding bells.

Two Backstreet Boys got hitched, Madonna married her Guy. Catherine Zeta-Jones wed Michael Douglas, and Jennifer and Brad tied the knot.

Samantha Gayle Pitre-David

A girl who was loved by all her friends..
 We never wanted your life to end..
 You were smart, pretty, and fun to be around..
 You brightened our day when we were down..
 You made us smile..
 and made us feel life was worth while
 Even though your gone now
 We still think of you
 To know we can not say sorry or goodbye
 Sometimes we sit and ask God..
 Why did she have to die??
 I guess heaven has to be the best place..
 But we still miss your smiling face..
 I know God only takes the best..
 For he lifted you up worth all the rest
 as we sit here and cry,
 we start to wonder why..
 Why did you take someone so young so soon...??
 Even though we will never talk again...
 please know that we have changed forever
 because of who you were and what you meant to us..
 We will see you in heaven when we get there..
 But as for now the pain we cannot bare..
 Your life on earth had to end..
 But your life in heaven will now begin..
 now it's time for this poem to end..
 as we now say good-bye to our dearest friend..
 We will remember you always..
 In our thoughts and memories...

Samantha Pitre
 April 28, 1988 - April 29, 2001

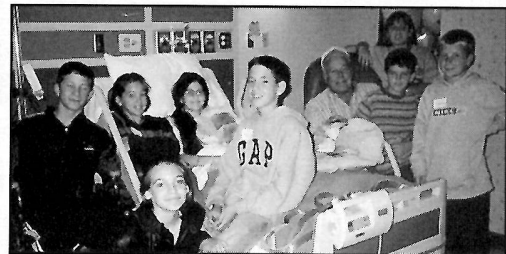

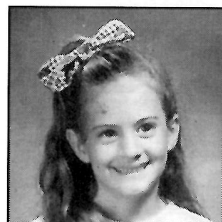

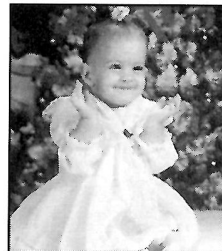

Secure with her faith in God.
 Amazing classmate she was.
 Magnificent voice she had.
 Academically gifted
 No one will forget her.
 Thirteen years of memories.
 How she cheered us up when we were down.
 Aspired to be a singer.

Friends Forever

I have a story I'd like to tell,
 About my friend Samantha Gayle.
 I'm happy to have been her friend;
 My love for her will never end.
 The fun we shared and nights spent together,
 Are the memories I'll treasure forever.
 To me she was a friend with a very big heart,
 And this is why it is so hard to part.
 I will miss her more than words can say,
 But in my heart she'll always stay.
 Her favorite colors were hot pink and bright blue;
 She loved her dog Mabo and pizza too.
 Samantha loved to climb trees and play charades.
 I hope my memories will never fade.
 She was proud of her big sister, Jamie and loved Shelby & Loren.
 She was also blessed with brothers Matthew, Mitchell, & Colton.
 She loved it when her daddy sang to her "Brown Eyed Girl."
 And said he was the best dad in the world.
 Her mom was her joy and Samantha loved to hear her sing;
 When she talked about her, a smile it would bring.
 Samantha received the gift of music from her mom and dad;
 This must have made them very glad.
 I believe she was called by the Lord up on high,
 Because he needed an angel to sing in the sky.
 She was ready to go when her name was called,
 Because she knew he had died on the cross for all.
 She is with him now and this we do know,
 Because the Bible tells us so
 Samantha Gayle has gone to be with Jesus, and we will miss her;
 But as for me, I will be her friend forever.

Love,
 Mandy Lea Michalko

I remember when I accidentally called you Sapantha. Everytime I would say your name, it would never come out straight, so I just started saying Pantha. Since we all had nicknames, you said that your nickname could be Panther. I remember the slumber I had that you were able to come to. We really had alot of fun. I wish that we could have done more together. Everytime I saw your smile, it would make me smile even bigger. I hope that I was there for you when you needed me. I hope that you knew that you could say anything and everything to me, no matter how upsetting it was. I hope that I never let you down. I know you were going through alot. I remember the days that you were lying on the bleachers, and I asked you what was wrong. You said that your back hurt. I now understand some of the things that were happening. I prayed day and night for you and asked God to give you what you needed the best. I guess you got the best. You were only 13 and had a life to live, but I guess God needed you more. And we know that God always makes the right choices.

I appreciate all the things you did for me while you were going through this. I love the wonderful glow-in-the-dark butterfly friendship ring that you gave me at the beginning of this year. I wear it all the time. I especially appreciate the time when I needed a friend by my side because I was having a few problems. You were there to comfort me and tell me what it was like when you went through the same thing. You always told me just to talk to God and he would help me. After that, I followed Christ and accepted him as my savior. I thank you for this wonderful gift that I would not have if it weren't for you. You always said that you would always be there for me. I wish that I could have been there more for you. You gave me 8 years to cherish. Samantha, I thank you for everything you did for me. Don't forget, we will always be friends. You will always be in my heart. I will pray for your family and other friends. Samantha, I love you, and I will miss you.

With all my heart,
 Mae Mae

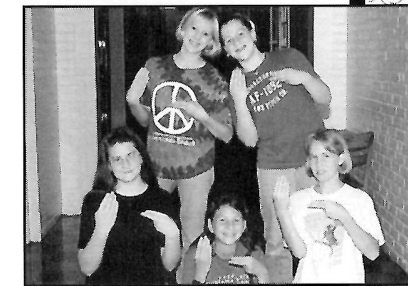

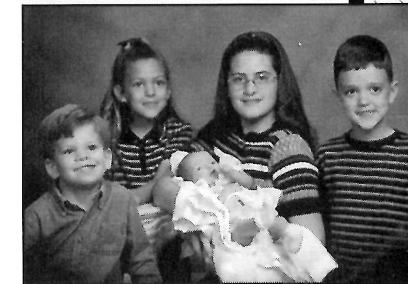

"Our Little Angel"

Angels often catch us unaware,
 When they have a special delivery to make up there.
 They always leave behind beautiful glowing traces,
 So we can remember love and its many faces.

Samantha taught us to be brave and to care,
 Angels recognize that as a gift most rare.
 So think of her with wings glistening bright,
 Watching over all of us as she makes her heavenly flight.

She was a good friend to you and me.
 We all remember the things she went through.
 We won't forget the times we all shared
 or her strong loving heart.
 Her heart showed that she really cared
 and that we won't always be apart.
 We wish that she was here today with us,
 She is with a very good friend
 and we all know that she will be near.
 Now she is in heaven with God the Father,
 Who took her because he needed
 another beautiful angle to sing in his choir.

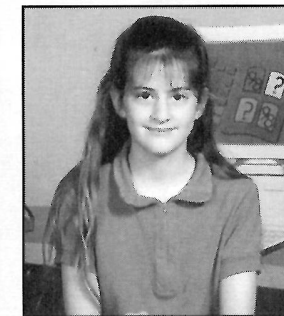

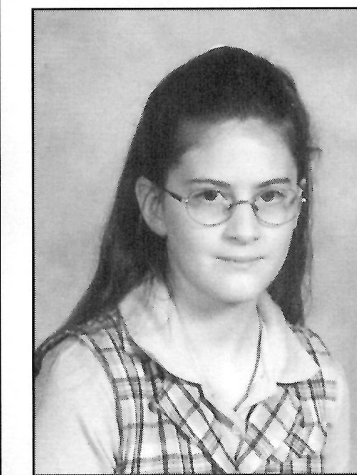

When A Town Falls Down To Pray

(The Samantha Pitre Story)

There is a little girl named Samantha.
 A precious child just twelve years old.
 Well one day she became so dreadfully sick
 And her story began to unfold.
 You see the doctor told her parents
 that Samantha has alot to face.
 She is just a twelve year old girl
 in need of God's amazing grace.
 Her body has been touched by cancer.
 A terrible burden for all to bear.
 Samantha's family then went to the Father
 They lifted Samantha up in prayer.
 Samantha was sent to a cancer hospital.
 Her parents went with her there.
 But back home, in her small home town,
 Friends and family fell to their knees in prayer.
 The children of the local school,
 bowed their heads to pray.
 For they love their friend, Samantha,
 And want her well again one day.
 Yes, Samantha is a child who is cared for.
 And it's all because of this love.
 The whole town fell down on their knees
 to lift her to the Father above!
 And as she goes through the treatments,
 she is remembered each & every day,
 And Samantha's name is heard in Heaven,
 when a town falls down to pray!

What A Teacher Needs

Time - there are always papers to grade and lesson plans to write.

Patience - the many faculty meetings and workshops can be trying.

Energy - twenty five energetic students can out last that pink rabbit. They keep going and going.

Hope - to believe God will use you in a career that becomes your vocation.

Joy - to pass your enthusiasm for learning to your children.

Peace - that comes from knowing God is using you to make a difference even when the results are sometimes slow in coming.

Wisdom - to see beyond each child's educational needs and see their heart needs.

Kindness - to show each boy and girl they are unique and special.

Love - to make a difference in a child's life and their future.

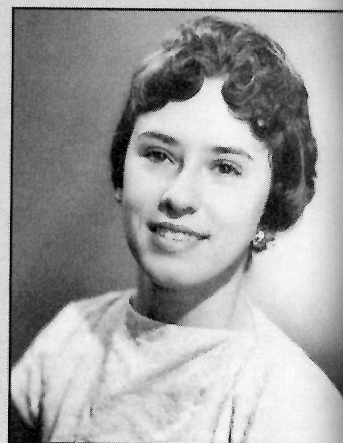

To be a great teacher requires dedication and a genuine love for children. Thank you for 30 years of molding minds and touching lives.

Love,
Your Family

A Touch of Love

*You were six months old and full of fun.
 With a blink of my eye, you suddenly were one.
 There were so many things we were going to do,
 But I turned my head and you turned two.
 At two, you were very dependent on me,
 But independence took over when you were three.
 Your third birthday, another year I tried to ignore,
 But when I lit the candles, there weren't three, but four.
 Four was the year that you really strived,
 The next time I turned, you were five.
 Then you were ready for books and rules.
 That was the year that you went to school.
 The big day came; you were anxious to go.
 We walked to the bus, going oh so slow.
 As you climbed aboard and waved goodbye,
 I felt a lump in my throat and tears stung my eyes.
 Time went so fast, it's hard to believe
 That just yesterday you were home with me.
 And tomorrow when you come home,
 Walking high off the ground,
 You'll be wearing your cap and gown.
 So I held on to those moments as hard as I could,
 Because the next time I look, there will be a woman
 Where my little girl had stood.*

*From the early 1950's,
when I found my home right here.
I've watched over the students,
throughout every school year.
They've tugged on my branches
and climbed up toward the sky.
Used my trunk as home base
In tag or — "Mother May I?"
Many storms have I weathered,
But continued to grow tall.
To spread my limbs for shelter
In spring and in fall.
And now my life is over
My roots have been destroyed
I'm only a fleeting memory
For later years to be enjoyed.

"Time Stands Still for No Man." In my situation the time has come for me to step aside. This was a difficult decision for me, but one that I felt was best for me & my family.

To all the players I have coached I want to say "Thank You." "A good coach needs a good team and a good team needs a good coach." You can't have one without the other. The success I have had as a coach is a direct reflection of your accomplishments.

For 25 years I have spent more time with your kids than I have with my own. To my two sons: I want to tell you how much I love you & how proud I am of you.

To my wife: How can I find the right words to tell you how much you mean to me. For 29 years you have always been there for me. As the saying goes "Behind every successful man there's a good woman." That saying could never be more true. God truly blessed me the day I met you. You have always been the wind beneath my wings.

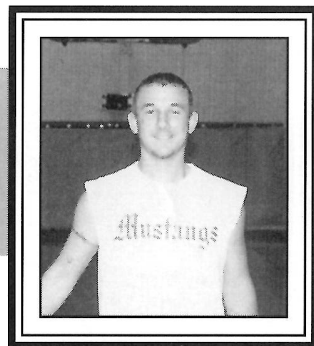

**Love Always,
Coach Byron Gibbs**

The Lady Mustangs had another tremendous year. Finishing the year 31-5 and making their second trip in 2 years to the Sweet 16. Although the girls were defeated by eventual state champion Simpson, they represented their school and community well.

The leadership by senior Penni Wing and juniors Sirena Duhon and LeeAnn Johnson kept the ladies on course throughout the year.

With great play from all of the players the ladies had tournaments wins at Grand Lake, Hamilton Christian, Hackberry, and for the seventh time in a row the Parish Championship. Improving all year the ladies finished district 6-0 and a district championship.

Congratulations to the Class C State Semi-finalist. Thank you for your great defense, great attitude and the heart you put on the floor every game and every practice. You make it a pleasure to Coach.

Administration and Support Personnel

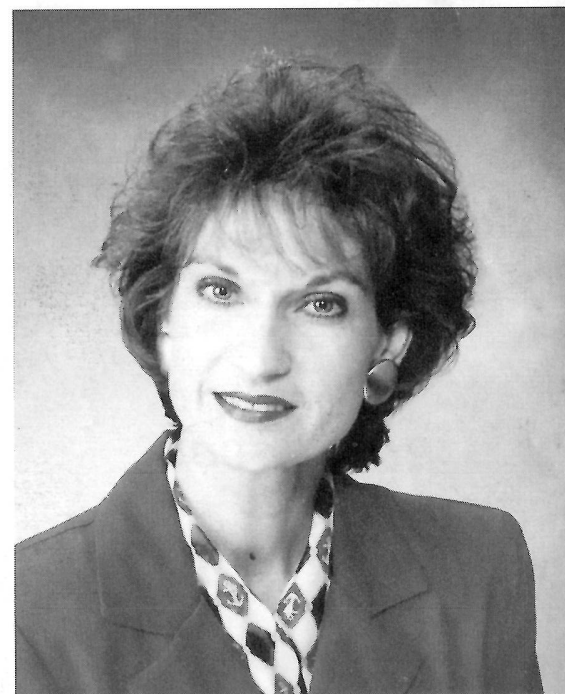

We have a lot to be proud of and many reasons to be thankful. We are making good progress in academics, clubs and sports activities. We are also seeing advances being made in the construction of the plant facilities. I want to thank everyone for your efforts in making this another successful year for Hackberry High School.

- Austin LaBove

No matter how hectic our day is, our load is always lightened by the caring and efficient Mrs. Molly. Whenever in doubt, I ask Mrs. Molly. If a student has a problem I can't fix, I say go tell Mrs. Molly. Mrs. Molly is a source of undying infinite wisdom, constant aide, and kindness. Thank you Mrs. Molly for all you do for us.

-Faculty and Staff

I would like to take this opportunity to express my sincere appreciation to the faculty, staff and students for their cooperation, help and understanding that has been extended throughout this past year.

I would also like to thank the people of Hackberry for their continued involvement and support at Hackberry High School.

I wish to congratulate the publications class for their hard work in providing us with a yearbook that will bring us enjoyment for many years to come.

-Glenda Abshire

Hackberry High School Administration

Asst. Principal

I have served Hackberry High School in various capacities as teacher, athletic director, head coach for basketball, track, golf, and presently as your Assistant Principal. I want to thank the faculty, students, and community of Hackberry for giving me these opportunities. Together we can make a difference.

— Byron Gibbs

Guidance Counselor

2001 — a new year, a new decade, a new century, a new millennium — what a thrilling time to be alive! I invite all students to step-up to the challenge to be the best that they can be and seize the opportunities this new era affords.

— Lorene Tanner

Superintendent

The Cameron Parish School System is committed to teaching today's youth in a constantly changing and challenging environment. While we pride ourselves on our above average scores on rigorous national and state tests, such as ACT, Iowa Tests of Educational Development, LEAP 21 and GEE, we also realize that achieving such scores demand high expectations in both student and teacher performance. I am proud to say that Cameron Parish teachers and students live up to those expectations. I am also very proud that our staffs maintain the safe, clean and healthy environments necessary for learning to occur. We have much for which to be grateful within the Cameron Parish School System.
