# WHAT'S

# H A P P E N I N G

Elementary students put their hearts into jumping in the "Jump Rope For Heart" fundraiser. Over \$450 was collected.

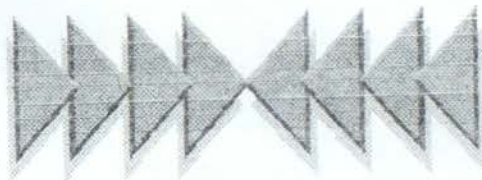

Senior has a nice "RING" to it!

Students give Ms. Bridget and Ms. LeBleu a surprise baby shower.

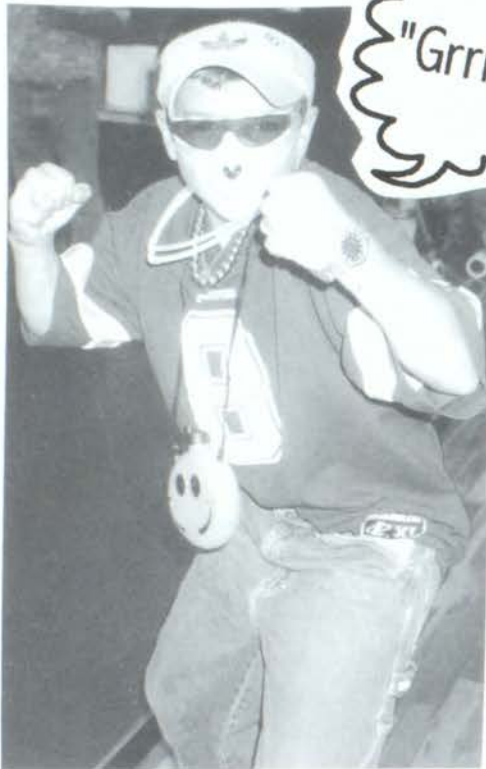

Jake's sees another side to "OH, BABY!!"

The fifth grade collected the most money for the "relay For Life" Drive, while Stephanie was the individual winner.

# Fall Festival

"Grrrrr..."

Wanna be a cowgirl, baby..?

Let's see what you got here....

It's a duck's life!

Alien beauty!

Look out Lacci, Marissa's wound up!

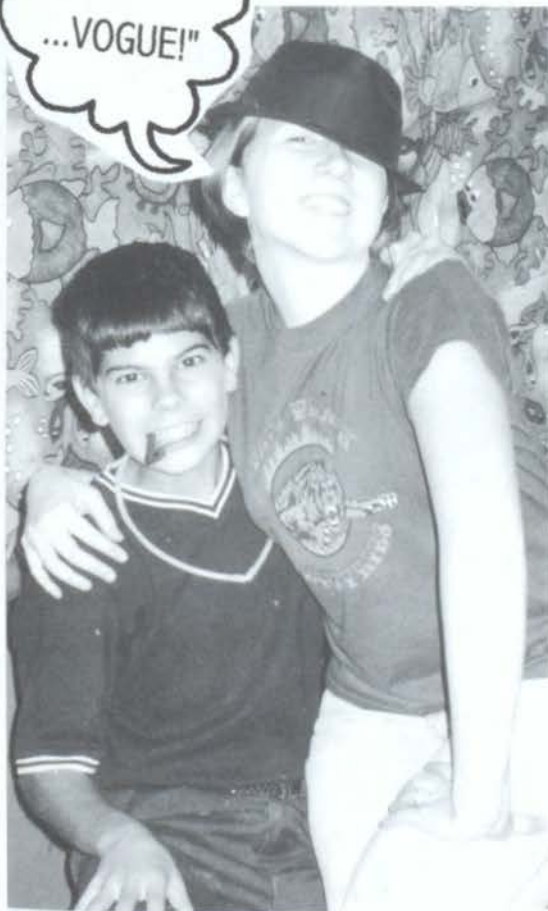

My tongue's bigger than your tongue.

**HURRY!  
HURRY!  
HURRY!**

"And now...  
...VOGUE!"

Bet you can't hit me!

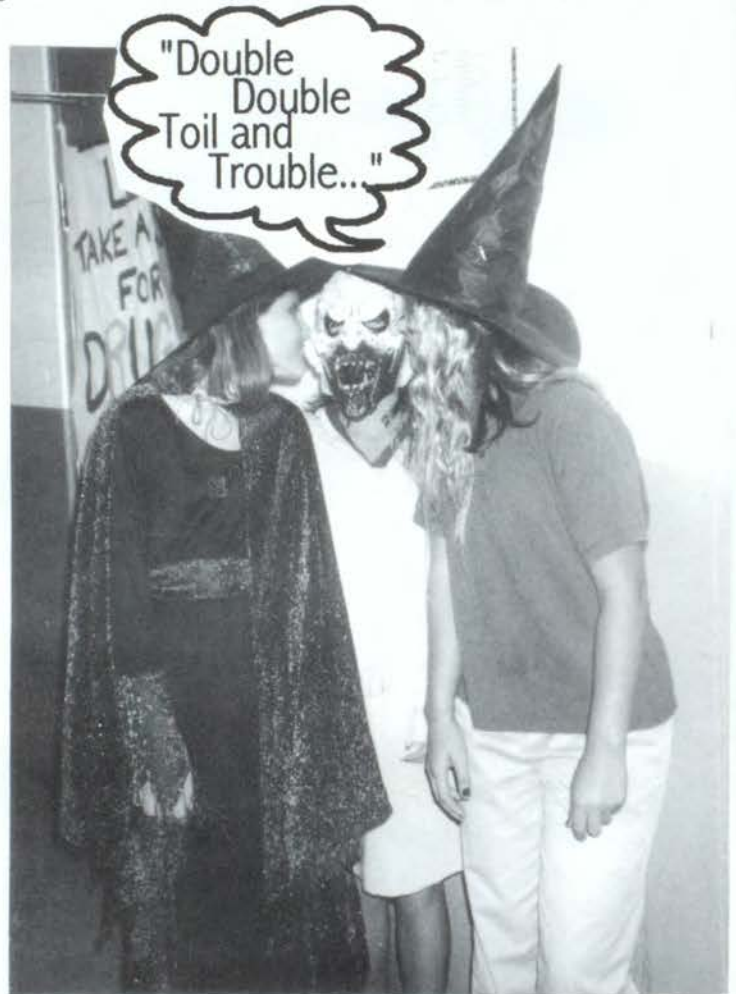

Dude, I'm seein' double...

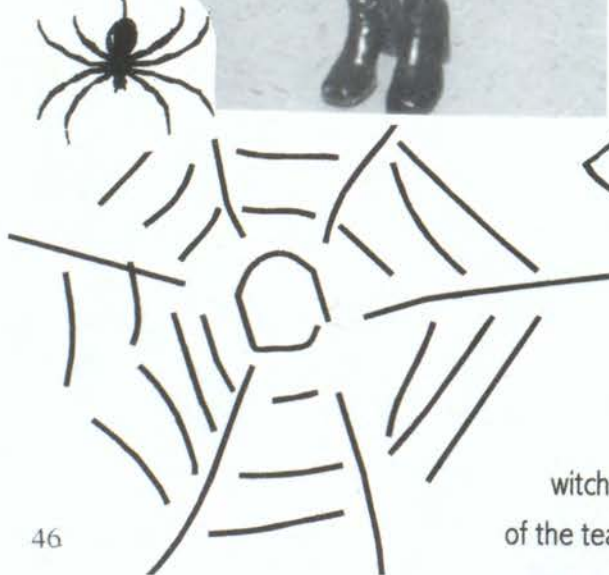

# HALLOWEEN AT JBHS

Shown here, gruesome ghouls and terrifying trouble-makers are the scariest at JBHS!

Chelsea sports her sleek yet sassy Halloween costume, complete with purple hair!

A princess, Yoda, and a witch chillin' outside of the teacher's lounge.

To accomplish great things, we must not only act, but dream; and not only plan, but believe.

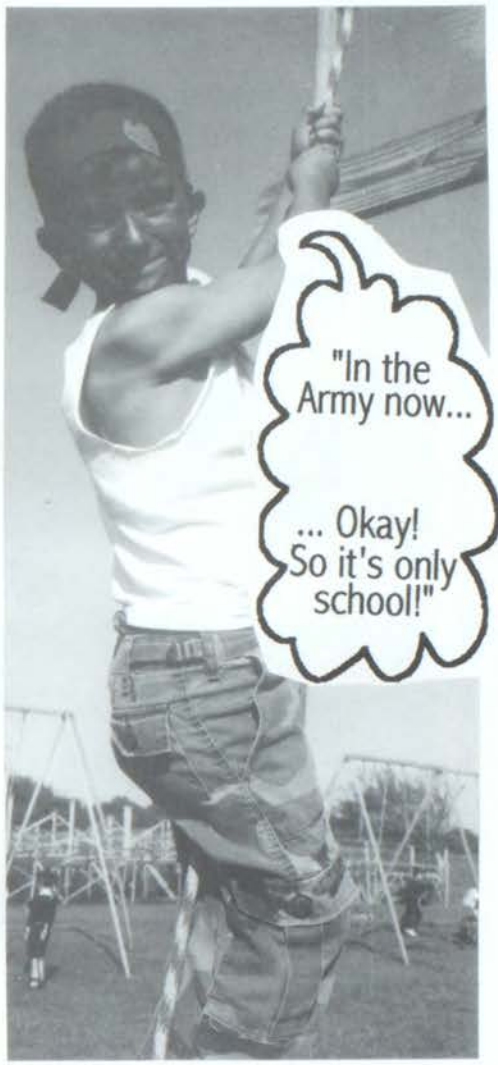

Brina, Jake, and Sabrina show off their wacky new Halloween hairdos!

"This is NOT in my job description!"

This tiny trio triumphed over all to have the best costumes in school!

"In the Army now...  
... Okay!  
So it's only school!"

"Happy Halloween!"

The FBLA club held a fundraiser for the March of Dimes. Each class battled to see how much money they could collect. Dimes would be counted, but all others coins (dropped in by opposing classes would decrease the classes' amount. Thanks to all who competed.

## Little Mr. & Miss Johnson Bayou

*Morgan Leger*

*Reese Hebert*

And it's Mikey "Look what I can do" Merritt. With Mikey's hot moves and.....ahm.....extraordinary talent he's got no problem finding work, much less women. He's Britney's newest backup dancer. Bust a move Mikey!

And then there's Charles "Hey dude" Meaux. Charles goes off to college and becomes a computer technician. In an accidental explosion he's thrown back into the 70s where he invents the hot new catch phrase "Hey dude", which he patents. He's now a billionaire. Charles, it'll be alright dude!

We foresee Amber "Insert a personality here" Romero going on to college. Amber then campaigns to become the first woman president. Her dad funds her campaign and her husband, Brandon, runs it. And we thought they'd never get out of Johnson Bayou. Looks like you've proved us wrong Amber.

Then there's Ashley "Insert Amber's personality here" Erbelding. And you guessed it, she's Amber's running mate. The two are inseparable in the campaign trail. Although Ashley is now running for Vice President, her real goal is still to become Miss America. Don't worry Ashley! Momma's got your back!

Well it's Natasha "T-Ray" Trahon, going off to cosmetology school and creating her own line of hairstyle products. You guessed it! Instead of Touch of Sun, her new highlighting system is called T-Ray of Sunshine because we all know she should've been a blonde.

Let's not forget Andrea "I have to check with Brooks first" Brown going on to Lomar and becoming a civil engineer. Her only problem is that there are no bridges or skyscrapers that need to be built down here. You have to get out of Johnson Bayou first Andrea.

And finally there's Jeremy "It wasn't me" Trahon starting his own towing service. It's called "I Towed You So". His new business thrives. He brings the vehicles back to his house, fixes them, and then returns them. Well, some of them anyways. Only one problem. No one can accuse him of stealing because everyone knows "he didn't do it".

It looks like Stacy "perfect attendance" Trahon continues to do what she does best. Surprise, surprise! She's a motivational speaker who travels around the nation urging high school students to attend class regularly because we all know she never missed a single day.

We foresee Misty "7/11" Baden becoming the first serial killer under 5 ft. Doctors claim that her violent acts are due to her multiple personalities, short attention span, and low tolerance for small noises. Uh-oh Misty! Where have all the tall people gone?

# JUNIOR PROPHECY

I, Natasha Ray Trahon, will be Amber, Andrea, Ashley, Stacy, and Misty my everlasting friendship and love. We had our cut right at class, but in the end we were all the winners. To Mrs. Lacey, thank for making me smile on my bad days and thanks for picking me up on rainy days. To all my, my everlasting love. To Mom and Dad, thank for pushing up with me. Thanks Dad for something hard to give me all the return. You both have been my greatest support. I am glad to give my everlasting friendship and love. I love and will miss you all!!!

First of all I give all my thanks to God because without him nothing is possible in my life. Next I give all my love to those who will have to go to this school. To my brother Jake the power to make the best of things and try to find a way to improve to whatever he does in his last few years of high school. To Josh, the power to keep my mouth shut when it needs to be kept shut. To Jonathan, I give you my somewhat basketball skills and the power to know how to call me when I need it. To Dominic, the power to see some of them roll phone to call his mother and check out. To Mr. Lacey the power to find another job since we both know this school isn't cutting it. Thanks for all the times of getting me out of Mrs. Meaux's class. There were a lot. To Mrs. Meaux thank for all the help you gave me I needed it. To Aunt Nina and Mr. Shannon you got a dirty job but you were sure to get it done. To Brita, the power to stick with it. When I was through a bit and I made it so you can. Stay with it come. To Adam, thank the power to dream about all you will be able to do in school about being able to high jump like me. To Cheri, start working out you might make it. But one day but don't forget one thing, we are both white. To Jerry, thank Adam John, Kyle, Jason, Ashley, Megan, Warren, Cole, and Mark I want to say thank you. We'll make my senior year a trip. And last but not least I will all my everlasting love and praise to my dad for he is the reason why I am here today. He may not be here physically but he is everyone's hero. I want to thank you and I want to say every ability that I have for he got in me and everything about me revolves him in so many ways I want to tell him I will be with you every Sunday 11:05 P.M. YOU.

I, Ashley Erbelding, want to first thank God, who through answered prayers has brought me this far. Thanks to my parents for believing in me and for the love, money and encouragement throughout my life. Through our disagreements and through my more than 1000 of the times you never gave up when I didn't give in. To all the friends who were always there for the advice about preparing for my senior year. To Amber, my best friend, thanks for your shoulder to cry on and for always taking time to listen. I love you like a sister, don't forget me. To my close friends Andrea, Mikey, and Natasha I love my everlasting friendship. I always remember our times a Relay 4 Life. To my pregnant girls I love the best advice ever given me. If you put your heart and mind to it you can achieve anything in life. To be somebody and go somewhere you better wake up and give me a shout!!! To my classmates and all those I have behind I say thank for caring about me, writing me and inspiring me. For without you all I would never have made it out of this place. My Love Forever To ALL!

I, Mikey Mitchell Boston, will be the juniors my ability to study hard and to graduate, with you will go through your senior year. Thanks, for without you my senior year would have been unexciting. To Megan, I love my friendship and self-confidence. You are a beautiful person and let me tell you otherwise. I borrow the words of Andre Gide, "It is better to be hated for who you are, than to be loved for someone you are not." To my little man, Jeremy, I will my everlasting love. You will always be Mather's little cowboy. Last, but not least to my little brother Keith, I will you my cut. Not, I'm just kidding, but I love you and my everlasting love and friendship. Thanks for all those late night talks we had. Those talks meant more to me than I could ever begin to imagine. I know how intelligent, creative, and good hearted you are. How does everyone else what I've said for a long time. I also love to you my ability to be yourself. That is the greatest gift one person can possess. In a world where everyone is trying to change you, to be yourself will make you strong. To the rest of the students that walk the halls of JHS, thank you for making my senior year the best!

I, Cheri LeFlore, will be my little brother, Cody, my bright smile to my other brother, Tyler, my ability to be the woman's pet and the man's regret. To my little sister Brittany the ability to roll upon Cody when he's not your wrong. To Dominic, my spontaneous attitude so that he can show people what roll he's about. To Kyle, my ability to get wild in any situation. To John, my mightiest foe to remember, the ability to have fun. To Jonathan, the ability to keep all of the combs happy. To all my friends the ability to just everything. I will my respect all to Jerry. To Dominique, the ability to control yourself when you get mad. To Mark, my extraordinary driving skills. To Jeremy, the ability to have a vehicle on the road. To Mikey, the ability to get a vehicle on the road. And our last thing, for everyone the ability to talk to and go further or it will not be easy. But what is easy?

## GOD'S GARDEN

God looked around his garden  
and found an empty place.  
Then He looked down upon the  
earth and saw your tired face.

He put his arms around you  
and lifted you to rest.

God's garden must be beautiful,  
He always picks the best.

He knew you were in pain,  
He knew that you would never  
get well on earth again.

He saw the road was getting rough,  
And the hills were hard to climb.  
So He closed your weary eyelids  
and whispered

**PEACE BE THINE.**

It broke our hearts to lose you,  
but you didn't go alone,

For part of us went with you  
the day God called you home.
