This Wraps It Up!

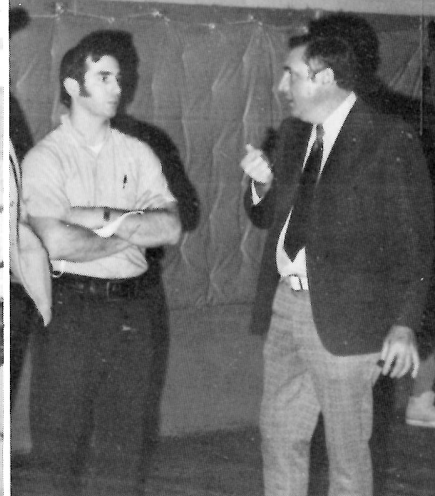

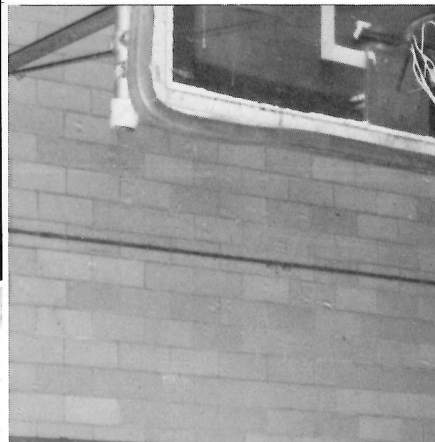

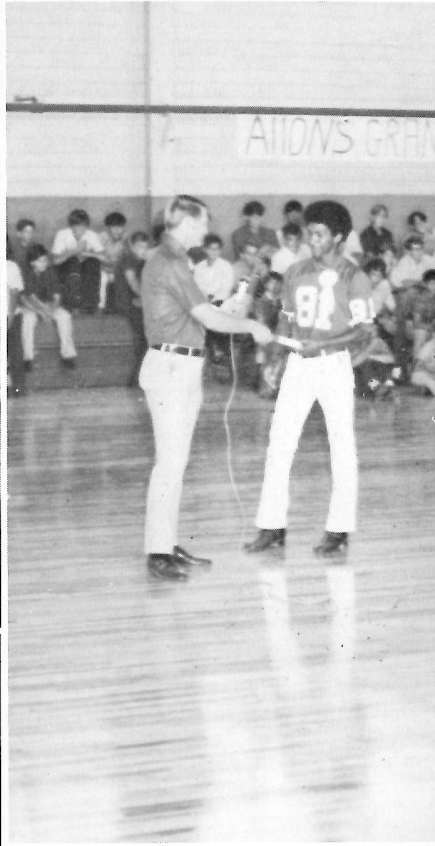

With thanks and gratitude to MR. HEBERT, our sponsor.

To a real
mean, hateful,
conceited, ugly, stupid
rotten, filthy, stuck up
no-good, terrible, horrible
creepy, sorry looking, horrid
goofy, pimply, ignorant
spooky, puncky, weird,
groosome, who ever wrote these words
is ~~so~~ FAT from James

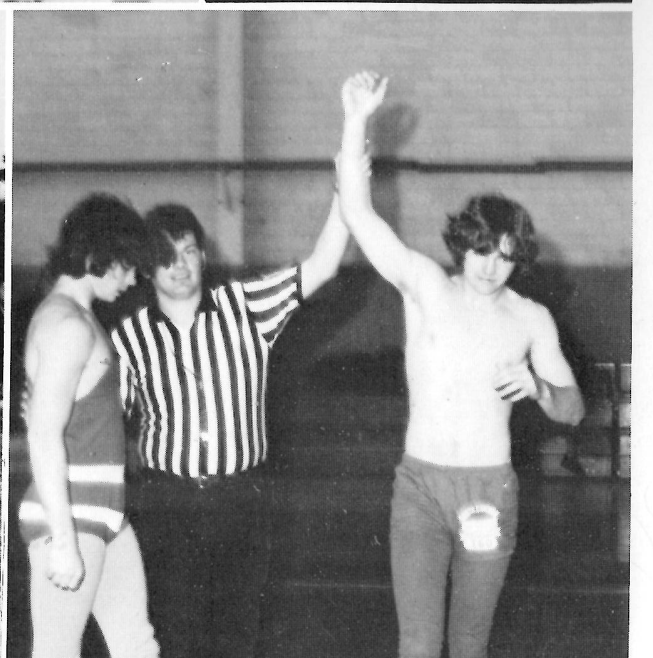

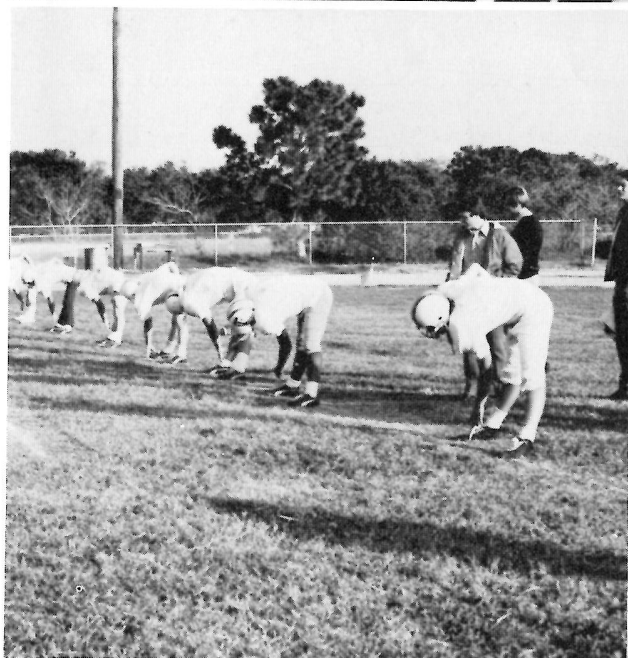

Your loyal
trustworthy sweet
kind, nice, considerate
friend
Denise Smith
Just kidding

We, the student body, shared equal rights among ourselves, respected the authority of the faculty and staff, and realized we had the best.

1978 was a year much like any other - we studied and learned, we practiced and won, we lived and loved.

South Cameron's Student Teacher

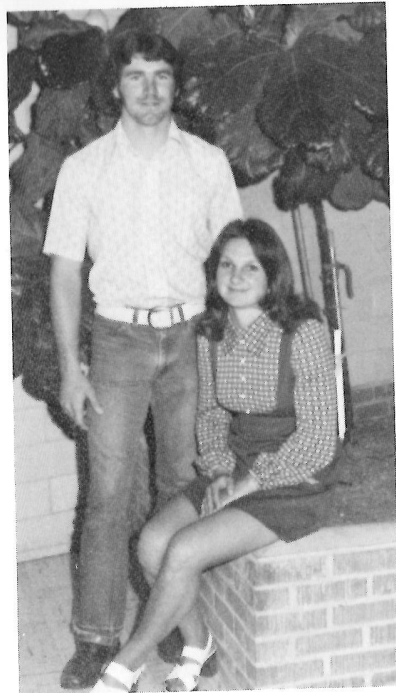

Mrs. Olga (Butsy) Carter is South Cameron's first student teacher. She does her teaching in the English Department. Mrs. Carter graduated from McNeese State University with magna cum laude honors, receiving a major in English education. She was also initiated into Phi Kappa Phi Honor Society just before graduating.

Although she has been offered a teaching position in the parish schools, Mrs. Carter plans to only do substitute teaching this year and to continue to help her husband with their two ranches in Cameron and in Beauregard parishes.

You young students of South Cameron High School may wonder from time to time just what the purpose of education should be. In just a few words I will say that your education should enable you to function as a useful member of our society as well as make you aware of your responsibilities to co-operate with your fellow man. As you look through the pages of this annual it is evident that the academic and extra curricula opportunities that exist here are second to none.
