Dedication

We, the South Cameron High School Annual Staff, would like to dedicate this 1977 Tarpon yearbook to all of STUDENTS, FACULTY, and STAFF of South Cameron High who are searching for an identity all their own. We realize that many questions arise during our lifetime, and we hope that this yearbook provides you with a few answers and insights.

A Search

for Your

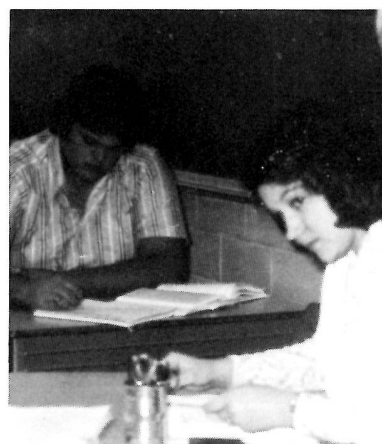

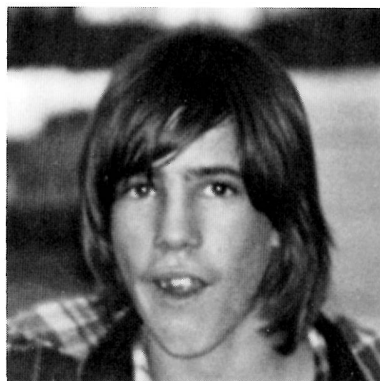

The Annual Staff would like to ask you a few questions: How many of you know where you will be a year from now? Do you know what your career will be? Do you know where you're going?

DO YOU KNOW?

Identity

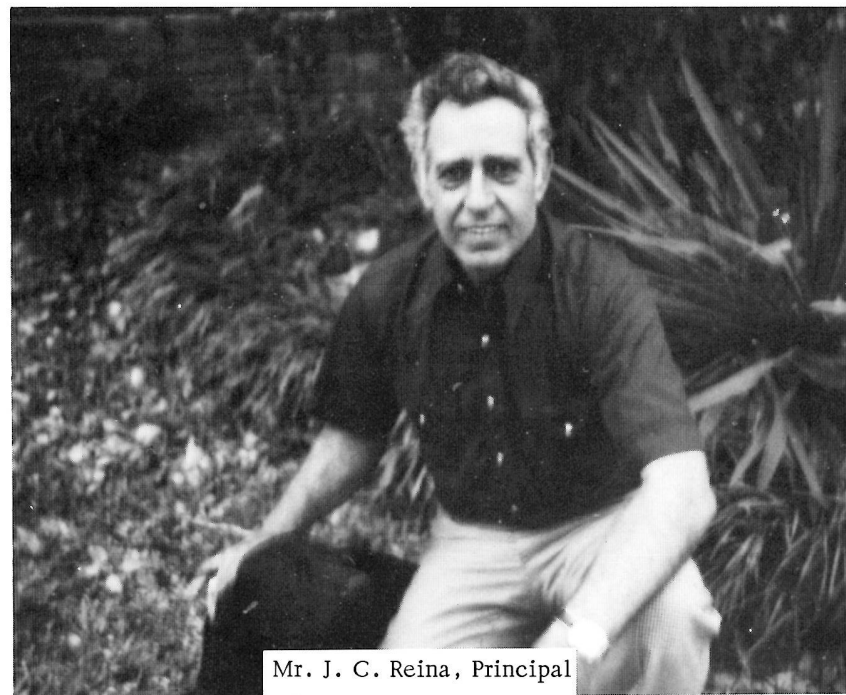

The world is full of many people and each and every one of them is special. The personality of each person should be looked upon as something unique. The goals you set for life, and even your dreams, should not be shot down by any one. Don't let anyone spoil your thoughts of life; you have one life, so live it while you can.

Who Meets the Competition?

1976-1977 Tarpons

These are the boys that made this year's team. They used their muscles and know-how to outwit their opponents. To help them stay satisfied, the managers took care of their every desire. They are

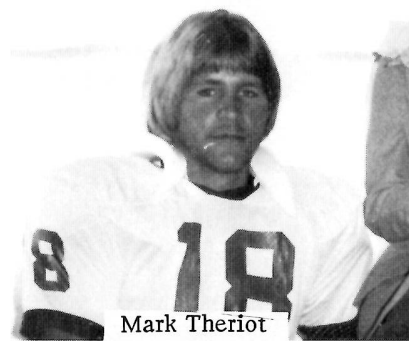

1. Stanely Primeaux.
2. Brian East.
3. Tomp McCall.

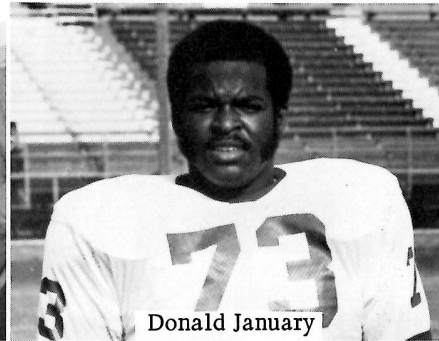

These are the men with the brains. The team does the muscle work, while the coaches do the brain work. They analyze the opponents, dissect their plays and produce winning results. The coaches for 1976-1977 are:

1. Baron Thomas, Head
2. Clarence Vidrine
3. Wayne Batts
4. Kirby Brauchhaus
5. Bobby Baker
6. Jim Feaster

From the pep rallies, to practice, and to finally the big night, the Tarpons were determined. They played in the cold and rain, only stopping to rest when they couldn't go any longer. The fans were right behind them all along the way, telling them they were #1, but the boys knew that the whole time!!!

Winning Combination

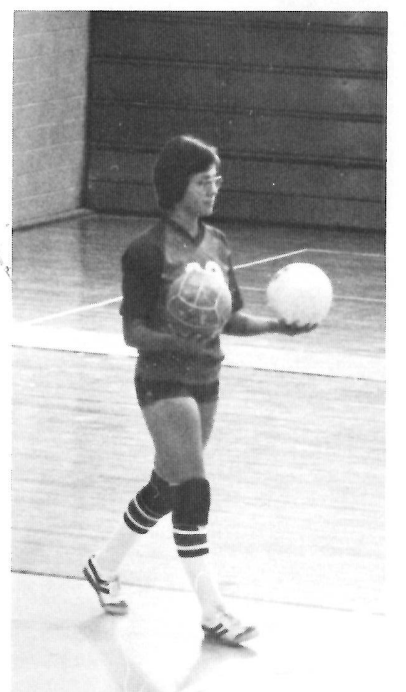

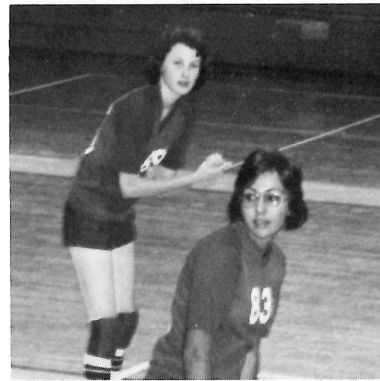

The boys worked hard this year. They gave it everything they had to make this year a good one. There were times that the going got rough, but they didn't stop, they just tried harder.

Volleyball

of 1976-1977

Sparked with determination and high spirits, the volleyball team went to each game with willing hearts and minds. Through out the year they tried their best to win. The girls and their coach, Miss Hoffpauir, are planning for a better season next year.

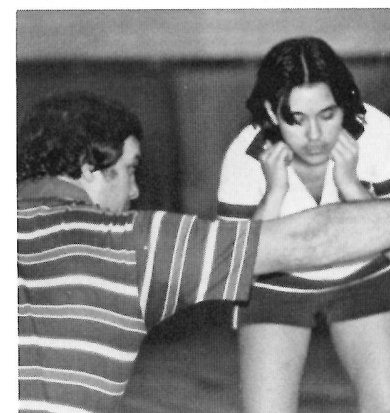

Lady Tarpon

The Lady Tarpons of 1977 put forth the effort of a winning team. Although the records may not have shown scores of victories, they revealed much determination and spirit. In their pursuit of victory the girls unveiled something of themselves. They developed an understanding of their roles as individuals, an appreciation of teammates, and respect for competition.

The wrestlers used the skills their coach had taught them and the teamwork which helped them to be winners.
Boys, WE'RE PROUD OF YOU!!!
