TARPON TRAWL

Life and Times at South Cameron

In Memory Adam Saltzman

OUR SUNSHINE

He has sunshine hair
and all our laughter.

He can do most anything:
play the drums and goof the guitar,
fix your cabinets and your car.
Draw you a picture
or macrame anything

He'd gather things of no real worth
and give them to someone special.

He loved all animals, large or small;
but, loved SNOOPY best of all.

He loved us all
and he still does
but, was needed by his sister
and by God, to help take care of us all.

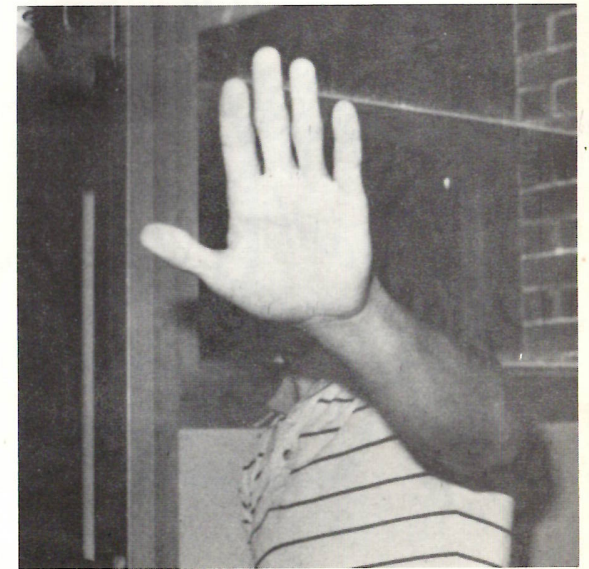

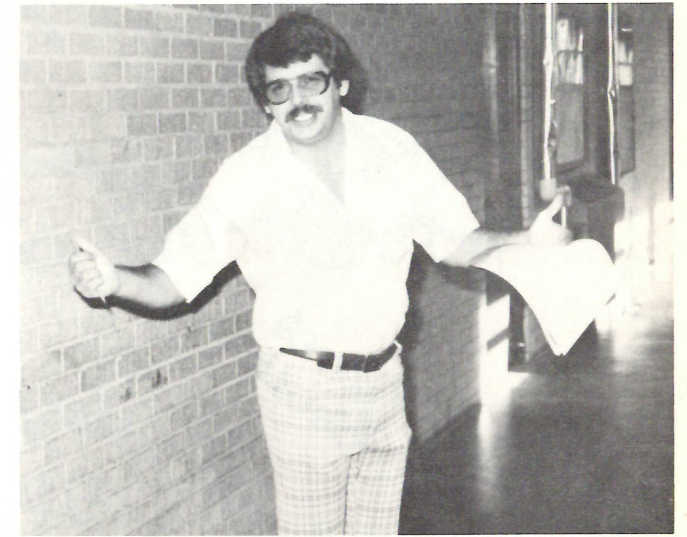

Love ya always,
Cecile Boudoin

The *TARPON TRIBUNE* got off to a good start, but let's face it, it's not too often something big enough to make news happens at school. The staff put out a gallant effort, assisted by Mr. Broussard, to make the most of what did happen and managed to put out three very entertaining issues during the year.
