Tarpons, thank you for
a job well done
You started out unrated
and ended next to number one

We admire your
spirit, loyalty, and pride
your courage and defeat
which you took in great stride

We will always cherish
our trip to the dome
the support, the unity, and love
from the fans and friends back
home.

The Tarpon line. Unbreakable! Unbeatable!

Joey's got the right idea.

Our guys are good even if they

Hey Coach! Which way IS the dome?

Action Jackson "Walks like an Egyptian."

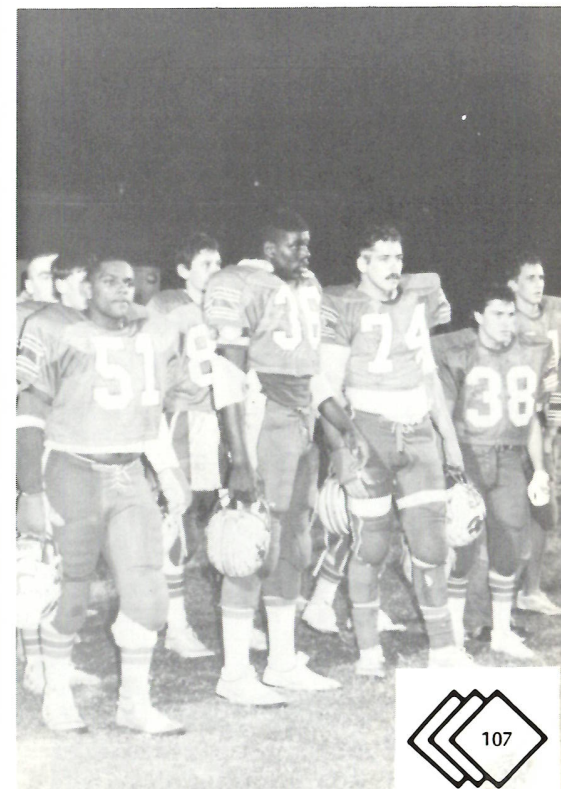

This says it all for Wade McCain.

Give me this jersey, "I wanna be a TARPON."

What are these guys pouting about now?

WE BELIEVE!

There's only one word to describe the 1986 football season, FANTASTIC! The season began with decisive wins over Iota, Sam Houston, Church Point and DeQuincy. Then the Welsh Greyhounds growled at the defending district champion Tarps and this game wasn't even a battle; it was a war. The Tarps bounced back to victory the next week with a 38-31 score over the S. Beauregard Demons. As the season continued, the pep rallies became feverish and helped the Tarps defeat the Vinton Lions. But dark clouds appeared on the horizon as the Tarps tried to swim up-stream against the Kinder Yellow Jackets, resulting in a 8-6 loss. Halloween comes but once a year and this year the Tarps pulled all the tricks on the Iowa Yellow Jackets, garnering a 42-19 win and hoping for a WILDCARD berth in the playoffs. Later with a win over Lake Arthur, the Tarps are playoff bound. The first playoff game was against the Number 1 ranked school in the state, the undefeated Kaplan Pirates. The Red, White and Blue had a super night with a 26-23 score in favor of the "Marsh Rats". Thanksgiving had a special meaning this year as the Tarps play Block. The incentive is clear. If the Tarps are victorious the chant will be "Two at home and then to the Dome." A win brings the Springhill Lumberjackets to town and they are greeted with signs saying: "We remember last year" and "One way in, one way out". Everyone's motto is WE BELIEVE and with this victory the Tarps become the first wildcat team to reach the state finals. The Dome hosts the Tarps and the Kentwood Kangaroos. The valiant Tarps come up short and are the Class AA runner-up. It was a thrilling season and the Tarpons leave New Orleans with heads held high as a team undefeated in spirit.

A NIGHT ON THE TOWN

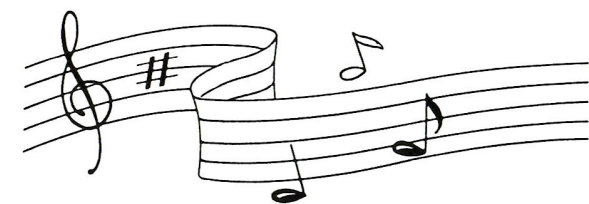

March 27, 1987, was a night to remember. For the first time South Cameron's prom was held at the Lake Charles Civic Center. It's theme was "Laissez les bon temps rouler," - (Let the good times roll). Entertainment was provided by THE GUILD. Everyone seemed to enjoy the food, music and entertainment. The tables were decked with white cloths, red and blue streamers and bouquets of beautiful spring flowers. The juniors and seniors were dressed in their finest apparel. The girls were gorgeous in their formal dresses and the boys handsome in their tuxes. The student body was well represented by the juniors and seniors and there was an excellent response from faculty members and parents. It was certainly a night to remember-a night on the town. Next year's seniors will have to go some to top this prom.

RING CEREMONY

Mrs. Hession and Miss Devereaux serve refreshments at the Junior Ring Ceremony

The Junior Ring ceremony was held May 7, 1987, in the new gym of South Cameron High School. Of the 65 juniors registered at South Cameron, 62 were present for the ceremony. Ms. Devereaux, one of the junior class sponsors, acted as Mistress of Ceremonies. Assistant Principal Marcantel gave the opening remarks in which he encouraged the students to make their senior year the best it can be. He said that this class had the responsibility to set a good example for the under-classmen and that actions would set the tone for the school next year. Then the parents of each junior were called to the podium to present the ring to their child. Obviously it was a happy occasion for all concerned.

THE PROMISE OF A LITTLE MORE!

ALRIGHT! South Cameron students are fortunate to have two new classes offered to them this year, Speech I and French I. Speech I provides the opportunity for students to learn how to communicate. French I teaches the French language to students whose culture is so closely tied to the people of this area. Students in both classes seem to be enjoying their instruction and experiences.

Can this comb be the secret to Willie Jackson's 1,000+ yard season?

SIMPLY THE BEST!

OUT OF AFRICA! No! not the movie . . . but a new faculty member—Ms. Robin Craft. Ms. Craft, a graduate of McNeese State University, is in her 5th year of teaching. Two years were spent in South Africa and two at Molo Middle School in Lake Charles. Ms. Craft was asked how she liked South Cameron High School, and her reply was, "I love it! This school is really a lot of fun. For a small school you guys have so much enthusiasm." Ms. Craft is the pep squad leader, and when we asked her way she took on the responsibility she answered, "It was a favor to the kids and also a chance to meet some of the students."

Residing in Lake Charles, Ms. Craft's hobbies include sewing, reading, knitting, riding (bikes and horses), snow skiing, and traveling. For entertainment she enjoys attending festivals, dancing, watching movies, and reading. Ms. Craft is unusual in that she does not own a television. When questioned about this, she said, "Television is stupid. Some of the programs are okay, but most are dumb. But I love all kinds of music—rock, classical, and a little country." When we asked her age, she said, "I'm not telling. If you really want to know, ask Mrs. Hoffecker." (I wonder what that means???)

In case you haven't noticed, Ms. Craft dressed differently than most teachers. "I dress casually and wear what I like. Some of my friends say, 'Robin, please don't wear you costumes to school.' and in answer to that I just laugh."

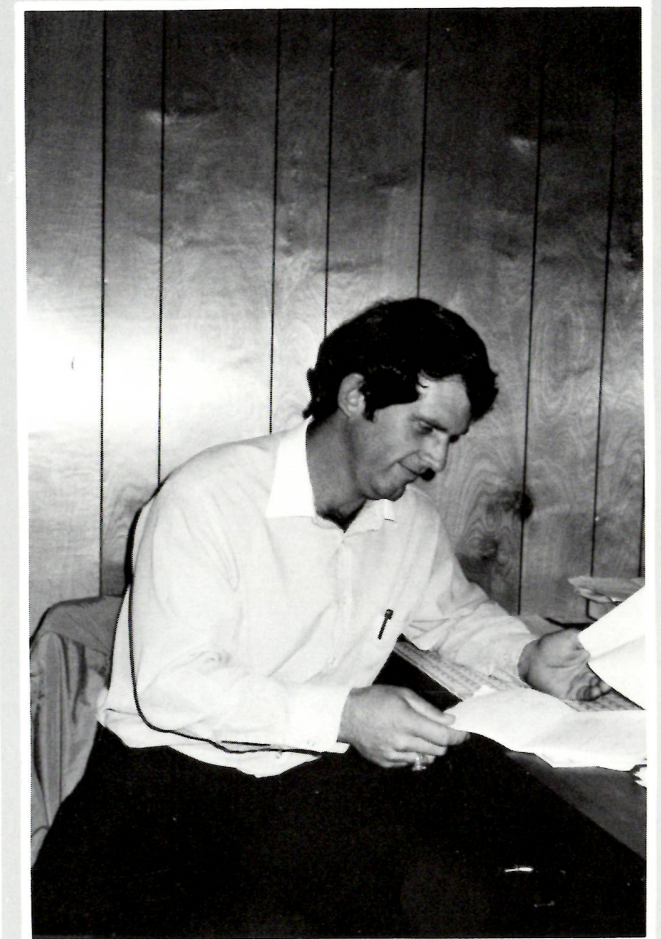

South Cameron High school says "WELCOME MS. CRAFT!"

Master of "Craft" - and perhaps art too!

Parents at Open House welcome old and new faculty members.

HURRY! This year South Cameron's faculty and coaching staff became larger. John Abe Seymour, originally from Elton, is Head Coach of Boys Track, Assistant Football Coach, and World Geography teacher. Coach Seymour is in his 16th year of teaching and coaching. He has a Master's degree from McNeese State University. Presently residing in Moss Bluff, Coach Seymour is the husband of the former Vickie Cormier, and they have two children, Patricia, 14 years old and Jay, 10.

"Friendly" is the word Coach Seymour used to describe South Cameron High School. His first impressions of South Cameron were that the people were cordial and seemed to accept him, that the school buildings and athletic departments were FANTASTIC. He also said that the students of South Cameron High School were full of great school spirit. (Take a bow, students!) In his spare time Coach Seymour likes fish, hunt, and play golf. When asked what he would choose to be other than a coach, father, or teacher, he replied, "A Bird! Then I could have a better look at everything in this great, big, beautiful world."

South Cameron High school is fortunate and proud to have a teacher and coach like Coach Seymour who has such a winning smile and positive attitude. Coach Seymour, South Cameron High School says "WELCOME" and "HOWDY!"

Coaches really have it tough - Don't they, Coach Seymour!

HERE WE GO AGAIN!

Jack Yianitisas speaks to the faculty.

Jack Yianitisas, nationally and internationally renowned motivational speaker, and director of Human Development for Success Dynamics, spoke to the South Cameron faculty on Aug. 22, 1986. He inspired the faculty with ideas such as:

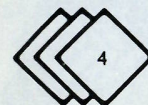

"Success is a journey, not a destination."

"What we become is more important than what becomes of us."

"Failure is the result of lowering our own standards."

"Thanks, Mr. Yianitisas, for getting us off to a good start."

8th Grade students receive orientation from Donald P. Broussard and Coach Benoit

Stephanie Picard arrives on Day One, 1986.

Velma Mock. Isn't the first day of school exciting?

Do you see her, Connie? asked Dena Rutherford.

Christine Picard looks ready for school.

THE GREAT MAKE-OVER!

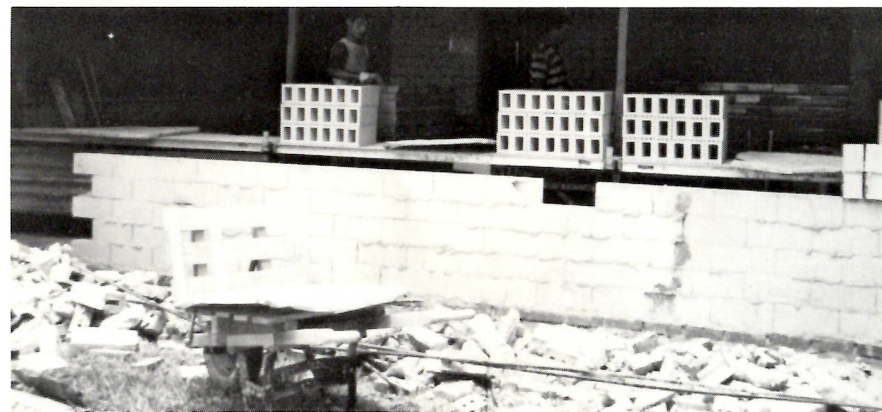

BUZZING SAWS, SCRAPING CHISELS, SILENT PAINT BRUSHES — All are part of Phase II of construction which began in the Spring of 1986. All summer long workmen busily tore apart and reconstructed the English and 8th Grade wings. The auditorium magically became a beautiful library and special education classrooms. "Hectic" would be the word for the summer. Due to construction, summer school classes had to be moved several times. But by August a metamorphosis had taken place. From sand, mortar, and saw dust a fresh, new school building opened it's doors to the studetns and staff. South Cameron High School welcomes it's students, teachers, an communi-ty leaders.

Yes Folks, this is South Cameron in June 1986!

SANDSTORM???

Whose room is this?

Remember, WIPE your feet!!! Please.

Really Mrs. Booth! Can't you get this hall organized!
