# SEASONS OF CHANGE

This school year saw many changes. We said good-bye to our Principal of four years, Mr. Jimmy Marcantel, when he retired at mid-semester. We said hello to our new Principal, Mr. Eddie Beniot. We welcomed our new Assistant Principal, Mrs. Cindy Desonier. Mr. Lloyd Broussard came to SCHS at mid-semester to be our new Guidance Counselor. Other new members of the South Cameron family were Mrs. Robin Holmes who taught various math courses, and Ms. Beckey Trahan who taught

reading, social studies, science, and integrated math. Other additions were three new cafeteria staff members, Mrs. Jocelyn Broussard, Mrs. Tammy Miller, and Mrs. Gail Reed.

Mrs. Holmes teaches math and is the girls track assistant coach.

Mrs. Desonier is our new Assistant Principal.

Mr. Broussard, our new counselor, checks his files.

Jocelyn Broussard, Tammy Miller, and Gail Reed were the new cafeteria staff.

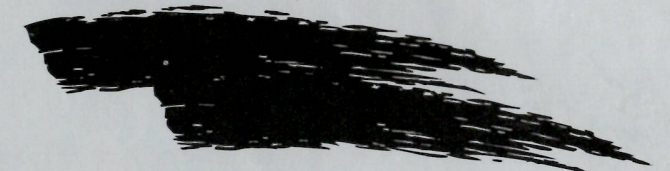

Ms. Trahan is reviewing a few reading questions.

The Cameron water tower was surrounded by water.

The closing of main street allowed residents to take a different view of Cameron.

Tropical Storm Frances came ashore on Thursday, September 10, 1998. Its southwest winds caused high tides in all of southern Cameron Parish. The high tides caused flooding of yards, parking lots, and streets. Many roads were closed due to high water. This led to the cancellation of 3 days of school and a home football game against Vinton. Even after we returned to school, water remained high in the marshes.

Main Street in Cameron was flooded from Pat's to Court House Circle.

Joshua,

I know that seventeen years ago, you thought this day would never come. But now that it is here, you probably have different feelings about what your life will be like after graduation. You always were a curious kid and tried to accomplish everything put in front of you. Even starting school early never slowed you down. You worked very hard from elementary through high school. Words can't express how proud we are of you for your accomplishments. Remember to always keep God first in your life and continue your hard work and you will continue to accomplish your goals. We love you very much and we are proud of you.

Mom, Dad, Jessica, Jennifer, and Jamie

Of all the things we could wish for you,  
We hope these wishes always come true.

We want you to be happy.

We want you to fill your heart with  
Feelings of wonder and to be full of  
Courage and hope.

We want you to make the most of this  
Moment in Time.

We want you to have a real understanding  
Of how unique and rare you really are.

We want you to have faith.

We want you to have times when  
You feel like singing

And dancing and laughing out loud.

We want you to have millions of moments  
When you find satisfaction in the things

You do so wonderfully.

Wherever you are and whatever you do,  
There won't be a day when we won't be  
Wishing the best for you.

Cory,  
 We watched you grow from a boy to a man. You have achieved your goals with great success. Now only the memories remain. We are very proud of you. Remember to keep God in your life always, for he is the one who made it possible for you.

Seventeen years ago, God gave us a gift to raise, love, nurture, and guide to the best of our ability. We never knew what joy she would bring to our lives until now. You have worked through many obstacles in your life to become a strong and beautiful young woman any parent would be proud of as their daughter.

We love you and God bless you!

Even when you go off to college, believe in yourself and who you have become, stand up for your dreams and you will achieve your goals. Our love and support goes with you always.

"Always Have a Dream"  
Forget about the days  
When it's been cloudy,  
But don't forget your hours in the  
sun...  
Forget about the times you've been  
defeated,  
But don't forget about the victories  
you've won.

Forget about mistakes  
That you can't change now,  
But don't forget the lessons that  
you've learned...  
Forget about misfortunes  
You've encountered,  
But don't forget the times  
Your luck has turned.

Forget about the days  
When you've been lonely,  
But don't forget the smiles you've  
seen...  
Forget about the plans  
That didn't seem to work out right,  
But don't forget to always have a  
dream.

Janna,  
We are proud of you and we wish you the best in the future.  
Love Always,  
Uncle Freddie, Aunt Janice and James Allen Hebert

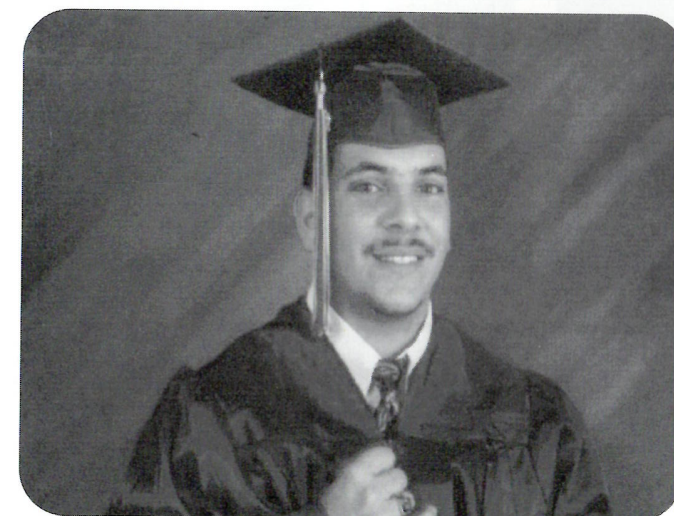

The first time we held you  
 It was so hard to believe  
 That God blessed us with someone  
 So beautiful and sweet.  
 Watching you grow has  
 Given us so much joy  
 From diapers and dolls  
 Then makeup and boys.  
 Our hearts beamed with pride  
 When you took your first step  
 On your first day of school  
 We silently wept.  
 Even when you were young  
 You had a will of your own  
 One that has never faded  
 Through the years that you've grown.  
 We've learned there's no greater love  
 Than that of a child's  
 And that we're reminded of that  
 Each time we see you smile.  
 Though at time we've let you down  
 And weren't there for you  
 You still gave us your love  
 And sincere forgiveness too.  
 You've charmed judges in pageants  
 Cheered your team on at games  
 There were even a few times  
 That you drove us insane.  
 But we wouldn't change a thing  
 If we could do it again  
 Because you're not only our daughter  
 You're also our friend.  
 Now when we look at you  
 Little Baby, no longer, we see  
 But a beautiful, sweet young lady  
 Smiling back with glee.  
 Mom, Dad, and Zach

Through your  
 abilities and  
 actions and  
 yours alone  
 you have  
 achieved many  
 accomplish-  
 ments and  
 have made us  
 all very proud  
 of you! May  
 God bless you  
 and keep you  
 in his care.

Tanya,  
Eighteen years ago you blessed our life. It seems like yesterday when we held your tiny little body in our arms. Looking back, there were times that seemed too difficult for you to make it, but you accepted the challenge and always moved forward. The Bible says in Phil. 4:13 "I can do all things through Christ Jesus who strengthens me." You truly have let the Lord live in you and have accomplished great things. You have made so many people proud of you! You may be physically crippled, but you are a spiritual athlete overcoming hurdles others fall at. You bring so much joy to our life. Never stop smiling that beautiful smile and always include God in your dreams and goals.

We Love You,  
Mom, Dad, John Mark & Robbie

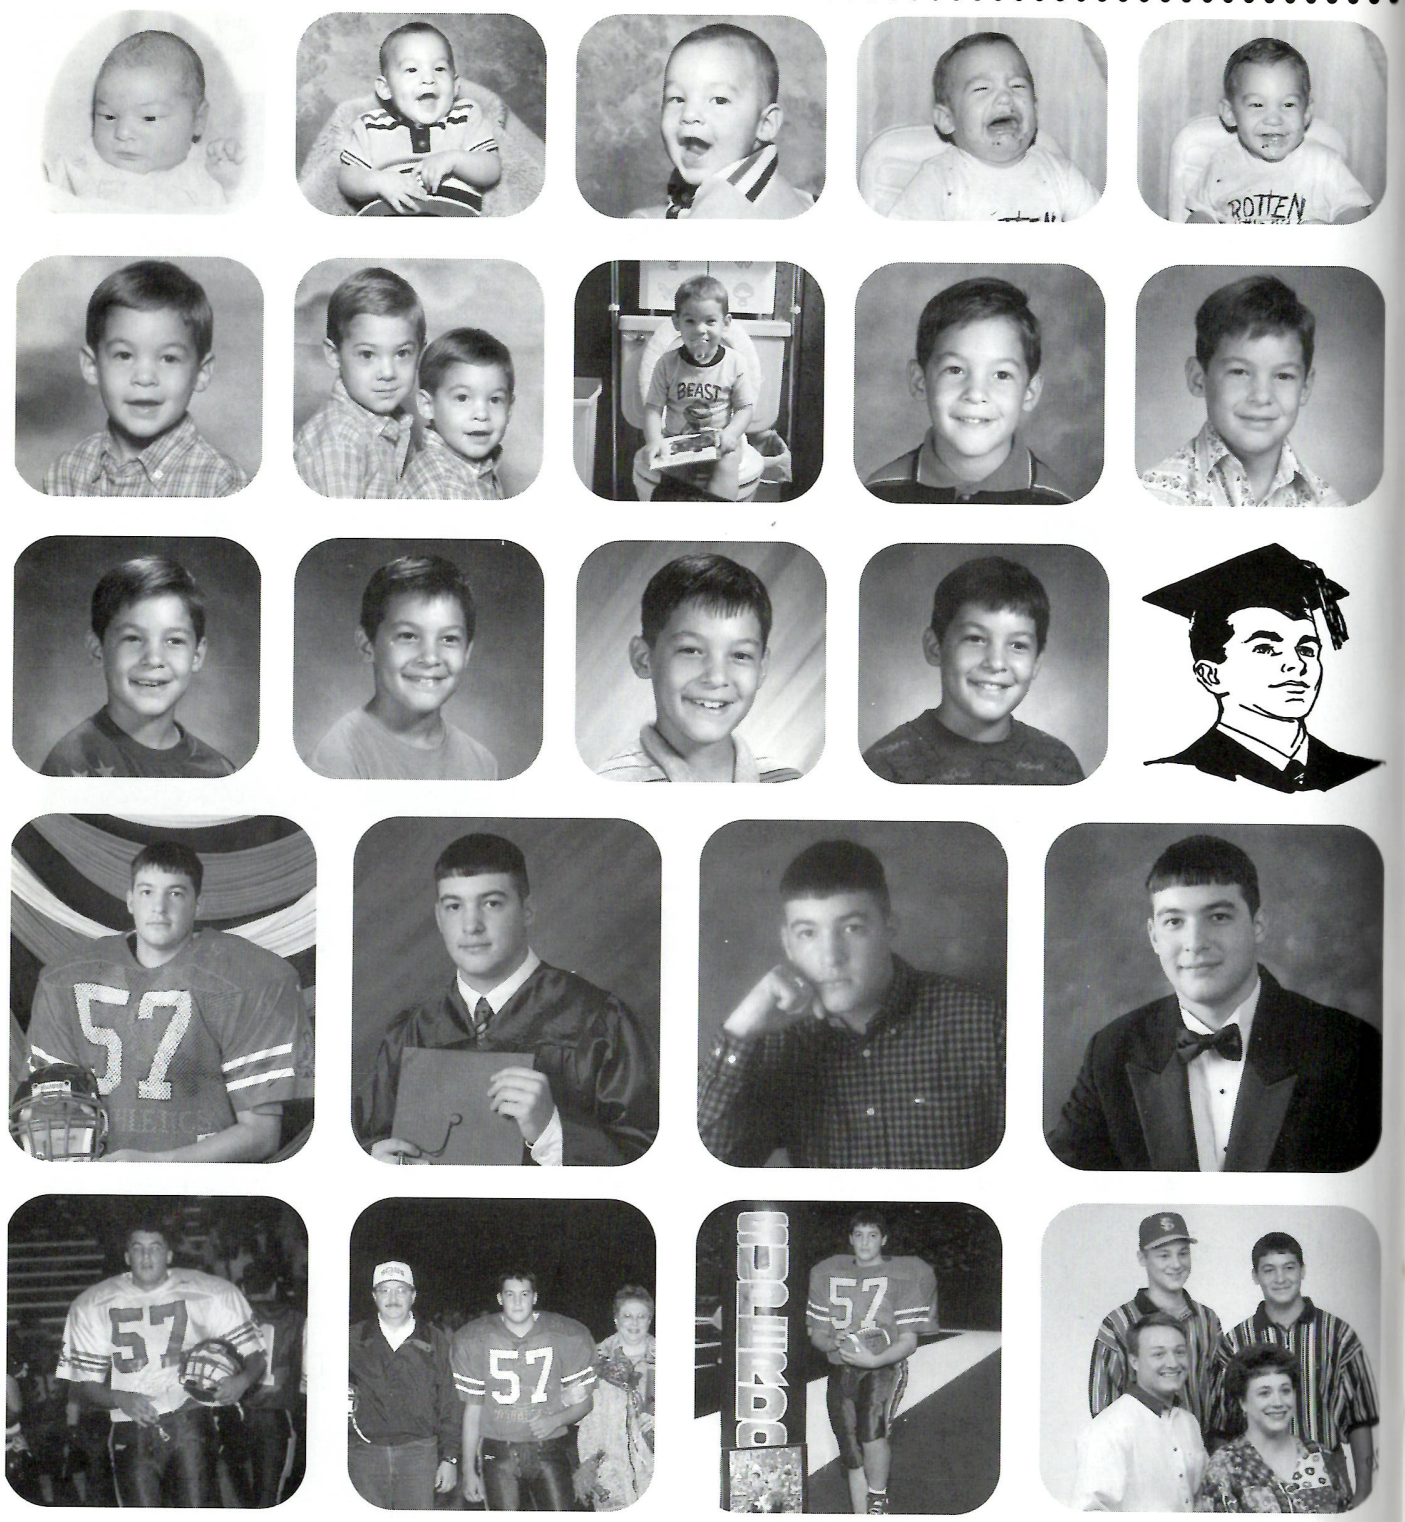

**NIKI CROCHET**

Niki,  
Life has not always been easy; you've had a lot of ups and downs. However, you didn't let that stand in your way of setting goals for yourself and succeeding. You have been a special part in our lives and will continue to be for many years to come. We wish you the best in all our prayers and wishes for a bright future.

**Footprints**  
 One night a man had a dream. He dreamed he was walking along a beach with the LORD. Across the sky flashed scenes from his life. For each scene, he noticed two sets of footprints in the sand; one belonged to him, and the other to the LORD.

When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life. This really bothered him and he questioned the LORD about it. "LORD, you said that once I decided to follow you, you'd walk with me all the way. But I have noticed that during the most troublesome times in my life, there is only one set of footprints. I don't understand why when I needed you most you would leave me."

The LORD replied, "My precious, precious child, I love you and I would never leave you. During your trial and suffering, when you see only one set of footprints, it was then that I carried you."
